Comments for Public Posting: Being a sister city to Hanoi with the stipulation that the dog and cat meat trade legally gets banned, would be so wonderful. Since most Vietnamese don't indulge in this practice, perhaps this will help be a catalyst for them to finally end this barbaric situation.

Comments for Public Posting: Hello, I've been informed that you are considering making a sister city in Vietnam and could ask them to ban dog and cat meat. That would be great. (I hope you will also consider that pigs are as smart as dogs. I'm mentioning this not as a way of saying we shouldn't judge people for eating cats and dogs, but so that individual readers of this letter will contemplate giving up eating them as well.) Thanks, Jenn

Comments for Public Posting: The #DogAndCatMeatTrade needs to be banned for good, even if you're not an animal lover you should be concerned about public health, pandemics like the #COVID19Pandemic had/have their origin in animals who're sold at #WetMarkets and who're eaten by humans. So gan it for good.
