Comments for Public Posting: I am writing you to support a motion to establish a Sister City relationship with Hanoi, Vietnam — conditioned on banning the brutal dog and cat meat trade. The cat and dog meat trade is dangerous and abusive. The animals are brutally slaughtered for their meat, endure horrific abuse and end with a terrifying, violent death. The trade poses a serious public health risks, including rabies and other zoonotic diseases. I have friends that are Vietnamese people and oppose the trade. In fact one family adopted a wonderful dog rescued from the dog meat trade. Please support establishing a Sister City agreement with a humane condition offers Vietnam an economic and cultural incentive to end this cruelty. Perhaps it will also encourage other cities to follow your good example. Thanks you, Jeanette Stewart
