**Comments for Public Posting:** ?? Every year, 5 million dogs and 1 million cats are brutally slaughtered for their meat in Vietnam. Many are stolen from loving homes. They endure horrific abuse including being trucked without food and water in extreme temperatures, before meeting a terrifying, violent death. ?? The dog and cat meat trade poses serious public health risks, including rabies and other zoonotic diseases. ?? Most Vietnamese people support a ban. Establishing a Sister City agreement with a humane condition offers Vietnam an economic and cultural incentive to end this cruelty.
