**Comments for Public Posting:** This cruel practice has to stop. You are slaughtering these poor animals and selling their bodies to be eaten. It's hard to imagine an intelligent person or a government can do this. This is so sick. It's hard the watch the suffering of these poor animals stuffed in pens unable to move or breathe only to be killed inhumanly. This is so sick.

**Comments for Public Posting:** I am writing regarding the inhumane killing of thousands & thousands of cats & dogs that are killed in Viet Nam and even in the U.S. for human consumption. These are living & breathing beings. They are tormented and cruelly killed in unspeakable ways that turns my stomach! This insanity & inhumanity must STOP NOW! Please use your power to STOP this now! Each day that we wait more innocent cats & dogs are killed needlessly!
