Comments for Public Posting: Please support City Council File 25-0193. I encourage Los Angeles to do absolutely everything in its power to help end the dog and cat meat trade in Vietnam! I urge you to vote yes on the motion to establish a sister-city relationship with Hanoi. Your city's influence could help to end the dog-meat and cat-meat trade which is known for its horrific and intentional cruelty. Thank you in advance for supporting this important motion.
