**Comments for Public Posting:** Stop the tragic killing of millions of innocent Dogs and Cats. You are only repeating these barbarian crimes against Animals because people began this holocaust practice centuries ago. That does not make it acceptable, only worse because humans are supposed to be me humane, intelligent and responsible for Animals in today's world. Stop the Animal abuse, stop the diseases, clean up the Animal slaughter waste polluting our water and the planet and go VEGAN. And starting now is not too late. Tamara Bragg Animal Advocate ?? ??

**Comments for Public Posting:** La consommation de viande de chien et de chat ne devrait plus être un sujet d'actualité au 21ème siècle, il est honteux que des pays acceptent encore cette barbarie. De ce fait je soutiens le dossier 25-0193 du conseil municipal visant à mettre fin à la viande de chien et de chat au Vietnam. Je suis contre cette maltraitance et le meurtre de chiens et de chats et j'exhorte Los Angeles à mettre fin à cette pratique. Veuillez voter oui. Merci !.....

**Comments for Public Posting:** Please support the “Sister City Project,” establishing a sister city relationship with Hanoi, Vietnam contingent upon a commitment to ban or phase out the dog and cat meat trade, and help stop this cruelty! I don’t thin there’s any Mayor of any city in the entire US that would put their great City’s name & reputation on a city that still participates in & exploits sentient beings in the despicable cat & dog meat trade that has been illegalized & banned across the globe. I dont think LA citizens want to be affiliated with it at all!
