**Comments for Public Posting:** Thank you for making this condition. Although eating cats and dogs is not acceptable in our culture the worst part is how cruel y the animals are treated before and during death. Despicable.

**Comments for Public Posting:** Every year, 5 million dogs and 1 million cats are brutally slaughtered for their meat in Vietnam. Many are stolen from loving homes. They endure horrific abuse including being trucked without food and water in extreme temperatures, before meeting a terrifying, violent death. ?? The dog and cat meat trade poses serious public health risks, including rabies and other zoonotic diseases. ?? Most Vietnamese people support a ban. Establishing a Sister City agreement with a humane condition offers Vietnam an economic and cultural incentive to end this cruelty. Now this motion has been introduced by Councilmember Bob Blumenfield and seconded by Council President Marqueece Harris-Dawson, we must ensure it is approved... and that the ban on dog and cat meat remains a key condition!
