Comments for Public Posting: The sale of cats and dogs for human consumption MUST end. It is beyond cruel, it is utterly barbaric! Cats and dogs have been bred as pets for millennia. In any polite, civilized society such sale of pets is an anathema. Please communicate the intention of the Los Angeles city council to stand against such horrible customs.

Comments for Public Posting: This barbarity must stop. Dogs and cats are not food. There are so many other foods to eat. It's time for consciences to finally be awakened and for the torture of animals to stop. STOP ! PLEASE !
