Comments for Public Posting: I support City Council File 25-0193, which references City Council File 19-0002-S101, to end dog and cat meat trade in Hanoi, Vietnam. I am against the abuse and killing of dogs and cats. I would like Los Angeles to do what it can to stop the practice. Please vote yes on this Motion.

Comments for Public Posting: Please stop killing precious dogs for dog meat!!! They are so intelligent & loving. They can be trained as service dogs, search & rescue, eyes for the blind, police dogs, protection, etc... It hurts me to know the suffering they endure! Their meat is proven not to have healing or prevention properties of any diseases or anything else, such as making men more potent or preventing cancer. Their suffering is unimaginable! To have a dog for a pet is a gift from GOD! You could never have a more loyal, loving pet. Please stop letting them be killed for their meat. PLEASE!!!
