Comments for Public Posting: I strongly support City Council File 25-0193, which references City Council File 19-0002-S101, to end the brutal dog and cat meat trade in Hanoi, Vietnam. Every year, millions of dogs and cats—many stolen from loving families—suffer unimaginable cruelty. They are crammed into filthy cages, starved, beaten, and slaughtered in horrific ways. This is not just an animal welfare issue; it is a public health crisis, spreading rabies and other deadly diseases. Los Angeles has the power to take a stand for compassion and progress by making the ban on this trade a condition of our Sister City relationship. I urge the City Council to vote YES on this motion and ensure the ban remains a key condition. Together, we can send a powerful message that this cruelty must end.
