Comments for Public Posting: California is way ahead in animal welfare. I respect the decision makers in the California government that take/make the time to consider animal welfare in their platforms. Thank you. Gandhi said, "Be the change you want to see in the world," This is what I am doing & this is what the California government is doing. If nothing is done to change the minds of Vietnamese people things will remain the same. "I support City Council File 25-0193. Los Angeles should do everything in its power to help end the dog and cat meat trade in Vietnam, and I urge you to vote yes on the motion to establish a sister-city relationship with Hanoi." Thank you Los Angeles.
