Comments for Public Posting: I support City Council File 25-0193, which references City Council File 19-0002-S101, to end dog and cat meat trade in Hanoi, Vietnam. I am against the abuse and killing of dogs and cats. I would like Los Angeles to do what it can to stop the practice. Please vote yes on this Motion-I hope that it isn't too late!! Please HELP END this vile business that is not only hideously evil and cruel-but also a serious health risk that increases more virus's and another pandemic outbreak!!! We should LEARN from what has happened and is happening-Covid Shut DOWN the WORLD-Now Avian flu has infected 900 herds in 16 States in the USA-also E-Bola, HIV, AIDES-73% of zoonotic diseases come from Animals-and clearly these filthy, disgusting cesspools DON'T help!!! Every "wet market" every factory "farm" any warehouse or building that crams large numbers of Animals together MUST be BANNED World wide for food safety, health safety, Humane reasons and the environment as well!
