Comments for Public Posting: HOW LONG will the WORLD watch unspeakable tortures inflicted on dogs and cats at Vietnam's dog-meat markets and do nothing about it. How can you talk about "peace" and "democracy" while shocking horrors are regularly committed on defenseless, loving and innocent animals in front of your eyes! Skinning dogs and cats alive, cooking them alive and other appalling tortures shall NOT BE SILENCED, but openly directed to the Prime Minister and the President of Vietnam. We live in 2025 and this abomination must end! There is enough violence in the world, and Vietnam continues to brutalize people through allowing shocking animal tortures. Those who visit this COUNTRY of HORRORS have the obligation to scrutinize its shocking ways of animal abuse and TAKE ACTION! Please do something to help stop this horrific torture and murder of these precious dogs and cats.
