LEASE
BETWEEN THE CITY OF LOS ANGELES AND
KINKISHARYO INTERNATIONAL, L.L.C. AT
SITE 9, PALMDALE LANDHOLDINGS
(2825 East Avenue P, Palmdale, California)

THIS LEASE ("Lease") is made and entered into as of July 3, 2024 ("Effective Date"), by and between the CITY OF LOS ANGELES, acting by order of and through its Board of Airport Commissioners ("Board") of the **DEPARTMENT OF AIRPORTS** also known as Los Angeles World Airports or LAWA ("City"), and **KINKISHARYO INTERNATIONAL, L.L.C.**, a California corporation ("Lessee") (sometimes herein referred to individually as a "Party," or together as "Parties").

RECITALS

A. Lessee has entered into a contract with Los Angeles Metropolitan Transportation Authority ("LA Metro") to perform midlife overhauls of LA Metro's P2550 fleet of rail vehicles, manufacture new railcars, and other related work for LA Metro. The upgrades, critical LA Metro transportation infrastructure, will support the Los Angeles 2028 Summer Olympics that begins July 2028 and 2028 Summer Paralympics that begins August 2028.

B. Lessee has requested City to lease the Demised Premises to enable Lessee to perform the overhauls for LA Metro. Accordingly, City and Lessee have agreed to enter into this Lease under the terms below.

The Parties hereto, for and in consideration of the covenants and conditions hereinafter contained to be kept and performed, DO HEREBY AGREE AS FOLLOWS:

ARTICLE 1. SPECIFIC TERMS AND PROVISIONS

Section 1. Demised Premises.

1.1 **Demised Premises.** The "Demised Premises" shall consist of the following property in the area commonly known as 2825 East Avenue P, Palmdale, California (collectively herein referred to as "Site 9") in the vicinity of Palmdale Landholdings ("Airport"):

(a) The following real property (collectively "Land"):

(i) "Land Under and Adjacent to Hangar 704," consisting of 389,235 square feet of real property;

(ii) "Land Under and Adjacent to Building 702," consisting of 256,657 square feet of real property; and

(iii) "Parking Area A," consisting of approximately 122,956 square feet of land for automobile parking adjacent to building known as Building 701 located at 2825 East Avenue P;

(b) The following improvements (collectively "Improvements"):

(i) "Portion of Hangar 704," consisting of the entire ground floor totaling 168,840 square feet of improvement space within the 260,146 square foot building known as Hangar 704 located at 2825 East Avenue P; and

(ii) "Portion of Building 702," consisting of a 130,164 square foot portion of improvement space, depicted on Exhibit A2 (Page 2 of 3), within the 258,000 square foot building known as Building 702 located at 2825 East Avenue P.

The Demised Premises are collectively depicted and outlined in bold on LAWA Drawing No.20130053, attached hereto and incorporated by reference herein as **Exhibit A**. The Demised Premises' use categories and respective square footage are also identified on **Exhibit B,** Payments, which is attached hereto and incorporated by reference herein.

1.2. **Acceptance and Surrender.** It is understood and agreed that Lessee accepts the Demised Premises in an "as is" condition. Lessee agrees to surrender the Demised Premises upon the expiration or earlier termination of this Lease in a condition substantially similar to the condition of the Demised Premises on the date of first occupancy of the Demised Premises by Lessee, except as modified in accordance with Article 2, Section 58 Improvements and Alterations, Article 2, Section 62 Signs, and Article 2, Section 63 Maintenance and Repair of Demised Premises or any other modifications made pursuant to this Lease, herein, ordinary wear and tear excepted. Lessee shall comply with the requirements for surrender of the Demised Premises stated in Exhibit D. If Lessee fails to surrender the Demised Premises in the condition required under this Section 1.2, then City may restore the Demised Premises to such condition at Lessee's sole cost.

1.2.1 Surrender. Six months prior to the end of the Term, Lessee shall provide LAWA a list of any improvements, fixtures, or property that Lessee intends to leave or which will be surrendered to City. Lessee agrees to surrender the Demised Premises in a condition substantially similar to the condition of the Demised Premises on the date of first occupancy. City may at its sole discretion waive Lessee's surrender obligations with respect to any or all items. Lessee shall remove all Lessee's fixtures, personal property and equipment unless otherwise agreed to by LAWA.

Section 2. Term of Lease.

2.1. This Lease shall commence retroactively to the Effective Date and shall expire three (3) years thereafter, subject to two one-year extension options under Section 2.1.1 below, provided that either Party may terminate this Lease upon twelve (12) months prior written notice to the other Party.

2.1.1. Lessee's Extension Option. So long as no Default Event (as defined under Article 2, Section 70.1) has occurred and is continuing and ongoing beyond all applicable cure periods, Lessee shall have two (2) options (each an "Extension Option") to extend the term of the Lease for the Demised Premises, for an additional one (1) year each. Each Extension Option shall be exercisable by written notice(s) to the Chief Executive Officer no less than sixty (60) days prior to the expiration of then-current Term. During the extended Term, the terms and condition of this Lease shall continue in effect except as to terms and conditions of this Lease which are either expressly or by their operation applicable only during the original Term of this Lease. The exercise of the Extension Option shall not require an amendment to this Lease and shall not require prior approval or later ratification by the board of the Los Angeles City Council. Lessee shall have no further right or option to extend the Term of this Lease. For purpose of this Lease, unless otherwise provided herein, the phrase, "Term of the Lease" and/ or "Term" shall include the Option Term if the Extension Option is exercised in accordance with this provision.

2.2. If Lessee remains in possession of all or any part of the Demised Premises after the expiration of the term hereof, without the execution of a new lease for the Demised Premises, or otherwise without the express or implied consent of City, such tenancy shall be from month-to-month only, and not a renewal or an extension hereof for any further term, and in such case, rent and other monetary sums due hereunder shall be payable in the amount of one hundred fifty percent (150%) of the rent payable for the last month of the term of this Lease plus other charges payable hereunder at the time specified hereunder, and such month-to-month tenancy shall be subject to every other provision, covenant and agreement contained herein including any applicable Rental Adjustments set forth in Article 1, Section 5, Payments to City. Acceptance by City of Rent after such expiration or earlier termination shall not constitute a holdover hereunder or result in a renewal. The foregoing provisions of this Subsection are in addition to and do not affect the right of re-entry or any right of City hereunder or as otherwise provided by law, and in no way shall such provisions affect any right which City may otherwise have to recover damages from Lessee for loss or liability incurred by City resulting from such failure by Lessee to surrender the Demised Premises. Nothing contained in this Subsection shall be construed as consent by City to any holding over by Lessee, and City expressly reserves the right to require Lessee to surrender possession of the Demised Premises to City as provided for in this Lease upon the expiration or other termination of this Lease. City shall retain all of its rights and remedies upon expiration of the Lease, which it may exercise in its sole discretion.

2.3. City has notified Lessee that the timeliness of Lessee's surrender of the Demised Premises on or before the expiration of this Lease is a material consideration for this Lease. Lessee represents to City that Lessee shall timely vacate the Demised Premises in the condition specified in Section 1.2 above on or before the expiration of this Lease, and City is relying upon Lessee's representation in entering into this Lease. The Parties acknowledge that the damages for any untimeliness of Lessee's surrender of the Demised Premises are difficult to calculate. If Lessee fails to surrender and vacate the Demised Premises in the condition specified in Section 1.2 above on or before the expiration of this Lease, then Lessee's Performance Guarantee under Article 2, Section 6 shall be forfeited to City as liquidated damages for the untimeliness of Lessee's surrender of the Demised Premises. Such remedy shall not be deemed to constitute City's consent to a

holdover and shall be in addition to any other remedy available under this Lease and under applicable law, including but not limited to Section 2.2.

Section 3. Use of Demised Premises and Other Property.

3.1. **Authorized Uses**. The use of the Demised Premises is limited to assembly, repair, overhaul, service and maintenance of rail cars and uses incidental thereto.

3.2. **Unauthorized Uses**: Lessee expressly acknowledges that any use other than those expressly set forth in Article 1, Subsection 3.1 above are prohibited. Prior written consent of the Chief Executive Officer of the Department of Airports or her/his designee (hereinafter collectively referred to as "Chief Executive Officer") is required to modify the use of the Demised Premises in any manner. Without limitation to the foregoing, Lessee shall not use the Demised Premises for housing, or for any purpose that is contrary to the Leasing Policy and Minimum Standards (as defined in Section 3.3 below), or that constitutes waste or nuisance, or that would unreasonably annoy other occupants or invitees of Airport or Site 9.

3.3. **Minimum Standards:** Use of the Demised Premises will be subject to and Lessee agrees to comply fully with the Minimum Standards as and when adopted by the Board of Airport Commissioners (hereinafter referred to as "Board"), which will then be attached hereto and incorporated by reference herein as Exhibit C, Minimum Standards. Lessee acknowledges that the Minimum Standards may be supplemented, amended, or modified (and Exhibit C revised accordingly) by Executive Directive. Lessee shall be solely responsible for fully complying with any and all supplements, amendments, and/or modifications to the Minimum Standards. Minimum standards will confirm to a commercially reasonable standard.

3.4. **Access to Demised Premises**: Throughout the term of this Lease, Lessee, its agents, servants, employees, contractors, licensees and business invitees, shall have ground ingress and egress to and from the Demised Premises. Such access to the Demised Premises shall be subject to reasonable airfield access control and permitting requirements as may be established by City and/or Federal Agencies and temporary blockage or redirection due to Site 9 security, Site 9 construction, and Site 9 operational necessity. Lessee acknowledges and understands that City shall have no obligation to resurface or repave ingress/egress roads to the Demise Premises during the term of the lease. Furthermore, if Lessee damages such ingress or egress roads, then Lessee shall repair the roads at Lessee's sole expense.

3.5. **Parking**: Parking Spaces. Lessee shall make an adequate number of parking spaces available for all persons needing access to the Demised Premises, including Lessee's employees, contractors, sublessees, invitees, visitors, and other users of the leasehold, without infringing upon the rights of the City, other tenants, or other third parties, provided that nothing in this Lease shall be construed to provide any third parties with any causes of action against City or Lessee.

3.6. **Access to Common Areas.** In addition to the Demised Premises, Lessee shall have non-exclusive use of areas depicted in Exhibit A as "Common Areas," for use for vehicular and pedestrian movement in common with other lessees of Site 9. Notwithstanding Article 2, Section 12, the Common Areas shall be maintained by City or through its designee, including but not limited to a facility management company. Throughout the term of this Lease, Lessee, its agents,

servants, employees, contractors, licensees and business invitees, shall have non-exclusive use of the Common Areas, subject to compliance with rules that may be established by City and/or its designee, including but not limited to a property manager acting on behalf of City, for the use of the Common Areas.

3.7. **Access to Test Area.** Upon thirty (30) days' written notice to City, Lessee shall have non-exclusive use of a "Test Area," on an as needed basis, which area is delineated on Exhibit A. Lessee to install, maintain, and use approximately 800 lineal feet of railroad tracks in Test Area. Lessee's new construction improvements will be at Tenant's sole cost and expense including the construction work associated with the security fence realignment. The construction will need to be processed through City and City of Palmdale construction approval permitting process, and will require submittal of an operational and safety plan acceptable to City.

Section 4. Improvements by Lessee.

4.1. Lessee shall make all necessary improvements and repairs to the Demised Premises at its sole cost, including but not limited to the roof and restroom facilities, in order to make the Demised Premises usable for the Authorized Uses in accordance with all applicable laws.

Section 5. Payments to City.

5.1. **Rent.** Lessee shall pay monthly land, paving and building rent (hereinafter referred to as "Monthly Rent") and Common Area Maintenance ("CAM") charges as referenced in Exhibit B commencing on the Effective Date ("Rent Commencement Date"). Monthly Rent shall be as set forth in Exhibit B, Payments, and subject to rent adjustments as indicated in Article 1, Subsection 5.2 Rental Adjustments below. Lessee acknowledges that the Chief Executive Officer is authorized to replace Payments, Exhibit B to reflect rental adjustments made pursuant to Article 1, Subsection 5.2 and to reflect fees and/or other charges established periodically by the Board that shall be generally applicable to similarly-situated lessees at airport and Lessee accepts responsibility for payments based upon such modifications. If adjustments to rental, fees and/or other charges are adopted by the Board retroactive to an effective date established by the Board, the adjustment(s) shall be applied retroactively to said effective date, and Lessee must pay all increased amounts due at the next scheduled payment date. Lessee shall be responsible for payment of any and all amounts due City by sublessees of this Lease, if any, unless the Chief Executive Officer specifically waives such responsibility.

5.1.2 **CAM Charge.** In addition to the Monthly Rent, Lessee shall pay charges ("CAM Charge") to cover Lessee's proportional share of costs incurred by City for the portions of Site 9 and Common Areas located at 2825 East Avenue P, which costs include but are not limited to maintenance, repairs, utility costs, applicable taxes, and the costs of a facility management company collectively allocated by building rentable square footage. The amount of the CAM Charge shall be as stated in Exhibit B, and shall be applied to each square foot of building rentable area of the Demised Premises as stated in Exhibit B. If during the lease Term premises are added or deleted to the Demised Premises, then the applicable CAM charge will be adjusted based on the revised rentable building square footage.

5.2. **Rental Adjustments.** It is agreed that Monthly Rent shall be adjusted each year in accordance with the procedures provided hereinafter.

5.2.1. **Annual Adjustments**. Except when adjusted as provided in Section 5.2.2. Periodic Adjustment to Fair Market Rental below, the Land, Paving and Building rental rates of the Monthly Rent for the Demised Premises covered under this Lease shall be subject to an automatic, annual rental adjustment of a **fixed 3% increase per year** on July 1st (the "Annual Adjustment Date"), commencing on July 1, 2025. However, City may change the Annual Adjustment Date through a resolution adopted by the Board provided that there shall be no more than one annual adjustment pursuant to this Section 4.2.1 in any twelve-month period.

5.2.2. **Periodic Adjustment to Fair Market Rental.** Provided nothing herein shall be construed to grant Lessee any extension rights unless expressly stated in this Lease, it is agreed that the: (i) the Land, Paving and Building rental rates payable hereunder shall be adjusted to fair market rate effective as of the fifth anniversary of the Effective Date, and every five years thereafter and (ii) the CAM charges payable hereunder shall be recalculated and periodically adjusted to reflect City's costs, effective on July 3, 2027, and every year thereafter as deemed necessary by City. For the avoidance of doubt, all rental rates and charges shall be reviewed by City and adjusted, as appropriate, in accordance with City Charter requirements, at intervals of no less than every five (5) years. However, nothing herein shall be construed to grant Lessee a right or option to extend the Lease. At no time under this provision shall the rent due to the City result in a rental reduction.

5.2.2.1. Parties May Negotiate in Good Faith. At least one (1) year prior to the scheduled Periodic Adjustment Date and in accordance with Section 5.2.2 above, the parties may (but are not required to), in good faith, negotiate the rental rate(s) applicable to the subject adjustment period(s) as referenced above. Such good faith negotiations, initiated by either party, may include the involvement of a third party reviewer to review and make nonbinding recommendations regarding each party's rate adjustment proposal, discussions regarding external and internal factors that may be unique to the land and/or improvements so that the reviewer(s) can take them into consideration when making the recommendations, in substantially the same manner as corroborated by the parties and applicable to the Demised Premises. The parties shall have continuing opportunities to negotiate in good faith in an attempt to reach agreement on rental adjustment(s) notwithstanding each party's obligation to perform its duties as described under Section 5.2.2.2 below. If the parties are able to reach an agreement on the adjustment to the rental rate(s), then said rate(s) shall be presented as a recommendation to the Board. However, if the parties are unable to reach final agreement during said negotiation period, the parties may continue to negotiate in good faith to attempt to reach agreement until arbitration commences pursuant to Section 5.2.2.6 below.

5.2.2.2. Appraisal Process. If the parties cannot reach agreement on the rental rate(s) or the Board does not approve the agreed upon rental rate(s) as described in Section 5.2.2.1 at least nine (9) months prior to the scheduled Periodic Adjustment Date, then the parties shall determine the Monthly Rent by the procedures described in Sections 5.2.2.3 through 5.2.2.5 below. City may elect to have such procedures apply separately to the rent applicable to improvements and may adjust the land rental rates on the basis of airport-wide land rental rates then in effect, provided that such rates were adopted in compliance with applicable laws. Should City choose to adopt this adjustment option, City will provide written notice to Lessee no later than ten (10) months prior to the Periodic Adjustment Date of the intention to adjust land and improvements separately. Separate appraisals will be procured for the land and the improvements (if any). Under this option, both the land and improvement adjustments will be completed separately under Sections 5.2.2.2 through 5.2.2.6. City or Lessee may elect to use the same appraiser for both appraisal reports. Every effort will be made by City and Lessee to consolidate any required meetings as required in the appraisal process described below.

5.2.2.3. Step 1: Independent Appraisals. City and Lessee shall each select an appraiser, who is a member of the Appraisal Institute or its successor organization and meets the Minimum Qualifications as defined within this Lease (a "Qualified Appraiser"). Either Lessee or City shall, when notified in writing by the other to do so, deliver to the other party the name and address of such appraiser (each, selected Qualified Appraiser, a "Main Appraiser"). The Chief Executive Officer shall immediately fix the time and place for a conference between the two parties and the Main Appraisers no later than fifteen (15) days from the date of the exchange of names and addresses of the Main Appraisers. At such meeting, both Lessee and City may have discussions with the Main Appraisers as to any externalities that may affect the derivation of rental value conclusions. The Appraisal Instructions to be given to the Main Appraisers are as defined within this Lease. City and Lessee shall each pay the fees and expenses of their respective Main Appraisers. The narrative appraisals must be completed according to the Uniform Standards of Professional Appraisal Practice (USPAP) for the year in which the appraisal is completed. No later than one hundred (100) calendar days after the date of the appraiser meeting, a copy of the completed, final USPAP-compliant appraisal report procured by both City and Lessee will be made available for review by the other party on the same day. If either City or Lessee fails to deliver its appraisal report by the appraisal report delivery deadline, the late party will inform the other party in writing of the reason for the delay and the expected date on which appraisal reports will be exchanged. If either party's appraisal report cannot be delivered within four (4) months of the appraiser meeting, the complying party shall have its appraisal report presented to the Board for approval. Upon exchange of the two appraisal reports, in the event that the determination of the rental value in the two appraisal reports differs by fifteen percent (15%) or less, the rate that is the average of the determinations in the two appraisal reports shall be presented as a recommendation to the Board. If the rate determinations in the two

appraisal reports differ by more than fifteen percent (15%), the parties shall proceed to Section 5.2.2.5 below.

5.2.2.4. Step 2: Arbitration Appraiser Selection. The Main Appraisers selected by each party shall be instructed to agree upon and select an Arbitration Appraiser (as defined below) no later than six (6) weeks after the appraiser meeting described above. The Arbitration Appraiser shall be a Qualified Appraiser that is not under contract with the City for appraisal services. If the Arbitration Appraiser selected is not available to perform the task pursuant to the instructions set forth in Section 5.2.2.6 below or is unwilling to execute a City contract for the performance of appraisal services, then City and Lessee shall inform the Main Appraisers and require them to repeat the selection process again until an available Arbitration Appraiser is selected. If the Main Appraisers cannot come to agreement on the selection of an Arbitration Appraiser within (6) six weeks from the date of the appraiser meeting, the Chief Executive Officer shall select an Arbitration Appraiser.

5.2.2.5. Appraisal Review Period. The parties shall have one (1) month to review each other's appraisal reports from the date of the appraisal exchange as described in 5.2.2.3 above. The parties may continue to negotiate the adjusted rental rates during this period. Within fifteen (15) calendar days of the appraisal report exchange in Section 5.2.2.3 above, the Chief Executive Officer shall fix a time and place for a negotiation meeting between the parties to be held no later than six (6) weeks from the date of the appraisal report exchange. At such meeting, the parties shall attempt to reach a final agreement on the adjusted rental rates. Either party may include its Main Appraiser in the meeting, if desired. If Lessee and City reach agreement on the rental rate adjustments, the Chief Executive Officer shall present the results as a recommendation to the Board. If Lessee and City are unable to reach agreement on the adjusted rental rate(s) by the date that is fourteen calendar (14) days from the date of the negotiation meeting, then the parties shall proceed to Step 3 below.

5.2.2.6. Step 3: Appraiser Arbitration. City and Lessee shall each pay one-half of the fees and expenses of the Arbitration Appraiser. The Arbitration Appraiser selected by the two Main Appraisers or the Chief Executive Officer, as the case may be, in Step 2, shall receive copies of both Lessee and City's final appraisal reports that were procured in Step 1 and a list of the rental rate adjustments that have not been agreed to by the parties. The Arbitration Appraiser shall be allowed three (3) weeks to review both appraisal reports. After review of the two appraisal reports, the Arbitration Appraiser will determine which of the rental rate(s) from the two appraisal reports are the most reasonable, considering comparable data selection, market information and applicable valuation methodology. The Arbitration Appraiser will communicate its decision in writing to both Lessee and City three (3) weeks after engagement. The Chief Executive Officer shall present the agreed-upon rental rate(s) and the Arbitration Appraiser's

determinations as a recommendation to the Board. City shall make every effort to present the rate(s) for approval to the Board prior to the Periodic Adjustment Date.

5.2.3. Appraisal Criteria. The following appraisal criteria shall apply to Sections 5.2.2.3 through 5.2.2.6.

5.2.3.1. Appraiser Minimum Qualifications. The Main Appraiser must possess, at a minimum, an MAI or SRPA designation and must be licensed in the State of California. The Main Appraiser must perform all of the calculations and technical portions of the appraisal report as well as derive the final value conclusions within the appraisal report. The Main Appraiser must have geographic market knowledge of the Los Angeles County area. Knowledge of the entire Southern California real estate market is preferred. The Main Appraiser must have a minimum seven (7) years of experience of appraising property in Southern California. If the Main Appraiser is valuing property within the perimeter fence of an airport ("on-airport"), he or she must have performed a minimum of five (5) appraisals of on-airport property within the past five (5) years.

5.2.3.2. Main Appraisers must be in good standing with the California Bureau of Real Estate Appraisers (CBREA) or its successor organization and have no more than one complaint filed against him or her for any reason and no complaints that have resulted in any disciplinary actions. The Main Appraisers must certify in the appraisal report that he or she has never received any disciplinary actions from the CBREA. The Main Appraisers must be able to provide documentation of the sources of comparable rental rate and sales data to the reasonable satisfaction of City and Lessee.

5.2.3.3. Appraisal Instructions. The Main Appraiser shall consider the following in completing the appraisal report:

5.2.3.3.1. Los Angeles Administrative requirements that are in force upon Lessee within its Lease at the date of value.

5.2.3.3.2. FAA regulations that may affect value such as the Building Restriction Line, Object Free Area, Runway Protection Zone, building height limitations as related to the "Transitional Zone" and any other regulations that may affect value.

5.2.3.3.3. City zoning that applies to the property. If the City-approved use does not conform to the current zoning at the date of value, and the current use is also determined to be the highest and best use, then the Main Appraiser will value the property as if it had the zoning that would allow its current use
(variance granted).

5.2.3.3.4. Any public or private easements, such as utilities or rights-of-way, including avigation rights.

5.2.3.3.5. The appraisal of land shall be determined as if vacant under its highest and best use at the date of value, taking into consideration the government imposed restrictions listed above (both by law and restrictions as imposed under the Lease). The leasehold estate or "lessee's interest" (as defined within the most recent edition of "The Appraisal of Real Estate" as published by the Appraisal Institute) shall not to be considered.

5.2.3.3.6. City and Lessee shall have the right to modify any conditions of the appraisal process upon mutual written agreement of the parties.

5.2.4. With respect to additions, improvements, or alterations to leasehold structures authorized by City and made by Lessee during the term of this Lease, Lessee shall not be charged rent for the rental value thereof unless and until title to said additions, improvements, or alterations revert to City pursuant to the terms of this Lease or by operation of law.

5.2.5. Nothing herein shall prejudice the right of Lessee to contest, in a court of competent jurisdiction, such adjusted rental in the event said Board may have acted arbitrarily or unreasonably. However, pending the outcome of any such litigation, Lessee shall be obligated first to either pay the new rental and all retroactive amounts directly to City as they come due, or deposit such increased amounts of such rental and the retroactive amounts into a joint escrow account. Provision shall be made for the payment to the City of the escrowed funds, including accrued interest, (to the extent such funds are owed by Lessee to City) upon a final determination of the appropriate rental adjustment, if any.

5.2.6. Notwithstanding Article 2, Section 71 below and subject to Section 5.2.7 below, if either Party alleges that the other Party has failed to comply with the procedure specified in Section 5.2.2.2 above, the Party alleging noncompliance must notify the other Party in writing within 30 days, describing such noncompliance in detail and providing the other Party a reasonable time for cure (in any case, not less than 10 days), otherwise such noncompliance shall be deemed waived; provided that failure by the parties to timely comply with the rental readjustment procedures herein shall not be construed to constitute a waiver of the right of City to a rental readjustment. In the event adjustment of rental is not completed prior to the adjustment date, Lessee shall continue to pay the rent set for the preceding period, at the intervals and in the manner fixed for such preceding period, and if such rent is thereafter fixed in a different amount, such new rental shall take effect retroactively back to the beginning date of the readjustment period. Subject to Lessee's right of contest and right to escrow funds, unless the Board otherwise agrees to a payment plan with interest, Lessee shall promptly pay to City that sum, if any, which has accrued as a result of such retroactive application. If a rental reduction occurs, City shall provide a

rent credit to Lessee's account equal to the sum which has accrued as a result of such retroactive application.

5.2.7. If City has complied with the appraisal procedure and related time frames as set forth above, City shall be entitled to receive, in addition to all retroactive rents that become due as a result of Board-adjusted rental rate(s), the time value of said rental increase(s) calculated from the effective date of the increase(s) to the time period that the rental increase(s) are assessed to the Lessee at an interest rate representing what the City may have otherwise been entitled to if the funds associated with the increase(s) were available for City's use; however, in no event shall the interest rate be less than 5%.

5.2.8. Assessments, Fees, and Charges. In addition to the rental obligation, Lessee hereby agrees to pay such assessments, fees, and charges as shall be set by the Board and that shall be generally applicable to similarly situated lessees at Site 9.

Section 6. Notices.

Section 7. Disclosure of Hazardous Substances.

7.1. City hereby notifies Lessee that in addition to Pre-Existing Environmental Conditions (as defined in Section 74 below), petroleum products, Asbestos Containing Material ("ACM") (including, but not limited to, building materials such as floor tile, mastic, roofing, and joint compound), Lead Based Paint ("LBP"), Possible Mercury-Containing Switches and Fluorescent Tubes, and Possible PCB-Containing Materials (including but not limited to fluorescent light ballast and electrical transformers ("Possible PCB") may be present in structures and materials on the Demised Premises. The disclosure in this Section 7 shall only be for purposes of providing Lessee with notice of some substances that may be present on the premises. The disclosure herein shall not be construed as evidence of Pre-Existing Environmental Conditions for purposes of Art. 2, Sec. 74.

NOTICE IS HEREBY GIVEN TO LESSEE THAT ASBESTOS CONTAINING MATERIALS MAY BE PRESENT IN NUMEROUS STRUCTURES AND MATERIALS IN THE DEMISED PREMISES. ACM MAY BE PRESENT IN SOME BUILDING MATERIALS INCLUDING FLOOR TILE, MASTIC, ROOFING, JOINT COMPOUND AND OTHER VARIOUS MATERIALS. ACM IS REQUIRED BY THE SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT RULE 1403. TO BE REMOVED PRIOR TO DEMOLITION, IF ANY;

NOTICE IS HEREBY GIVEN TO THE LESSEE THAT LEAD BASED PAINT MAY BE PRESENT IN VARIOUS STRUCTURES IN THE DEMISED PREMISES INCLUDING WALLS, DOOR AND DOOR COMPONENTS, RAILINGS, TANKS, FLOORS, WINDOW SASHES AND OTHER PAINTED SURFACES.

NOTICE IS FURTHER GIVEN TO LESSEE THAT IF ANY LEAD-BASED PAINT WILL BE DISTURBED, THERE ARE OSHA AND CAL-OSHA REGULATIONS FOR WORKERS DISTURBING LEAD BASED PAINT THAT MUST BE FOLLOWED, AND THE WASTE STREAM MUST BE TESTED TO DETERMINE IF IT HAS TO BE DISPOSED OF AS RCRA HAZARDOUS WASTE, CALIFORNIA HAZARDOUS WASTE, OR CAN BE DISPOSED OF AS CONSTRUCTION DEBRIS. SEE CAL-OSHA CONSTRUCTION LEAD STANDARD (8 CCR 1532.1).

NOTICE IS FURTHER GIVEN TO THE LESSEE THAT POSSIBLE MERCURY CONTAINING SWITCHES AND FLUORESCENT TUBES MAY BE PRESENT IN THE DEMISED PREMISES. PRIOR TO ANY DEMOLITION OF ANY STRUCTURES AT THE DEMISED PREMISES, ANY ACTUAL MERCURY-CONTAINING SWITCHES AND FLUORESCENT TUBES MUST BE REMOVED

AND MANAGED FOLLOWING THE REQUIREMENTS OF THE HAZARDOUS WASTE CONTROL ACT AND THE TOXIC SUBSTANCES CONTROL ACT.

NOTICE IS FURTHER GIVEN THAT POSSIBLE PCB-CONTAINING MATERIALS MAY BE PRESENT IN THE DEMISED PREMISES. SUSPECTED PCB-CONTAINING MATERIALS MAY INCLUDE BUT NOT BE LIMITED TO FLOURESCENT LIGHT BALLASTS AND ELECTRICAL TRANSFORMERS. 7.3. General Release and Waiver by Lessee. Lessee on behalf of itself and its successors and assigns releases the City from and waives any and all claims of any nature whatsoever, whether direct or indirect, known or unknown, foreseen or unforeseen, arising from or related to Pre-Existing Environmental Conditions, petrochemicals, ACM, LBP, actual Mercury-fluorescent tubes and switches, and actual PCB-containing materials in the Demised Premises. The Lessee acknowledges and agrees that it has been advised by legal counsel in California and is familiar with the provisions of California Civil Code Section 1542, which provides as follows:

> **"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."**

The provisions of this section shall survive the expiration or earlier termination of this Lease.

Section 8. Smart Meters.

8.1. Without limiting Section 54 (Utilities) below, if City adopts written requirements for Smart Meters or Advanced Metering Infrastructure for all similarly situated City-owned properties at Airport ("AMI," as defined more particularly below), then Lessee shall install AMI at its sole cost upon City's request. For purposes of this Section 8.1, AMI shall mean systems that measure, collect, and analyze energy usage, and communicate with metering devices such as electricity meters, gas meters, and water meters, either on request or on a schedule. These systems include hardware, software, communications, consumer energy displays and controllers, customer associated systems, meter data management software, and supplier business systems. Lessee shall provide utility consumption information to City upon request.

Section 9. Lease-Specific Provisions.

9.1. If City prohibits Lessee from installing antenna(e) or telecommunications equipment that is necessary for Lessee's Permitted Use(s), then the Parties shall enter into good faith negotiations to resolve the telecommunications issues that would meet the needs of both

Parties. If such negotiations fail, then Lessee may terminate this Lease upon sixty (60) days' prior written notice to City.

9.2. City may install solar panels on the roof, or Lessee approved ground mounted areas (i.e., ground covered parking) on Demised Premises, either directly or through third parties with which the City has entered into a contract, so long as such installation is at no cost to Lessee and does not significantly impact Lessee's use of the Demised Premises. City may connect such solar panels to the electrical system of the Demised Premises, so long as such connection is at no cost to Lessee.

9.3 Antelope Valley Groundwater Adjudication

9.3.1 AV Groundwater Adjudication Final Judgment. Lessee is hereby informed and acknowledges that the Demised Premises are located within the Antelope Valley Water Basin and that use of water and groundwater production on the Demised Premises is subject to the terms of the Final Judgment and Physical Solution entered on December 23, 2015 ("Final Judgment") which includes the City as a party thereto, as may be further amended by the Court and implemented through Rules and Regulations of the Antelope Valley Watermaster. A copy of the Final Judgment is available for review at the Watermaster website at http://watermaster.wp.iescentral.com/wp-content/uploads/2018/03/151228-Exhibit-a.pdf.

9.3.2 Limited Water Rights. Lessee agrees that it shall use no more than 2 acre feet of water per year on the Demised Premises during the Term. Lessee acknowledges that this amount is subject to further limitation or adjustment in the Chief Executive Officer's sole discretion with advance written notice in order to comply with the City's broader obligations under the Final Judgment. Except as expressly set forth herein, Lessee acknowledges that the Lease does not include any entitlement to use any of the City's rights under the Final Judgment.

9.3.3 Cooperation and Costs. Lessee will cooperate with City in ensuring compliance with Final Judgment provisions, including but not limited to: (1) installation and maintenance of meters on wells which comply with Watermaster requirements; (2) reporting of groundwater production consistent with Watermaster reporting requirements; (3) assisting with any applications required by the Watermaster, such as for construction of any new wells, and (4) allowing access for inspections by City, the Watermaster, and the Watermaster Engineer as required under the Judgment. Lessee shall bear costs associated with the foregoing, if any, and for its share of any pass-through costs or assessments from the Watermaster attributable to the Demised Premises in the Chief Executive Officer's sole discretion.

9.4 Nitrate Groundwater Contamination

9.4.1 Cleanup & Abatement Order / Nitrates. Lessee is hereby informed and acknowledges the Regional Water Quality Control Board, Lahontan Region ("Regional Board") has determined that groundwater beneath and associated with the Premises has been degraded with respect to nitrates and has issued Cleanup and Abatement Order R6V-2003-0056 ("Order") to both LAWA and County Sanitation District No. 20 of Los Angeles County ("District").

9.4.2 Cooperation and Access. Pursuant to an agreement between LAWA and the District, the District shall be responsible for certain compliance requirements under the Order that may require access for groundwater sampling or monitoring or remedial actions in Palmdale including the Demised Premises. Lessee shall cooperate with respect to access needed or desired in performance of compliance requirements. The District will endeavor to avoid any material disruption in performing compliance requirements, and has agreed to provide 14 calendar days' notice to LAWA and its tenant of the District's intent to access those areas (except in the event of a resampling, in which case the District shall provide at least 3 business days' notice), or pursuant to a defined schedule for access subject to LAWA's and the Lessee's reasonable approval.

9.4.3 Tenant Monitoring and Reporting Plan. Lessee shall not create or increase nitrate groundwater contamination after the Effective Date of this Lease. In connection therewith, Lessee understands and agrees that it shall perform monitoring and reporting to LAWA relating to agronomic application of water and nutrients in manner and frequency as set forth in an annual Tenant Monitoring and Reporting Plan to be provided by City and may be updated from time to time.

Sections 10 to 50. Reserved

ARTICLE 2. STANDARD TERMS AND PROVISIONS

Section 51. Limitations on Use of Demised Premises.

51.1. Lessee shall not use the Demised Premises, nor any portion thereof, for any purpose other than that set forth in Article 1, without first having had and obtained the written consent of the Chief Executive Officer, which consent may be withheld in the Chief Executive Officer's sole discretion, and which written consent is approved as to form by the City Attorney.

51.2. There is hereby reserved to City, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Demised Premises herein leased. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from, or operating on Airport. Lessee agrees not to make any claim or institute legal action against City under any theory of recovery for any interference with Lessee's use and enjoyment of the Demised Premises which may result from noise emanating from the operation of aircraft to, from, or upon Airport.

51.3. Lessee, by accepting this Lease, agrees for itself and its successors and assigns that it will not make use of the Demised Premises in any manner which might interfere with the landing and taking off of aircraft from Airport or otherwise constitute a hazard to such operations. In the event that the Lessee interferes with any air traffic as described above, City reserves the right to enter upon the Demised Premises hereby leased and cause the abatement of such interference at the expense of Lessee.

51.4. Lessee shall conduct its, and cause its sublessees to conduct their operations on the Demised Premises in such manner as to reduce as much as is reasonably practicable, considering the nature and extent of said operations, any and all activities which interfere unreasonably with the use of other premises adjoining the Demised Premises at Airport, including, but not limited to, the emanation from the Demised Premises of noise, vibration, movements of air, fumes, and odors.

51.5. City may prohibit Lessee from installing or using any wireless workstations, access control equipment, wireless internet servers, application or system software such as transceivers, modems, or other interface units that access frequencies from 2.0 Gigahertz to 6.0 Gigahertz, inclusive, to the extent such systems interfere with airport operations.

51.6. Lessee has no rights under this Lease to install or use any antennae or telecommunications equipment on the roof or exterior of any building or structure on the Demised Premises, unless such installation or use is directly related to the conduct of Lessee's business and in full compliance with City's permit process and telecommunications policies, as may be modified from time to time at the sole discretion of the Chief Executive Officer. Lessee may not license or sublease to others the right to install or use antennae or other telecommunications equipment on the Demised Premises.

Section 52. Rental Payments.

52.1. Delivery of Rental Payments. Rent shall be paid by Lessee to City on or before the first day of each calendar month of the term, pursuant to Article 1, Section 2, Term of Lease, herein. In the event the commencement or termination date of this Lease falls on any date other than the first day of the calendar month, the applicable rental for that month shall be calculated pro rata according to the number of days during which the Demised Premises, or any part of same, were occupied by Lessee during said month. All payments shall include the contract number, which is stamped on the first page of this Lease, on each payment check and the remittance advice attached to the invoice, if any, delivered to Lessee by City. Upon written approval by the Chief Executive Officer, the Lessee may be approved to make electronic rental payments to the City.

52.2. All payments shall be mailed to the following address:

City of Los Angeles
LAWA Los Angeles World Airports
P.O. Box 102662
Pasadena, CA 91189-2662

52.3. City may, from time to time, designate another address to which rental payments shall be made and will provide at least thirty (30) days advance written notice of such address change. Invoices may be sent by City to Lessee as a customer courtesy, and receipt of such invoice shall not be a condition prior to payment of rent.

Section 53. Liquidated Damages for Delinquent Payment.

53.1. Payment of rentals, fees, and charges shall be delinquent if not received by City within ten (10) days following the due date. Without waiving any rights available under this Lease or by law, in the event of delinquent payments, Lessee recognizes that City will incur certain expenses, the amount of which is difficult to ascertain. Therefore, in addition to payment(s) owing, Lessee agrees to pay the liquidated damages set forth below to compensate City for all expenses and/or damages and loss resulting from said delinquent payments by Lessee

53.2. The liquidated damages for delinquent payments shall be assessed each month at a rate of 1 percent interest (i.e., equivalent to 12% per annum compounded monthly) on the Average Daily Balance (as hereinafter defined) of the unpaid amount. "Average Daily Balance" shall mean the sum of Lessee's unpaid balance on each day of the monthly billing cycle divided by the number of days in the monthly billing cycle. City may draw such delinquent payments from the Faithful Performance Guarantee required pursuant to Article 2, Section 57 Faithful Performance Guarantee, herein. FPG draw shall apply first to unpaid liquidated damages, then to remaining delinquent balances. Delinquent balance remaining after FPG draw shall continue to be assessed liquidated damages pursuant to this Section 53.2.

Section 54. Utility Services.

54.1. Lessee shall pay all charges for water, gas, power, communications, and any and all other utility services used by Lessee in connection with its occupancy of the Demised Premises, including deposits, connection fees, or charges and meter installation rentals required by the supplier of any such utility service, and the costs of all equipment and improvements necessary for connecting the Demised Premises to such utility service facilities (collectively, "Utility Services").

54.2. Lessee shall meter all utilities separately and shall install all meters at Lessee's expense unless City and Lessee agree that separately metering any or all of the utilities is not feasible. To the extent Lessee is not paying for any Utility Service directly to the utility company providing said Utility Service, and such Utility Service is being metered, sub-metered, or otherwise paid for by City or a third party ("Utility Third Party") then Lessee shall pay the costs for Utility Services allocable to the Demised Premises as reasonably determined by City or Utility Third Party as the case may be, plus fifteen percent (15%) administrative costs, unless Lessee and City or Utility Third Party agree otherwise in writing.

54.3. City may, at City's own expense, install, maintain and repair utilities under, over, through or in any part of the Demised Premises and Lessee shall not be entitled to payment or abatement of rent or any other compensation in connection with any such installation, maintenance and/or repair. If City installs, maintains or repairs utilities under, over, through or in any part of the Demised Premises and City damages the Demised Premises during such utility work, then City shall repair the damage to a reasonable condition. Furthermore, City will make all reasonable efforts during the installation, maintenance and/or repair not to create a materially adverse effect on Lessee's on-going business concern. Lessee waives any and all claims against City for compensation for any and all loss or damage sustained by reason of any defect, deficiency, or impairment of any water supply system, drainage or sewer system, gas supply system (if provided), telephone system, electrical supply system, or electrical apparatus or wires serving the Demised Premises, with the exception for claims against City for compensation for loss or damage directly resulting from installation, maintenance and/or repair performed by City.

Section 55. Reports.

55.1. City may, at its discretion and with reasonable notice to Lessee, require Lessee within ten (10) days after the end of each calendar month, to report to the City certain operating statistical and financial data applicable to City airports covering the previous calendar month in such form and content as shall reasonably be specified by the Chief Executive Officer.

Section 56. Audits.

56.1. City may, at its sole discretion and with reasonable notice to Lessee, require Lessee to provide access to all records and other information necessary to perform an audit of rental, fees, other charges paid and payable to City, and any required information for payments by City to lessee, including but not limited to invoices and proof of payments related to reimbursement for Lessee improvements and other Lessee-required investments. City shall have the right to access

such records and information for five (5) years past the end of the fiscal year in which they were generated and up to five (5) years past the expiration or early termination of this Lease. Lessee shall retain all records and other information necessary to perform an audit as described above for a minimum of five (5) years.

Section 57. Faithful Performance Guarantee.

57.1. Lessee shall furnish to City and maintain throughout the term of this Lease and for sixty (60) days following Lease termination, a Faithful Performance Guarantee ("FPG") to secure the faithful performance by Lessee of all the terms, provisions, and covenants contained herein including, but not limited to, the payment of rent and any other specified compensation or reimbursement for required improvements or maintenance not made by Lessee. Such FPG shall be separate from any other guarantee(s) of Lessee. The initial amount of said FPG shall be three (3) times the highest monthly rental amount, commencing with the initial first year's rent, prescribed herein. Any adjustments to rent, pursuant to Article 1, Section 5, Payments to City, herein, shall also result in a commensurate adjustment to the FPG, pursuant to subsections 57.2 and 57.3 below. If all or any part of the FPG is used to pay delinquent account as set forth in Article 2, Section 53. 2, Liquidated Damages for Delinquent Payment herein, Lessee shall, within sixty (60) days after draw down, replenish said FPG so that the FPG equals three (3) times the highest monthly rental amount.

57.2. If Lessee has previously provided such FPG to City and if, for any reason, Lessee's monthly monetary obligation to City for use of the Demised Premises under this Lease is thereafter increased in excess of ten percent (10%), then the amount of Lessee's FPG shall, within sixty (60) days after receiving written notice from City, correspondingly be increased to a sum three (3) times of the new monthly amount prescribed under this Lease.

57.3. If Lessee has previously provided such FPG to City and if, for any reason, Lessee's monthly monetary obligation to City for use of the Demised Premises under this Lease is thereafter decreased in excess of ten percent (10%), then the amount of Lessee's FPG may be correspondingly decreased to a sum three (3) times of the new amount prescriber under this Lease, within sixty (60) days following written notice to City by Lessee.

57.4. FPGs of Five Thousand Dollars ($5,000) or less shall be in the form of a Cashier's Check, Company Check, Money Order, Certificate of Deposit or Irrevocable Letter of Credit. FPGs in excess of Five Thousand Dollars ($5,000) shall be in the form of an Irrevocable Letter of Credit. Letters of Credit shall be self-renewing from year-to-year and shall remain in full force and effect for a minimum period of ninety (90) days following termination or cancellation of the Lease. However, the Irrevocable Letter of Credit may be subject to termination upon sixty (60) days written notice (subject to Subsection 57.5), provided that, Lessee shall first give City notice in writing of its intent to terminate the Letter of Credit and provide a replacement Irrevocable Letter of Credit to the City so that there is no lapse in coverage. All FPGs must be approved as to form by the City Attorney.

57.5. Lessee shall furnish one original and one copy of such FPG on or before the Rent Commencement Date or within thirty (30) days following notice of adjustment of the rent. If, for

any reason, said FPG is not provided by Lessee and/or is not thereafter maintained in sufficient amount throughout the term hereof, or replenished within sixty (60) days of drawdown, City, subject to the notice requirements of Article 2, Subsection 71.1.2, may terminate this Lease at any time upon giving Lessee a thirty (30) day advance written notice. Upon the expiration or earlier termination of this Lease, and if Lessee has satisfied all of its obligations to City hereunder, City shall relinquish to Lessee said FPG following such expiration or earlier termination and satisfaction of all obligations to City within sixty (60) days of that determination. The FPG shall be submitted to:

Los Angeles World Airports
Attn: Accounting/Revenue FPG Administrator
6053 West Century Blvd., Suite 500

Section 58. Improvements and Alterations.

58.1. By Lessee.

58.1.1. Prior to the construction of any improvements, including but not limited to structural improvements, additions, alterations, or signs, Lessee shall obtain approval from the City through its Tenant Improvement Approval Process (TIAP). Lessee shall submit to the City for concept approval the preliminary plans and estimated construction cost for such improvements. Said approval, subject to the conditions set forth herein, shall be given in a reasonably timely manner. Upon approval by the Chief Executive Officer of Lessee's preliminary plans, Lessee shall prepare working drawings and specifications which shall be true and correct developments of the preliminary plans so approved. Lessee shall then submit a written request for construction approval and a minimum of five (5) complete sets of said approved working drawings and copies of the specifications to the City for written approval by the Chief Executive Officer. The Chief Executive Officer's written approval and any conditions related to the construction of the improvements or alterations shall become a part of the Lease as though fully set forth herein once the document is fully executed by both parties. Upon receipt of the Chief Executive Officer's approval, Lessee shall cause the construction called for by the approved working drawings and specifications to be commenced and completed promptly. No substantial changes, additions, or alterations shall be made in said working drawings or specifications, or in the construction called for thereby, without first obtaining the Chief Executive Officer's approval in writing. As required by TIAP and upon completion of the improvements approved by the City, Lessee shall furnish to City, at no charge, three complete sets of "record" drawings, and one complete set in Computer Aided Design (CAD) format which complies with the then current LAWA CAD standards. These drawings must include any applicable permit numbers, the structural and other improvements installed by Lessee in the Demised Premises, and the location and details of installation of all equipment, utility lines, heating, ventilating, and air-conditioning ducts and related matters. Lessee shall keep said drawings current by updating them in order to reflect any changes or modifications which may be made in or to the Demised Premises.

58.1.2. Any conditions, restrictions, or limitations placed upon the approval of Lessee improvements by the Chief Executive Officer pursuant to Section 58.1.1 shall be conditions of this

Lease as though fully set forth herein once the document is fully executed by both parties. Lessee shall hold City harmless from liability with respect to any claims regarding any improvements, additions, or alterations made thereto.

58.1.3. As required by TIAP, for each and every construction or alteration project undertaken on the Demised Premises, Lessee shall prepare a final construction report. This report shall contain the following elements: (1) type of improvement constructed or altered; (2) floor area or capacity of improvement constructed or altered; (3) total cost of construction or alteration including a detailed cost breakdown; (4) completion date for construction or alteration; and (5) a copy of the certificate of occupancy. The construction report shall be delivered to the City at the address provided in the Notices Section of the Lease no later than sixty (60) days following completion, and applicable permitting approvals of the construction or alteration.

58.1.4. Lessee shall also keep the Demised Premises and any improvements constructed thereon free and clear of liens for labor and material expended by or for Lessee or on its behalf in accordance with Article 2, Section 59 Liens, herein.

58.1.5. Lessee agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Administration Regulations in the event any future structure or building is planned for the Demised Premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the Demised Premises.

58.1.6. Lessee agrees that it will not erect nor permit the erection of any structure or object nor permit the growth of any tree on the land leased hereunder above the mean sea level elevation obstruction contours shown on the contour drawings on file with the City, if applicable. In the event the aforesaid covenants are breached, City reserves the right to enter upon the land leased hereunder and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of Lessee.

58.1.7. Before any work is performed on or within the Demised Premises, as described in the aforementioned subsection 58.1.1, Lessee may be required to file Payment and Performance Bonds with the City. Furthermore, Lessee agrees to require its contractors to file with the City any Payment Bonds as required by TIAP. All required Payment and Performance Bonds must be approved by the City before any work commences.

58.1.8. Intentionally omitted.

58.2. By City.

58.2.1. City reserves the right to further develop or improve the landing area of Airport or any other portion of the Airport, as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance. If any such development or improvement interferes substantially with Lessee's use and occupancy of the Demised Premises, Lessee shall be entitled to an appropriate reduction in rental or termination of this Lease.

58.2.2. City reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard.

58.2.3. Lessee acknowledges that the City retains the right without compensation to Lessee to install or use antennae or telecommunications equipment on the roof or exterior of any building or structure on the Demised Premises (and the right to install and attach cables, wires and conduits on, over or under the Demised Premises), or to lease or license others to do so. City agrees to install such antennae and/or telecommunications equipment in such a manner that will not cause a loss of water-tightness in the roof or wall structures or their related components. The right to install or use said antennae or telecommunications equipment shall not include the right to penetrate fully through roof or wall structures owned by Lessee without first obtaining approval of the Lessee, which approval may not be unreasonably withheld. City further agrees to repair any damage caused by City's installation of antennae or telecommunications equipment on the roof or exterior of any building or structure on the Demised Premises. City will make best efforts not to interfere with the use of the Demised Premises, as described herein, during the installation or maintenance of such antennae and/or telecommunications equipment.

Section 59. Liens.

59.1. During the term of this Lease, the fee interest in the real property underlying the Demised Premises shall not be used as security for any loans or mortgages or otherwise have any liens placed on it. Additionally, Lessee shall keep any City-owned improvements on the Demised Premises free and clear of any liens or other encumbrances. By way of specification without limitation, Lessee shall keep the Demised Premises free from any liens arising out of any work performed, materials furnished, or obligations incurred by or for Lessee and shall indemnify, hold harmless and defend City from any liens and encumbrances arising out of any work performed or materials furnished by or at the request of Lessee. In the event that Lessee does not, within thirty (30) calendar days following the imposition of any such lien, cause such lien to be released of record by payment or posting of a proper bond, City shall have in addition to all other remedies provided herein and by law, the right, but not the obligation to cause, upon ten (10) business days prior written notice to Lessee, the same to be released by such means as it shall deem proper, including payment in satisfaction of the claim giving rise to such lien. All such sums paid by City and all expenses incurred by it in connection therewith, including costs, attorney's fees, and a 15% administrative fee, shall be paid by Lessee to City on demand. Nothing in this Section shall be construed to limit any rights of Lessee to use its leasehold interest as security for any loans to the extent that such use is permitted under this Lease. Nothing in this Section shall be construed to place any obligations upon Lessee with respect to liens, loans, or mortgages placed upon the Demised Premises by City, its Department of Airports, its Board, City officers, agents, or employees.

Section 60. Modification to Size of Demised Premises.

60.1. Modification of Premises and Documents. Addition or deletion of space for which Lessee is charged, not to exceed a cumulative total of twenty percent (20%) of the Demised Premises as described at the commencement of the Lease, may be made by City. Such addition or

deletion shall be by written amendment and shall specify appropriate adjustments in rental, charges, or credits, as applicable, and shall not require approval by Board or Council, unless the modification involves an amount in excess of $150,000 per year, in which case prior Board approval shall be required. The Chief Executive Officer shall revise and replace the Premises, Exhibit A and the Payments, Exhibit B, as necessary.

60.2. Intentionally Omitted

60.3. Damage to or Destruction of Improvements. If, during the term of this Lease, any buildings, structures, or improvements on the Demised Premises are partially or totally destroyed from a risk covered by the insurance described in the Article 2, Section 65, Insurance, herein, thereby rendering said Demised Premises partially or totally inaccessible or unusable, Lessee must restore the Demised Premises to substantially the same condition as they were immediately before destruction.

60.3.1. If, during the term of this Lease, improvements on the Demised Premises are partially or totally destroyed from a risk not covered by the fire and extended coverage insurance described in the Insurance, Exhibit E, herein, thereby rendering said Demised Premises partially or totally inaccessible or unusable, such destruction shall not automatically terminate this Lease. If, however, the cost of restoration exceeds ten percent (10%) of the full replacement value of improvements, as said value existed immediately before said destruction, Lessee may, at Lessee's option, terminate this Lease by giving written notice to City within sixty (60) days from the date of destruction. If Lessee elects to terminate as above provided, Lessee shall be obligated, unless otherwise directed by City, to demolish all damaged improvements and remove all debris from the Demised Premises at Lessee's sole cost. If Lessee fails to exercise its right to terminate this Lease, this Lease shall continue in full force and effect for the remainder of the term specified herein and Lessee shall restore the Demised Premises to substantially the same condition as they were in immediately before destruction.

Section 61. Ownership of Improvements.

61.1. During the term of this Lease, title to all structures, improvements, facilities, or alterations constructed or installed by Lessee shall remain in Lessee. Upon the termination of this Lease, said structures, improvements, facilities, or alterations, other than machines, equipment, trade fixtures, and similar installations of a type commonly removed without structural damage to the Demised Premises, shall become a part of the land upon which they are constructed, or of the building to which they are affixed, and title thereto shall thereupon vest in City, unless City requests Lessee to remove some or all of said structures, improvements, facilities, or alterations. If so requested, Lessee shall promptly remove said items at Lessee's sole cost and expense, including full remediation and restoration of the Demised Premises pursuant to Article 2, Section 74, herein. In the event the removal of any fixture damages any part of the Demised Premises, Lessee shall repair such damage and restore the Demised Premises to as good condition as the same was in prior to said damage, reasonable wear and tear excepted, as may be required and approved by the City.

61.2. During the term of this Lease, title to all structures, improvements, facilities, or alterations constructed or installed by Lessee for which Lessee has been reimbursed by City shall thereupon vest in City.

61.3. Upon title to said structures, improvements, facilities, or alterations vesting in City, City shall be entitled to reasonable rent, fees and/or other charges, as determined by the Board, and Lessee shall be obligated to pay same for as long as Lessee occupies said structures, improvements, facilities and alterations.

Section 62. Signs.

62.1. No identification signs pertaining to Lessee's operations shall be installed or placed in or on the Demised Premises or Airport until Lessee has submitted to the Chief Executive Officer drawings, sketches, design dimensions, and type and character of such identification signs proposed to be placed thereon or therein and has received written approval from the Chief Executive Officer. The Chief Executive Officer's written approval and any conditions related to the subject signs shall become a part of the Lease as though fully set forth herein once the document is fully executed by both parties.

62.2. Other than approved identification signs, Lessee shall not, at any time, under any circumstances, install, place, or maintain any type of advertising, on the Demised Premises.

Section 63. Maintenance and Repair of Demised Premises.

63.1. Except as otherwise expressly stated in this Lease and in accordance with Exhibit D, Lessee, solely at its own cost and expense, shall keep and maintain the Demised Premises and all improvements in good repair and working order, reasonable wear and tear excepted, and in a clean, properly maintained, and safe condition. All maintenance, repairs, and replacements shall be in accordance with the applicable prevailing industry maintenance standards; maintenance requirements which City may develop; in compliance with all manufacturers' recommendations, warranties and guarantees; and all federal, state, and local government rules and regulations. Lessee shall keep the Demised Premises, at all times, free and clear of weeds, wastepaper, discarded plastic, graffiti, discarded pallets, and all other trash and debris of any kind.

63.2. If Lessee fails to so maintain or repair the Demised Premises, City may serve a "Notice to Cure" upon Lessee. Said Notice shall prescribe the work to be accomplished by Lessee in order to correct the maintenance deficiencies and shall state the due date by which Lessee shall have to complete the work as prescribed in the Notice. In addition, a copy of the "Notice to Cure" may be posted on the Demised Premises in a conspicuous place. Furthermore, City retains the right, but not the obligation, to make emergency repairs when, in the sole determination of the Chief Executive Officer, failure to take immediate action will damage the facilities or disrupt operations, at Lessee's sole cost and expense, plus an administrative fee in the amount of 15% of cost.

63.3. If, in the opinion of the Chief Executive Officer, any default is of such nature that it cannot physically be corrected within the period originally specified by City, and if the party in

default has responded with a course of action and has commenced to remedy such default promptly after the receipt of such Notice, and shall continuously and diligently proceed in good faith to eliminate such default, then the period for correction shall be extended for such length of time as is reasonably necessary to complete the same.

63.4. If the work prescribed in the "Notice to Cure" is not completed by Lessee in a manner reasonably satisfactory to the Chief Executive Officer, and Lessee fails to correct such work within the time specified by City in the mailed Notice, or as set forth in Article 2, Subsection 63.3, City may, at City's sole option, and at Lessee's sole cost and expense, enter upon the Demised Premises and perform whatever work may, in the opinion of the Chief Executive Officer, be required to correct the maintenance deficiencies. If City exercises this option, Lessee shall pay to City a sum equal to the direct cost of labor and materials expended for said work, plus a surcharge equal to fifty percent (50%) of said direct cost. Payment shall be made within thirty (30) days of invoice date.

Section 64. City's Right of Access and Inspection.

64.1. City, by and through its officers, employees, agents, representatives, and contractors, shall have the right at all reasonable times and in a reasonable manner, upon notice to Lessee, to enter upon the Demised Premises for the purpose of inspecting the same or for doing any act or thing which City may be obligated or have the right to do under this Lease, or otherwise, and no abatement of rental shall be claimed by or allowed to Lessee by reason of the exercise of such rights. In the exercise of its rights under this Section, City, its officers, employees, agents, and contractors shall not unreasonably interfere with the conduct of Lessee's business on the Demised Premises as herein authorized.

Section 65. Insurance.

65.1. Lessee shall procure at its expense, and keep in effect at all times during the term of this Lease, the types and amounts of insurance specified on Insurance, Exhibit E, attached hereto and incorporated by reference herein. The specified insurance shall also, either by provisions in the policies, by City's own endorsement form or by other endorsement attached to such policies, include and insure City, its Department of Airports, its Board and all of City's officers, employees, and agents, their successors and assigns, as additional insureds, against the areas of risk described on Insurance, Exhibit E, hereof with respect to Lessee's acts or omissions in its operations, use, and occupancy of the Demised Premises or other related functions performed by or on behalf of Lessee in, on or about Airport.

65.2. Each specified insurance policy (other than Workers' Compensation and Employers' Liability and fire and extended coverages) shall contain a Severability of Interest (Cross Liability) clause which states, "It is agreed that the insurance afforded by this policy shall apply separately to each insured against whom claim is made or suit is brought except with respect to the limits of the company's liability," and a Contractual Endorsement which shall state, "Such insurance as is afforded by this policy shall also apply to liability assumed by the insured under this Lease with the City of Los Angeles."

65.3. All such insurance shall be primary and noncontributing with any other insurance held by City and its Department of Airports where liability arises out of or results from the acts or omissions of Lessee, its agents, employees, officers, assigns, or any person or entity acting for or on behalf of Lessee. Such policies may provide for reasonable deductibles and/or retentions acceptable to the Chief Executive Officer based upon the nature of Lessee's operations and the type of insurance involved.

65.4. City shall have no liability for any premiums charged for such coverage(s). The inclusion of City, its Department of Airports, Board and all of City's officers, employees, and agents, their successors and assigns, as insureds is not intended to, and shall not, make them, or any of them, a partner or joint venturer with Lessee in Lessee's operations at Airport. In the event Lessee fails to furnish City evidence of insurance and maintain the insurance as required, City, upon ten (10) days prior written notice to comply, may (but shall not be required to) procure such insurance at the cost and expense of Lessee, and Lessee agrees to promptly reimburse City for the cost thereof plus fifteen percent (15%) for administrative overhead. Payment shall be made within thirty (30) days of invoice date.

65.5. At least ten (10) days prior to the expiration date of the above policies, documentation showing that the insurance coverage has been renewed or extended shall be filed with City. If such coverage is canceled or reduced, Lessee shall, within fifteen (15) days of such cancellation of coverage, file with City evidence that the required insurance has been reinstated or provided through another insurance company or companies.

65.6. Lessee shall provide proof of all specified insurance and related requirements to City either by production of a broker's letter acceptable to the Chief Executive Officer, in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the Chief Executive Officer. The documents evidencing all specified coverages shall be filed with City in duplicate and shall be procured and approved in strict accordance with the provisions in Sections 11.47 through 11.56 of City's Administrative Code prior to Lessee occupying the Demised Premises. The documents shall contain the applicable policy number, the inclusive dates of policy coverages, and the insurance carrier's name, shall bear an original signature of an authorized representative of said carrier, and shall provide that such insurance shall not be subject to cancellation, reduction in coverage, or nonrenewal except after written notice by certified mail, return receipt requested, to the City Attorney of the City of Los Angeles at least thirty (30) days prior to the effective date thereof. City reserves the right to have submitted to it, upon request, all pertinent information about the agent and carrier providing such insurance.

65.7. City and Lessee agree that the insurance policy limits specified herein shall be reviewed for adequacy annually throughout the term of this Lease by the Chief Executive Officer who may, thereafter, require Lessee, on thirty (30) days prior, written notice, to adjust the amounts of insurance coverage to whatever reasonable amount said Chief Executive Officer deems to be adequate.

65.8. Submission of insurance from a non-California admitted carrier is subject to the provisions of California Insurance Code Sections 1760 through 1780, and any other regulations and/or directives from the State Department of Insurance or other regulatory board or agency.

Lessee agrees, except where exempted, to provide City proof of said insurance by and through a surplus line broker licensed by the State of California.

Section 66. City Held Harmless.

66.1 In addition to the requirements of Section 65, Insurance herein, Lessee shall, to the fullest extent permitted by law, defend (with counsel satisfactory to City), indemnify and hold harmless City and any and all of its boards, commissioners, officers, directors, agents, employees, assigns and successors in interest (collectively "City Defendants") from and against any and all allegations, suits, claims, causes of action, liability, losses, damages, demands or expenses (including, but not limited to, attorney's fees and costs of litigation) (collectively "Claims"), prosecuted by anyone (including Lessee and/or Lessee's agents, former and current employees, or competitors) by any reason of, arising out of, related to, connected with or pertaining to: (1) the acts or omissions of Lessee, its agents, servants, employees or invitees; (2) the Lease; or (3) the Demised Premises, except to the extent Lessee proves to City that such Claim was caused by City's willful misconduct.

66.2 In Lessee's defense of the City under Section 66.1, including but not limited to the negotiation, compromise, and settlement of any action, the City shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272 and 273 thereof.

66.3 Survival of Indemnities. The provisions under this Section 66 shall survive the termination of this Lease. Rights and remedies available to the City hereinabove shall survive the termination of this Lease. Further, the rights and remedies are cumulative of those provided for elsewhere in this Lease and those allowed under the laws of the United States, the State of California, and the City of Los Angeles.

Section 67. Nondiscrimination and Equal Employment Practices/Affirmative Action Program.

67.1. Federal Non-Discrimination Provisions.

67.1.1. The Lessee for itself, its heirs, representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this Lease, for a purpose for which a Department of Transportation program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

67.1.2. The Lessee for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use

of said facilities, (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

67.1.3. The Lessee assures that it will comply with pertinent statutes, Executive Orders, and such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from Federal assistance. This Provision obligates the Lessee or its transferee for the period during which Federal assistance is extended to the airport program, except where Federal assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon. In these cases, the Provision obligates the party or any transferee for the longer of the following periods: (a) the period during which the property is used by the sponsor or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or (b) the period during which the airport sponsor or any transferee retains ownership or possession of the property.

67.1.4. Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users, and charge reasonable and not unjustly discriminatory prices for each unit or service, provided that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

67.1.5. Lessee agrees that it shall insert the provisions found in Subsections 67.1.3 and 67.1.4 above in any sublease, assignment, license, or permit by which said Lessee grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public on the Demised Premises herein leased.

67.2. Municipal Non-Discrimination Provisions.

67.2.1. Non-Discrimination in Use of Premises. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition in the lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Demised Premises or any part of the Demised Premises or any operations or activities conducted on the Demised Premises or any part of the Demised Premises. Nor shall Lessee or any person claiming under or through Lessee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of Lessees, sublessees, or vendees of the Demised Premises. Any sublease or assignment which may be permitted under this Lease shall also be subject to all non-discrimination clauses contained in Article 2, Section 67.2.

67.2.2. Non-Discrimination in Employment. During the term of this Lease, Lessee agrees and obligates itself in the performance of this Lease not to discriminate against any employee or

applicant for employment because of the employee's or applicant's race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition. Lessee shall take affirmative action to ensure that applicants for employment are treated, during the term of this Lease, without regard to the aforementioned factors and shall comply with the affirmative action requirements of the Los Angeles Administrative Code, Sections 10.8, et seq., or any successor ordinances or law concerned with discrimination.

67.2.3. Equal Employment Practices. If the total payments made to City under this lease are $1,000 (one thousand dollars) or more, this provision shall apply. During the performance of this Lease, Lessee agrees to comply with Section 10.8.3 of the Los Angeles Administrative Code ("Equal Employment Practices"), which is incorporated herein by this reference. A copy of Section 10.8.3 has been attached to this Lease for the convenience of the parties as Exhibit F. By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the Los Angeles Administrative Code, the failure of Lessee to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made, or penalties assessed, except upon a full and fair hearing after notice and an opportunity to be heard has been given to Lessee. Upon a finding duly made that Lessee has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated, cancelled, or suspended.

67.2.4. Affirmative Action Program. If the total payments to City under this Lease are $100,000 (one hundred thousand dollars) or more, this provision shall apply. During the performance of this Lease, Lessee agrees to comply with Section 10.8.4 of the Los Angeles Administrative Code ("Affirmative Action Program"), which is incorporated herein by this reference. A copy of Section 10.8.4 has been attached to this Lease for the convenience of the parties as Exhibit G. By way of specification but not limitation, pursuant to Sections 10.8.4.E and 10.8.4.F of the Los Angeles Administrative Code, the failure of Lessee to comply with the Affirmative Action Program provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed, except upon a full and fair hearing, after notice and an opportunity to be heard has been given to Lessee. Upon a finding duly made that Lessee has failed to comply with the Affirmative Action Program provisions of this Lease, this Lease may be forthwith terminated, cancelled, or suspended.

Section 68. Taxes, Permits and Licenses.

68.1. Lessee shall pay any and all taxes of whatever character that may be levied or charged upon the Demised Premises, or upon Lessee's improvements, fixtures, equipment, or other property thereon or upon Lessee's use thereof. Lessee shall also pay all license or permit fees necessary or required by law or regulation for the conduct of Lessee's business or use of the Demised Premises.

68.2. If a claim is made against City for any of the above charges, City shall promptly notify Lessee in writing; provided, however, that failure by City to give such notice shall not constitute a waiver of Lessee's obligation to pay such taxes, license and/or permit fees.

68.3. In addition, by executing this Lease and accepting the benefits thereof, a property

interest may be created known as a "possessory interest." If such possessory interest is created, Lessee, as the party in whom the possessory interest is vested, shall be subject to the payment of the property taxes levied upon such interest.

68.4. The obligations of Lessee under this Section, however, shall not prevent Lessee from contesting the validity and/or applicability of any of the above charges and during the period of any such lawful contest, Lessee may refrain from making, or direct the withholding of, any such payment without being in breach of the above provisions. Upon a final determination in which Lessee is held responsible for such taxes and/or fees, Lessee shall promptly pay the required amount plus all legally imposed interest, penalties and surcharges. If all or any part of such taxes and/or fees, penalties, or surcharges are refunded to City, City shall remit to Lessee such sum(s) to which Lessee is legally entitled.

Section 69. Assignments and Subleases.

69.1. Lessee shall not, in any manner, assign, transfer, or encumber this Lease, or any portion thereof or any interest therein, without the prior written consent of the Chief Executive Officer, nor sublet or sublease the whole or any part of the Demised Premises, nor license or permit the use of the same, in whole or in part, without the prior written consent of the Chief Executive Officer. Any attempts to transfer, assign, or sublease without the consent required by this Section shall be void and shall transfer no rights to the Demised Premises. Consent to one assignment, subletting, or use, or occupation shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use. This Lease shall not, nor shall any interest therein, be assignable as to the interest of Lessee by operation of law without the prior written consent of the Chief Executive Officer.

69.2. City shall not unreasonably withhold its consent to the assignment of this Lease or the subletting of the Demised Premises or any portion thereof; provided, however, that the use of said premises by any such assignee or sublessee must be consistent with the use authorized herein, any prospective assignee must have a credit rating equal to or greater than the Lessee, and the prospective sublessee and/or assignee must agree to execute City's Consent to Sublease and/or Assignment Agreement. A request by Lessee for assignment or subletting shall be submitted to City in writing along with a fully executed copy of the proposed assignment or sublease, as well as a copy of all contracts or writings which set forth payments from sublessee(s)/assignee(s) to Lessee and/or which describe the acts or services to be performed by or for the sublessee(s)/assignee(s) in connection with the use of the space covered by Lease. Lessee shall promptly advise City of early termination of assignments or subleases.

69.3. In the case of an assignment, Lessee shall pay to City fifty percent (50%) of any monetary or other economic consideration received by Lessee as a result of the assignment over and above the amount of Lessee's rental and other payments due City pursuant to this Lease (excluding any consideration attributed to assets other than this Lease) after first deducting the unamortized cost of leasehold improvements which costs had been approved by City and paid for by Lessee. For the purpose of this Section, an ownership change of more than 50% shall be considered an assignment.

69.4. In the case of a sublease requiring the Chief Executive Officer's consent to a change of use of the Demised Premises, as a condition to the Consent to Sublease, it shall not be deemed unreasonable for the City to require that Lessee shall pay to City 50 percent (50%), of any monetary or other economic consideration received by Lessee as a result of the sublease over and above the amount of Lessee's rental and other payments due City pursuant to this Lease (excluding any consideration attributed to assets other than this Lease), after first deducting the unamortized cost of leasehold improvements which costs had been approved by City and paid for by Lessee.

69.5. In the case of a sublease, as a condition to the Consent to Sublease, it shall not be deemed unreasonable for the City to require that Lessee shall pay to City ten percent (10%) of the gross monetary or other economic consideration, including but not limited to rent, received by Lessee as a result of the sublease. In addition to City's audit rights under Article 2, Section 56 herein, Lessee shall within thirty (30) days upon City's request provide City with a written report describing the calculation of the amounts paid by Lessee for the period requested by City. The application of this Section 69.5 shall not limit the application of Section 69.4 if Section 69.4 is otherwise applicable.

Section 70. Space Utilization. (This Section applies to lessees who are federally certificated air carriers only).

70.1. Intentionally omitted.

Section 71. Default.

71.1. Default Events. The following events shall be deemed to be events of default by Lessee under the Lease:

71.1.1. Lessee fails to pay any Monthly Rent due under this Lease, which failure continues for a period of ten (10) days after such payment should have been paid pursuant to the terms and conditions of this Lease;

71.1.2. Lessee fails to comply with any term, provision or covenant of this Lease, other than paying its Monthly Rent, and does not cure such failure within ten (10) days after City has sent written notice to Lessee specifying such failure or such longer period of time as may be granted by Chief Executive Officer to cure such default as long as Lessee commences to cure such default within such ten (10) day period and diligently proceeds to cure such default;

71.1.3. Lessee makes an assignment of this Lease, or any rights granted to Lessee hereunder, to, and for the benefit of, Lessee's creditors;

71.1.4. Lessee, within thirty (30) days after the commencement of any proceeding against Lessee seeking adjudication of bankruptcy or reorganization, rearrangement, composition, readjustment, liquidation, dissolution or similar relief, fails to cause such proceedings to be dismissed;

71.1.5. Lessee, within sixty (60) days after the appointment without Lessee's consent or acquiescence of any trustee, receiver, or liquidator of the Lessee or a material part of its assets, fails to cause such appointment to be vacated.

71.1.6. The interests of Lessee under this Lease shall not, except at City's option and with its written consent, be assignable by operation of law. In case of the bankruptcy of Lessee, or the appointment of a receiver for Lessee and such receiver is not removed within one hundred twenty (120) days from the date of appointment, or if a receiver is appointed to take possession of the Demised Premises as a result of any act or omission of Lessee and such receiver is not removed within one hundred twenty (120) days from the date of appointment, or if Lessee makes an assignment of this Lease for the benefit of creditors, or if possession of the Demised Premises is taken by virtue of any attachment, execution, or the levy of any judicial process, City, at its election, may, after written notice to Lessee, terminate this Lease.

71.2. City's Remedies. Upon the occurrence of a Default Event, City, in addition to any other rights or remedies available to City at law or in equity, shall have the right to:

71.2.1. Terminate this Lease and all rights of Lessee under this Lease, by giving Lessee thirty (30) days written notice that this Lease is terminated, in which case, the provisions of Article 2, Section 61, Ownership of Improvements, herein, shall apply and City may recover from Lessee the aggregate sum of:

71.2.1.1. The worth at the time of award of any unpaid rent that had been earned at the time of termination;

71.2.1.2. The worth at the time of award of the amount by which (A) the unpaid rent that would have been earned after termination until the time of award exceeds (B) the amount of rental loss, if any, that Lessee affirmatively proves could be reasonably avoided;

71.2.1.3. The worth at the time of award of the amount by which (A) the unpaid rent for the balance of the term after the time of award exceeds (B) the amount of rental loss, if any, that Lessee affirmatively proves could be reasonably avoided;

71.2.1.4. Any other amount necessary to compensate City for all the detriment caused by Lessee's failure to perform Lessee's obligations or that, in the ordinary course of things, would be likely to result from Lessee's failure; and

71.2.1.5. All other amounts in addition to or in lieu of those previously set out as may be permitted from time to time by applicable California law.

71.2.1.6. As used in Subsections 71.2.1.1. and 71.2.1.2. of this Section, the "worth at the time of award" is computed by adding interest at the rate of ten percent (10%) per annum. As used in Subsection 71.2.1.3 of this Section, the "worth at the time of award" is computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award plus one percent (1%). As used in this Section, the term "rent" shall include the Monthly Rent and any and all other payments required by Lessee under this Lease.

71.2.2. Continue this Lease, and from time to time, without terminating this Lease, either

71.2.2.1. Recover all rent and other amounts payable as they become due or,

71.2.2.2. Relet the Demised Premises or any part on behalf of Lessee on terms and at the rent that City, in City's sole discretion, may deem advisable, all with the right to make alterations and repairs to the Demised Premises, at Lessee's sole cost, and apply the proceeds of reletting to the rent and other amounts payable by Lessee. To the extent that the rent and other amounts payable by Lessee under this Lease exceed the amount of the proceeds from reletting, the City may recover the excess from Lessee as and when due.

71.2.3. Upon the occurrence of a Default Event, City shall also have the right, with or without terminating this Lease, to re-enter the Demised Premises and remove all property from the Demised Premises. City may store the property removed from the Demised Premises at the expense and for the account of Lessee.

71.2.4. None of the following remedial actions, alone or in combination, shall be construed as an election by City to terminate this Lease unless City has in fact given Lessee written notice that this Lease is terminated or unless a court of competent jurisdiction decrees termination of this Lease: any act by City to maintain or preserve the Demised Premises; any efforts by City to relet the Demised Premises; any re-entry, repossession, or reletting of the Demised Premises by City pursuant to this Section. If City takes any of the previous remedial actions without terminating this Lease, City may nevertheless at any later time terminate this Lease by written notice to Lessee.

71.2.5. If City relets the Demised Premises, City shall apply the revenue from the reletting as follows: first, to the payment of any indebtedness other than rent due from Lessee to City; second, to the payment of any cost of reletting; third, to the payment of the cost of any maintenance and repairs to the Demised Premises; and fourth, to the payment of rent and other amounts due and unpaid under this Lease. City shall hold and apply the residue, if any, to payment of future amounts payable under this Lease as the same may become due, and shall be entitled to retain the eventual balance with no liability to Lessee. If the revenue from reletting during any month, after application pursuant to the previous provisions, is less than the sum of (i) City's expenditures for the Demised Premises during that month and (ii) the amounts due from Lessee during that month, Lessee shall pay the deficiency to City immediately upon demand.

71.2.6. After the occurrence of a Default Event, City, in addition to or in lieu of exercising other remedies, may, but without any obligation to do so, cure the breach underlying the Default Event for the account and at the expense of Lessee. However, City must by prior written notice first allow Lessee a reasonable opportunity to cure, except in cases of emergency, where City may proceed without prior notice to Lessee. Lessee shall, upon demand, immediately reimburse City for all costs, including costs of settlements, defense, court costs, and attorney fees, that City may incur in the course of any cure.

71.2.7. No security or guaranty for the performance of Lessee's obligations that City may now or later hold shall in any way constitute a bar or defense to any action initiated by City or

unlawful detainer or for the recovery of the Demised Premises, for enforcement of any obligation of Lessee, or for the recovery of damages caused by a breach of this Lease by Lessee or by a Default Event.

71.2.8. Except where this is inconsistent with or contrary to any provisions of this Lease, no right or remedy conferred upon or reserved to either party is intended to be exclusive of any other right or remedy, or any right or remedy given now or later existing at law or in equity or by statute. Except to the extent that either party may have otherwise agreed in writing, no waiver by a party of any violation or nonperformance by the other party of any obligations, agreements, or covenants under this Lease shall be deemed to be a waiver of any subsequent violation or nonperformance of the same or any other covenant, agreement, or obligation, nor shall any forbearance by either party to exercise a remedy for any violation or nonperformance by the other party be deemed a waiver by that party of the rights or remedies with respect to that violation or nonperformance.

71.3. Cross Default: A material breach of the terms of any other lease, license, permit, or contract held by Lessee with City shall constitute a material breach of the terms of this Lease and shall give City the right to terminate this Lease for cause in accordance with the procedures set forth in this Section.

71.4. Failure to Pay Landing Fees: Intentionally omitted.

Section 72. Waiver.

72.1. The waiver by either party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of any other term, covenant, or condition, or of any subsequent breach of the same term, covenant, or condition. The subsequent acceptance of rent hereunder by City shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Lease other than the failure of Lessee to pay the particular rent so accepted, regardless of City's knowledge of such preceding breach at the time of acceptance of such rent.

Section 73. Attorney's Fees.

73.1. If City shall, without any fault, be made a party to any litigation commenced by or against Lessee arising out of Lessee's use or occupancy of the Demised Premises, then Lessee shall pay all costs, expenses, and reasonable attorney's fees incurred by or imposed upon City in connection with such litigation. Each party shall give prompt notice to the other of any claim or suit instituted against it that may affect the other party.

Section 74. Hazardous and Other Regulated Substances.

74.1. Definition of "hazardous substance(s)." For the purposes of this Lease, "hazardous substances" means:

74.1.1. Any substance the presence of which requires the investigation or remediation under any federal, state or local statute, regulation, rule, ordinance, order, action, policy or common law; or

74.1.2. Any substance which is or becomes defined as a hazardous waste, extremely hazardous waste, hazardous material, hazardous substance, hazardous chemical, toxic chemical, toxic substance, cancer causing substance, substance that causes reproductive harm, pollutant or contaminant under any federal, state or local statute, regulation, rule or ordinance or amendments thereto, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. Section 9601 et seq.) and/or the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.); or

74.1.3. Any substance which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous and is or becomes regulated by any governmental authority, agency, department, commission, council, board, or instrumentality of the United States, the State of California, the City of Los Angeles, or any political subdivision of any of them; or

74.1.4. Any substance the presence of which on the Demised Premises causes or threatens to cause a nuisance upon the Demised Premises or to adjacent properties or poses or threatens to pose a hazard to the health or safety of persons on or about the Demised Premises; or

74.1.5. Any substance the presence of which on adjacent properties could constitute a trespass by Lessee; or

74.1.6. Any substance, without limitation, which contains gasoline, aviation fuel, jet fuel, diesel fuel or other petroleum hydrocarbons, lubricating oils, solvents, polychlorinated biphenyls (PCBs) asbestos, urea formaldehyde or radon gases.

74.2. Environmental Indemnity. Except for conditions existing prior to the original occupancy of the Demised Premises by Lessee or by Lessee's predecessors in interest, Lessee agrees to accept sole responsibility for full compliance with any and all applicable present and future rules, regulations, restrictions, ordinances, statutes, laws, and/or other orders of any governmental entity regarding the use, storage, handling, distribution, processing, and/or disposal of hazardous substances, regardless of whether the obligation for such compliance or responsibility is placed on the owner of the land, on the owner of any improvements on the Demised Premises, on the user of the land, or on the user of the improvements. Lessee agrees that any claims, damages, penalties, or fines asserted against or levied on City and/or the Lessee as a result of noncompliance with any of the provisions in this Section shall be the sole responsibility of the Lessee and that Lessee shall indemnify and hold City harmless from all such claims, damages, penalties, or fines. Further, City may, at its option, pay such claims, damages, penalties, or fines resulting from Lessee's non-compliance with any of the terms of this Section, and Lessee shall indemnify and reimburse City for any such payments.

74.3. Except for conditions existing prior to the original occupancy of the Demised Premises by Lessee or by Lessee's predecessors in interest, in the case of any hazardous substance

spill, leak, discharge, release or improper storage on the Demised Premises or contamination of the Demised Premises by any person, Lessee agrees to make or cause to be made any necessary repairs or corrective actions as well as to clean up and remove any spill, leakage, discharge, release or contamination, in accordance with applicable laws. In the case of any hazardous substance spill, leak, discharge, release or contamination by Lessee or its employees, servants, agents, contractors, or subcontractors on the Demised Premises or as may be discharged or released by Lessee or its employees, servants, agents, contractors, or subcontractors in, on or under adjacent property which affects other property of City or its Lessees, Lessee agrees to make or cause to be made any necessary corrective actions to clean up and remove any such spill, leakage, discharge, release or contamination. If Lessee fails to repair, clean up, properly dispose of, or take any other corrective actions as required herein, City may (but shall not be required to) take all steps it deems necessary to properly repair, clean up, or otherwise correct the conditions resulting from the spill, leak, discharge, release or contamination. Any such repair, cleanup, or corrective actions taken by City shall be at Lessee's sole cost and expense and Lessee shall indemnify and pay for and/or reimburse City for any and all costs (including any administrative costs) City incurs as a result of any repair, cleanup, or corrective action it takes.

74.4. If Lessee installs or uses already installed underground storage tanks, above-ground storage tanks, pipelines, or other improvements on the Demised Premises for the storage, distribution, use, treatment, or disposal of any hazardous substances, Lessee agrees, upon the expiration and/or termination of this Lease, to remove the above referenced improvements, clean up releases of hazardous substances, or both, at the sole option of the Chief Executive Officer, the above-referred-to improvements. Said removal and/or cleanup shall be at the Lessee's sole cost and expense and shall be undertaken and completed in full compliance with all federal, state, and local laws and regulations, as well as with the reasonable directions of the Chief Executive Officer.

74.5. Lessee's Provision to City of Environmental Documents. Unless otherwise agreed to by City, Lessee shall promptly supply City with complete and legible copies of all notices, reports, correspondence, and other documents sent by Lessee to or received by Lessee from any governmental entity regarding any hazardous substance. Such written materials include, without limitation, all documents relating to any threatened or actual hazardous substance spill, leak, or discharge, or to any investigations into or clean-up of any actual or threatened hazardous substance spill, leak, or discharge including all test results.

74.6. Survival of Environmental Indemnity Obligations. This Section and the obligations herein shall survive the expiration or earlier termination of this Lease.

Section 75. Airfield Security.

75.1. Lessee shall be responsible for fully complying with any and all applicable present and/or future rules, regulations, restrictions, ordinances, statutes, laws, airport security agreements, and/or orders of any federal, state, and/or local governmental entity regarding airfield security. Lessee shall be responsible for the maintenance and repair of that portion of the Airport perimeter fence, including gates and doors, located on the Demised Premises or controlled by Lessee. Lessee shall comply fully with applicable provisions of the Transportation Security Administration Regulations, 49 Code of Federal Regulations ("CFR") Sections 1500 through 1550 and 14 CFR

Part 129, including the establishment and implementation of procedures acceptable to the Chief Executive Officer to control access from the Demised Premises to air operation areas in accordance with the Airport Security Program required by CFR Sections 1500 through 1550. Further, Lessee shall exercise exclusive security responsibility for the Demised Premises and, if Lessee is an aircraft operator, do so pursuant to Lessee's Transportation Security Administration approved Aircraft Operator Standard Security Program used in accordance with 49 CFR, Parts 1510, 1540 and 1546.

75.2. In addition to the foregoing, gates and doors located on the Demised Premises which permit entry into restricted areas at Airport shall be kept locked by Lessee at all times when not in use or under Lessee's constant security surveillance. Gate or door malfunctions which permit unauthorized entry into restricted areas shall be reported to Department of Airports' Operations Division without delay and shall be maintained under constant surveillance by Lessee until repairs are affected by Lessee or City and/or the gate or door is properly secured.

75.3. Lessee shall cooperate with City to maintain and improve Airport security, and shall cooperate in investigations of violations of state and local laws, ordinances, and rules and regulations, of any federal, state and/or local governmental entity regarding airport and airfield security. Lessee shall provide necessary assistance to, and cooperate with, City in case of any emergency. Lessee shall, upon request, provide City relevant information which will enable City to provide efficient and effective management in response to any airport or airfield emergency.

75.4. All civil penalties levied by the TSA for violation of TSA Regulations pertaining to security gates or doors located on the Demised Premises or otherwise controlled by Lessee shall be the sole responsibility of Lessee. Lessee agrees to indemnify City for any federal civil penalties amounts City must pay due to any security violation arising from the use of Demised Premises or the breach of any obligation imposed by this Section. Lessee is also responsible for City's attorney's fees and costs.

Section 76. Business Tax Registration.

76.1. Lessee represents that it has registered its business with the Office of Finance of the City of Los Angeles and has obtained and presently holds from that Office a Business Tax Registration Certificate, or a Business Tax Exemption Number, required by City's Business Tax Ordinance (Article 1, Chapter 2, Sections 21.00 and following, of City's Municipal Code). Lessee shall maintain, or obtain as necessary, all such Certificates required of it under said Ordinance and shall not allow any such Certificate to be revoked or suspended during the term hereof.

Section 77. Laws, Rules, and Regulations.

77.1. In relation to its use and occupation of the Premises, Lessee shall be solely responsible for fully complying with any and all applicable present and/or future rules, regulations, restrictions, ordinances, statutes, laws, policies and/or orders of any federal, state, and/or local government authority ("Applicable Laws"). This Lease shall be subject to and subordinate to all Applicable Laws and any City agreement or obligation pursuant to Applicable Laws, including but not limited to City's grant assurances to the Federal Aviation Administration.

77.2. Lessee shall be solely responsible for fully complying with any and all applicable present and/or future orders, directives, or conditions issued, given or imposed by the Chief Executive Officer which are now in force or which may be hereafter adopted by the Board of Airport Commissioners and/or the Chief Executive Officer with respect to the operation of Airport.

77.3. Lessee shall be solely responsible for any and all civil and/or criminal penalties assessed as a result of its failure to comply with any of these rules, regulations, restrictions, restrictions, ordinances, statutes, laws, orders, directives and or conditions.

7

Section 78. Disabled Access.

78.1. Lessee shall be solely responsible for fully complying with any and all applicable present and/or future rules, regulations, restrictions, ordinances, statutes, laws and/or orders of any federal, state, and/or local governmental entity and/or court regarding disabled access to improvements on the Demised Premises including any services, programs, or activities provided by Lessee. Lessee shall be solely responsible for any and all damages caused by, and/or penalties levied as the result of, Lessee's noncompliance. Further, Lessee agrees to cooperate fully with City in its efforts to comply with the Americans With Disability Act of 1990, and any amendments thereto or successor statutes.

78.2. Should Lessee fail to comply with Subsection 78.1, then City shall have the right, but not the obligation, to perform, or have performed, whatever work is necessary to achieve equal access compliance. Lessee will then be required to reimburse City for the actual cost of achieving compliance, plus a fifteen percent (15%) administrative charge.

Section 79. Living Wage Ordinance and Service Contractor Worker Retention Ordinances.

79.1. Living Wage Ordinance.

79.1.1. General Provisions: Living Wage Policy. This Lease is subject to the Living Wage Ordinance ("LWO") (Section 10.37, et seq., of the Los Angeles Administrative Code) which is incorporated herein by this reference. A copy of Section 10.37 has been attached hereto for the convenience of the parties as Exhibit H. The LWO requires that, unless specific exemptions apply, any employees of Lessee or Lessees of City property who render services on the leased premises or licensed premises are covered by the LWO if any of the following applies: (1) the services are rendered on premises at least a portion of which are visited by substantial numbers of the public on a frequent basis, (2) any of the services could feasibly be performed by City of Los Angeles employees if the awarding authority had the requisite financial and staffing resources, or (3) the designated administrative agency of the City of Los Angeles has determined in writing that coverage would further the proprietary interests of the City of Los Angeles. Employees covered by the LWO are required to be paid not less than a minimum initial wage rate, as adjusted each year. The LWO also requires that employees be provided with at least twelve (12) compensated days off per year for sick leave, vacation, or personal necessity at the employee's request, and at

least ten (10) additional days per year of uncompensated time pursuant to Section 10.37.2(b). The LWO requires employers to inform employees making less than twelve dollars ($12) per hour of their possible right to the federal Earned Income Tax Credit ("EITC") and to make available the forms required to secure advance EITC payments from the employer pursuant to Section 10.37.4. Lessee shall permit access to work sites for authorized City representatives to review the operation, payroll, and related documents, and to provide certified copies of the relevant records upon request by the City. Whether or not subject to the LWO, Lessee shall not retaliate against any employee claiming non-compliance with the provisions of the LWO, and, in addition, pursuant to Section 10.37.6(c), Lessee agrees to comply with federal law prohibiting retaliation for union organizing.

79.1.2. Living Wage Coverage Determination. An initial determination has been made that this is a public lease under the LWO, and, that it is not exempt from coverage by the LWO. Determinations as to whether this Lease is a public lease or license covered by the LWO, or whether an employer or employee are exempt from coverage under the LWO are not final, but are subject to review and revision as additional facts are examined and/or other interpretations of the law are considered. In some circumstances, applications for exemption must be reviewed periodically. City shall notify Lessee in writing about any redetermination by City of coverage or exemption status. To the extent Lessee claims non-coverage or exemption from the provisions of the LWO, the burden shall be on Lessee to prove such non-coverage or exemption.

79.1.3. Compliance; Termination Provisions And Other Remedies: Living Wage Policy. If Lessee is not initially exempt from the LWO, Lessee shall comply with all of the provisions of the LWO, including payment to employees at the minimum wage rates, effective on the Execution Date of this Lease, and shall execute the Declaration of Compliance Form attached to this Lease as Exhibit H contemporaneously with the execution of this Lease. If Lessee is initially exempt from the LWO, but later no longer qualifies for any exemption, Lessee shall, at such time as Lessee is no longer exempt, comply with the provisions of the LWO and execute the then currently used Declaration of Compliance Form, or such form as the LWO requires. Under the provisions of Section 10.37.6(c) of the Los Angeles Administrative Code, violation of the LWO shall constitute a material breach of this Lease and City shall be entitled to terminate this Lease and otherwise pursue legal remedies that may be available, including those set forth in the LWO, if City determines that Lessee violated the provisions of the LWO. The procedures and time periods provided in the LWO are in lieu of the procedures and time periods provided elsewhere in this Lease. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the LWO.

79.1.4. Subcontractor Compliance. Lessee agrees to include, in every subcontract or sublease covering City property entered into between Lessee and any subcontractor, a provision pursuant to which such subcontractor (A) agrees to comply with the Living Wage Ordinance and the Service Contractor Worker Retention Ordinance with respect to City's property; (B) agrees not to retaliate against any employee lawfully asserting noncompliance on the part of the Subcontractor with the provisions of either the Living Wage Ordinance or the Service Contractor Worker Retention Ordinance; and (C) agrees and acknowledges that City, as the intended third-party beneficiary of this provision may (i) enforce the Living Wage Ordinance and Service Contractor Worker Retention Ordinance directly against the subcontractor with respect to City property, and (ii) invoke, directly against the subcontractor with respect to City property, all the

rights and remedies available to City under Section 10.37.5 of the Living Wage Ordinance and Section 10.36.3 of the Service Contractor Worker Retention Ordinance, as same may be amended from time to time.

79.2. Service Contract Worker Retention Ordinance. This Lease may be subject to the Service Contract Worker Retention Ordinance ("SCWRO") (Section 10.36, et seq, of the Los Angeles Administrative Code), which is incorporated herein by this reference. A copy of Section 10.36 has been attached hereto for the convenience of the parties as Exhibit I. If applicable, Lessee must also comply with the SCWRO which requires that, unless specific exemptions apply, all employers under contracts that are primarily for the furnishing of services to or for the City of Los Angeles and that involve an expenditure or receipt in excess of $25,000 and a contract term of at least three (3) months shall provide retention by a successor contractor for a ninety-day (90-day) transition period of the employees who have been employed for the preceding twelve (12) months or more by the terminated contractor or subcontractor, if any, as provided for in the SCWRO. Under the provisions of Section 10.36.3(c) of the Los Angeles Administrative Code, City has the authority, under appropriate circumstances, to terminate this Lease and otherwise pursue legal remedies that may be available if City determines that the subject contractor violated the provisions of the SCWRO.

Section 80. Child Support Orders.

80.1. This Lease is subject to Section 10.10, Article I, Chapter 1, Division 10 of the Los Angeles Administrative Code related to Child Support Assignment Orders, which is incorporated herein by this reference. A copy of Section 10.10 has been attached hereto for the convenience of the parties on Exhibit J. Pursuant to this Section, Lessee (and any subcontractor of Lessee providing services to City under this Lease) shall (1) fully comply with all State and Federal employment reporting requirements for Lessee's or Lessee's subcontractor's employees applicable to Child Support Assignments Orders; (2) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230, et seq.; and (3) maintain such compliance throughout the term of this Lease. Pursuant to Section 10.10(b) of the Los Angeles Administrative Code, failure of Lessee or an applicable subcontractor to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of Lessee or applicable subcontractors to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default of this Lease subjecting this Lease to termination where such failure shall continue for more than ninety (90) days after notice of such failure to Lessee by City (in lieu of any time for cure provided elsewhere in this Lease).

Section 81. Visual Artists' Rights Act.

81.1. Lessee shall not install, or cause to be installed, any work of art subject to the Visual Artists' Rights Act of 1990 (as amended), 17 U.S.C. 106A, et seq., or California Code Section 980, et seq., hereinafter collectively "VARA" on or about the Demised Premises without first obtaining a waiver, in writing, of all rights under VARA, satisfactory to the Chief Executive Officer and

approved as to form and legality by the City Attorney's Office, from the artist. Said waiver shall be in full compliance with VARA and shall name City as a party for which the waiver applies.

81.2. Lessee is prohibited from installing, or causing to be installed, any piece of artwork covered under VARA on the Demised Premises without the prior, written approval and waiver of the Chief Executive Officer. Any work of art installed on the Demised Premises without such prior approval and waiver shall be deemed a trespass, removable by City, by and through its Chief Executive Officer, upon three (3) days written notice, all costs, expenses, and liability therefor to be borne exclusively by Lessee.

81.3. Lessee, in addition to other obligations to indemnify and hold City harmless, as more specifically set forth in this Lease, shall indemnify and hold harmless City from all liability resulting from Lessee's failure to obtain City's waiver of VARA and failure to comply with any portion of this provision.

81.4. The rights afforded City under this provision shall not replace any other rights afforded City in this Lease or otherwise, but shall be considered in addition to all its other rights.

Section 82. Equal Benefits Ordinance.

82.1. Unless otherwise exempt in accordance with the provisions of the Equal Benefits Ordinance ("EBO"), Lessee certifies and represents that Lessee will comply with the applicable provisions of EBO Section 10.8.2.1 of the Los Angeles Administrative Code, as amended from time to time. Lessee shall not, in any of its operations within the City of Los Angeles or in other locations owned by the City of Los Angeles, including the Airport, discriminate in the provision of Non-ERISA Benefits (as defined below) between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration. As used above, the term "Non-ERISA Benefits" shall mean any and all benefits payable through benefit arrangements generally available to Lessee's employees which are neither "employee welfare benefit plans" nor "employee pension plans", as those terms are defined in Sections 3(1) and 3(2) of ERISA. Non-ERISA Benefits shall include, but not be limited to, all benefits offered currently or in the future, by Lessee to its employees, the spouses of its employees or the domestic partners of its employees, that are not defined as "employee welfare benefit plans" or "employee pension benefit plans", and, which include any bereavement leave, family and medical leave, and travel discounts provided by Lessee to its employees, their spouses and the domestic partners of employees.

82.2. Lessee agrees to post the following statement in conspicuous places at its place of business available to employees and applicants for employment:

> "During the term of a Lease with the City of Los Angeles, the Lessee will provide equal benefits to employees with spouses and its employees with domestic partners. Additional information about the City of Los Angeles' Equal Benefits Ordinance may be obtained from the Department of Public

Works, Bureau of Contract Administration, Office of Contract Compliance at (213) 847-2625."

82.3. The failure of Lessee to comply with the EBO will be deemed to be a material breach of the Lease by City. If Lessee fails to comply with the EBO, the City may cancel or terminate the Lease, in whole or in part, and all monies due or to become due under the Lease may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach. Failure to comply with the EBO may be used as evidence against Lessee in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, et seq., Contractor Responsibility Ordinance. If the City determines that Lessee has set up or used its contracting entity for the purpose of evading the intent of the EBO, the City may terminate the Lease.

Section 83. Condemnation. The parties hereby agree that:

83.1. If the Demised Premises, or any portion thereof, or any interest therein, are taken by eminent domain, or otherwise, by any governmental authority, or by a "quasi-public entity" for public use, or sold to a governmental authority threatening to exercise the power of eminent domain, this Lease, and Lessee's obligation to pay rent hereunder, shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs, and the rent, fees and/or other charges hereunder shall be apportioned and paid to the date of such taking. A taking of the Demised Premises includes the taking of easements for air, light and any other easements in the land, including, but not limited to an impairment or taking of access to adjoining streets.

83.2. Effect of Partial Condemnation. In the event a portion of the Demised Premises are appropriated or taken and Lessee, at its sole discretion, determines that the remainder thereof is not suitable for the continued use of the Demised Premises by Lessee for conducting Lessee's operations thereon in the same manner and extent as carried on prior to such taking, Lessee shall have the right to terminate this Lease upon giving City written notice of its intent to exercise said right. Said notice shall be given not more than one hundred twenty (120) days following the date of service of a complaint in eminent domain upon Lessee, or one hundred twenty (120) days following City's demand that Lessee acknowledge its intent to terminate this Lease, unless City and Lessee agree, in writing, to an earlier termination or to extend said period. If Lessee exercises its right to terminate this Lease pursuant to this Subsection 83.2, Lessee shall give City thirty (30) days prior written notice of the effective date of said termination.

83.2.1. If, in the event of such taking of a portion of the Demised Premises, Lessee does not terminate this Lease, this Lease shall continue in full force and effect as to the part not taken, and the rent to be paid by Lessee during the remainder of the term, subject to adjustment as provided elsewhere in this Lease, shall be as follows: the land and improvement rental shall be reduced in the same proportion as the land taken by eminent domain bears to the area of the Demised Premises before the taking.

83.2.2. In determining whether a partial condemnation renders the remainder of the Demised Premises unsuitable for the use then being made of the Demised Premises by Lessee,

Lessee, among other things, shall take into consideration the cost of restoration, the rentable area of the remaining improvements and the suitability of the remaining Demised Premises for conducting Lessee's operations thereon in the same manner and extent as carried on prior to such taking.

83.2.3. Except as provided for in Article 2, Section 60, Ownership of Improvements hereof, should Lessee terminate this Lease pursuant to this Section 83, title to all improvements, additions or alterations constructed or installed by Lessee upon the Demised Premises and which have not already vested in City shall thereupon vest in City.

83.3. Application of Award Upon a Total or Partial Taking.

83.3.1. If this Lease is terminated pursuant to Subsection 83.2 herein, or, if all or a portion of the Demised Premises are taken, then the entire award or compensation paid for land, improvements, and buildings owned by City, the amortized portion of the value of buildings and improvements built by Lessee and which will become the property of City upon termination of this Lease, and/or loss or taking of business goodwill of City or its Department, shall be the property of City.

83.3.2. Lessee shall have the right to receive compensation for the unamortized value of the buildings and any improvements which are still owned by Lessee and which were placed on the Demised Premises by Lessee and located thereon at the time of such taking or appropriation, and for its trade fixtures, equipment, and supplies, and for loss or damage to Lessee's business goodwill. The "amortized value" which City shall be entitled to receive is a portion of the award for said Lessee-owned buildings and improvements equal to an amount determined by a ratio equal to the number of years the building and/or improvements have been in existence over the original term of the Lease, without consideration of any possibility or probability of renewal, or of options, if any. There shall be no amortization of partially constructed improvements authorized by City, if said construction is incomplete within the time period set forth in the approval granted by City. The value, to be determined by City, of such partially constructed improvements shall be paid to Lessee.

83.4. Severance Damages. The entire award of compensation paid for any severance damages, whether paid for impairment of access, for land, buildings, and/or improvements shall be the property of City, regardless of whether any buildings or improvements so damaged are owned or were constructed by City or Lessee. However, should City determine that improvements are to be restored, that portion of the severance damages necessary to pay the cost of restoration, as set forth in Subsection 83.5 hereof, shall be paid to Lessee upon the written request of Lessee accompanied by evidence that the sum requested has been paid for said restoration and is a proper item of such cost and used for such purpose.

83.5. Partial Taking: Restoration. In case of a taking of the Demised Premises other than a total taking and/or should Lessee elect not to terminate this Lease pursuant to this Section, City and Lessee may mutually agree that Lessee shall restore any improvements on the Demised Premises, and Lessee shall, at Lessee's expense, whether or not the awards or payments, if any, on account of such taking are sufficient for the purpose, promptly commence and proceed with

reasonable diligence to effect (subject to Force Majeure) restoration of the improvements on the remaining portion of the Demised Premises as nearly as possible to their condition and character immediately prior to such taking, except for any reduction in area caused thereby, or with such changes or alterations as may be made at the election of Lessee in accordance with Article 2, Section 58, Improvements and Alterations, of this Lease.

83.5.1. In the event the improvements damaged and/or taken belong to City, City shall not be obligated to restore said improvements should City, in its sole discretion, determine not to do so.

83.6. Taking for Temporary Use. In the event of a taking of all or any portion of the Demised Premises for temporary use, this Lease shall continue in full force and effect without reduction or abatement of rental or other sum payable hereunder, and Lessee shall be entitled to make claim for, recover and retain any awards or proceeds made on account thereof, whether in the form of rent or otherwise, unless such period of temporary use or occupancy extends beyond the term of this Lease, in which case such awards or proceeds shall be apportioned between City and Lessee as heretofore specified. Lessee shall restore or cause to be restored any such areas temporarily taken to the condition existing before the taking.

Section 84. Miscellaneous Provisions.

84.1. Fair Meaning. The language of this Lease shall be construed according to its fair meaning, and not strictly for or against either City or Lessee.

84.2. Section Headings. The section headings appearing herein are for the convenience of City and Lessee, and shall not be deemed to govern, limit, modify, or in any manner affect the scope, meaning, or intent of the provisions of this Lease.

84.3. Void Provisions. If any provision of this Lease is determined to be void by any court of competent jurisdiction, then such determination shall not affect any other provision of this Lease, and all such other provisions shall remain in full force and effect.

84.4. Two Constructions. It is the intention of the parties hereto that if any provision of this Lease is capable of two constructions, one of which would render the provision void and the other of which would render the provision valid, then the provision shall have the meaning which renders it valid.

84.5. Laws of California. This Lease shall be construed and enforced in accordance with the laws of the State of California and venue shall lie at Airport.

84.6. City's Consent. In each instance herein where City's, Board's or the Chief Executive Officer's approval or consent is required before Lessee may act, such approval or consent shall not be unreasonably withheld, unless otherwise provided.

84.7. Gender. The use of any gender herein shall include all genders, and the use of any number shall be construed as the singular or the plural, all as the context may require.

84.8. Exclusivity. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308 of the Federal Aviation Act [49 U.S.C. 40103(e) and 47107(a)(4) (Public Law 103-272; 108 STAT. 1102)].

84.9. Rights of United States Government. This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between City and the United States relative to the development, operation, or maintenance of Airport. Failure of Lessee or any occupant to comply with the requirements of any existing or future agreement between the City and the United States, which failure shall continue after reasonable notice to make appropriate corrections, shall be cause for immediate termination of Lessee's rights hereunder.

84.10. War or National Emergency. This Lease and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire affecting the control, operation, regulation, and taking over of Airport or the exclusive or nonexclusive use of Airport by the United States during the time of war or national emergency.

84.11. Time. Time shall be of the essence in complying with the terms, conditions, and provisions of this Lease.

84.12. Integration Clause. This is an integrated agreement. It is understood that no alteration or variation of the terms of this Lease shall be valid unless made in writing and signed by the parties hereto. This Lease contains the entire agreement between the parties hereto and supersedes any and all prior written or oral agreements between them concerning the subject matter contained herein. There are no representations, agreements or understandings, oral or written, between and among the parties relating to the subject matter contained in this Lease which are not fully set forth herein.

84.13. Force Majeure. Except as otherwise provided in this Lease, whenever a day is established in this Lease on which, or a period of time, including a reasonable period of time, is designated within which, either party hereto is required to do or complete any act, matter or thing, the time for the doing or completion thereof shall be extended by the period of the Force Majeure (as hereinafter defined); provided, however, that nothing contained in this Subsection shall excuse Lessee from the prompt payment of any rental or other monetary charge required of Lessee hereunder.

For purposes of this Lease, the term "Force Majeure" shall mean, in relation to the conditions that may cause a party to be temporarily, partially or wholly prevented from performing its obligations to the other party under this Agreement and not for any other purpose or for any benefit of any third party: any event beyond the reasonable control of the party claiming it, including, but not limited to, embargoes, shortages of material, acts of God, acts of public enemy (such as war, (declared or undeclared), invasion, insurrection, terrorism, riots, rebellion or sabotage), acts of a governmental authority (such as the United States' Department of Transportation, the United States Federal Aviation Administration, the United States Transportation Security Administration, the United States Environmental Protection Agency and

defense authorities), fires, floods, earthquakes, hurricanes, tornadoes and other extreme weather conditions; provided, however, that strikes, boycotts, lockouts, labor disputes, labor disruptions, work stoppages or slowdowns shall not be considered an event of Force Majeure. The term Force Majeure includes delays caused by governmental agencies in the processing of applicable building and safety permits but only to the extent that such processing time actually exceeds the normal and reasonable processing time period for such governmental agency permit; provided, however, that any delays caused by Lessee or its Contractors in the processing of such permits (such as Lessee or its Contractors' failure to submit complete applications for such permits) shall not be considered a basis for a claim of Force Majeure by Lessee. Any lack of funds shall not be deemed to be a cause beyond the control of a party. If Lessee shall claim a delay due to Force Majeure, lessee must notify City in writing within five (5) business days of the first occurrence of any claimed event of Force Majeure. Such notice must specify in reasonable detail the cause or basis for claiming Force Majeure and the anticipated delay in Lessee's performance to the extent such anticipated delay is known to Lessee at the time such notice to City is required. If Lessee fails to provide such notice within said five (5) business-day period, then no Force Majeure delay shall be deemed to have occurred. Delays due to events of Force Majeure shall only be recognized to the extent that such event actually delays the performance by such party and cannot otherwise be mitigated using commercially reasonable efforts.

84.14. Approvals. Any approvals required by City under this Lease shall be approvals of the Department of Airports acting as City and shall not relate to, constitute a waiver or, supersede or otherwise limit or affect the governmental approvals or rights of the City as a governmental agency, including the approval of any permits required for construction or maintenance of the Demised Premises and the passage of any laws including those relating to zoning, land use, building and safety.

84.15. Conflicts in this Lease. If there are any direct conflicts between the provisions of Article 1 and Article 2 of the Lease, the provisions of Article 1 shall be controlling. If there are any direct conflicts between the provisions of Article 1 and Article 2 of the Lease and the Exhibits, the provisions of Articles 1 and 2 shall be controlling, provided nothing herein shall be construed to contradict applicable law.

84.16. Ordinance and Los Angeles Administrative Code (hereinafter referred to as "Code") Language Governs. Ordinance and Code Exhibits are provided as a convenience to the parties only. In the event of a discrepancy between the Exhibits and the applicable ordinance and/or code language, or amendments thereto, the language of the ordinance and/or code shall govern.

84.17. Amendments to Ordinances and Codes. The obligation to comply with any Ordinances and Codes which have been incorporated into this Lease by reference, shall extend to any amendments which may be made to those Ordinances and Codes during the term of this Lease.

84.18. Days. Unless otherwise specified, "days" shall mean calendar days.

84.19. Deprivation of Lessee's Rights. City shall not be liable to Lessee for any diminution or deprivation of Lessee's rights under this Lease which may result from Lessee's obligation to comply with any and all applicable laws, rules, regulations, restrictions, ordinances, statutes,

and/or orders of any federal, state and/or local government authority and/or court hereunder on account of the exercise of any such authority as is provided in this Section, nor shall Lessee be entitled to terminate the whole or any portion of the Lease by reason thereof.

84.20. Reconciliation of Area and/or Square Footage: If, at any time, it is discovered that any measurement of any portion(s) of the Demised Premises stated in this Lease is inaccurate, this Lease shall be amended to appropriately reflect the correct measurement(s), and corresponding adjustments in the Monthly Rent shall be made. Any such adjustment(s) made to the Monthly Rent, shall be retroactive to the commencement of the Lease, or to that date(s) on which City deems approval of correct measurement(s) to the Demised Premises is appropriate.

84.21. Time is of the Essence. Time is of the essence with respect to Lessee's performance of all obligations under this Lease. Any delay in Lessee's performance of its obligations outside of any expressly applicable cure period under this Lease shall constitute a material breach for which City may terminate this Lease.

84.22. Counterparts and Electronic Signatures. This Lease and any other document necessary for the consummation of the transaction contemplated by this Lease may be executed in counterparts, including counterparts that are manually executed and counterparts that are in the form of electronic records and are electronically executed. An electronic signature means a signature that is executed by symbol attached to or logically associate with a record and adopted by a party with the intent to sign such record, including facsimile or e-mail signatures. All executed counterparts shall constitute one agreement, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Lease and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called PDF format shall be legal and binding and shall have the same full force and effect as if a paper original of this Lease had been delivered that had been signed using a handwritten signature. All parties to this Lease (i) agree that an electronic signature, whether digital or encrypted, of a party to this Lease is intended to authenticate this writing and to have the same force and effect as a manual signature; (ii) intended to be bound by the signatures (whether original, faxed, or electronic) on any document sent or delivered by facsimile or electronic mail or other electronic means; (iii) are aware that the other party(ies) will rely on such signatures; and, (iv) hereby waive any defenses to the enforcement of the terms of this Lease based on the foregoing forms of signature. If this Lease has been executed by electronic signature, all parties executing this document are expressly consenting, under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 ("E-SIGN") and the California Uniform Electronic Transactions Act ("UETA") (California Civil Code §1633.1 et seq.), that a signature by fax, e-mail, or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

Section 87. Noise Abatement Procedures. (Applicable to LAX air carrier only).

87.1 Intentionally omitted.

Section 88. Contractor Responsibility Program.

88.1. Lessee shall comply with the provisions of the Contractor Responsibility Program adopted by the Board. Section 90. Campaign Contributions.

90.1 Lessee, its sublessees and subcontractors, and their respective principals (hereinafter, "Principals") are obligated to fully comply with City of Los Angeles Charter Section 470(c)(12) and related ordinances, regarding limitations on campaign contributions and fundraising for certain elected City officials or candidates for elected City office if the contract or lease is valued at $100,000 or more and requires approval of a City elected official. Additionally, Lessee is required to provide and update certain information to the City as specified by law. Lessee and any sublessee subject to Charter Section 470(c)(12) shall include the following notice in any contract or lease with a sublessee expected to receive at least $100,000 for performance under this contract:

> "Notice Regarding Los Angeles Campaign Contribution and Fundraising Restrictions"
>
> As provided in Charter Section 470(c)(12) and related ordinances, you are sublessee on City of Los Angeles contract #_____. Pursuant to City Charter Section 470(c)(12), sublessee and its principals are prohibited from making campaign contributions and fundraising for certain elected City officials or candidates for elected City office for 12 months after the City contract is signed. The sublessee is required to provide to Lessee names and addresses of the sublessee's principals and contact information and shall update that information if it changes during the 12 month time period.

Sublessee's information included must be provided to Lessee within 5 business days. Failure to comply may result in termination of contract or any other available legal remedies including fines. Information about the restrictions may be found at the City Ethics Commission's website at http://ethics.lacity.org/ or by calling 213/978-1960."

MINIMUM STANDARDS FOR USE OF REAL PROPERTY AT LOS ANGELES WORLD AIRPORTS

1.0 INTRODUCTION

1.1 Governing Policy

Los Angeles World Airports (LAWA), a department of the City of Los Angeles (City), has through its Board of Airport Commissioners (Board), adopted a Leasing Policy (Policy) to provide a framework for making leasing and property management decisions for Los Angeles International Airport, Ontario International Airport, Van Nuys Airport, and Palmdale land holdings (collectively and individually referred to herein as Airport). Under the Policy, the Executive Director of LAWA is authorized to promulgate Executive Directives to implement the Policy.

1.2 Purpose and Scope

1.2.1 These Minimum Standards for Use of Real Property at Los Angeles World Airports (Minimum Standards) have been established by the Executive Director to (1) encourage the provision of high quality products, services, and facilities to Airport users; (2) promote safety; and (3) promote the economic health of Airport businesses. To this end, all entities desiring to use Airport property will be accorded reasonable opportunities, without unlawful discrimination, to engage in such activities, subject to these Minimum Standards.

1.2.2 These Minimum Standards specify the standards and requirements that must be met by any entity using Airport property. These Minimum Standards are not intended to be all-inclusive. Any entity using LAWA property will also be required to comply with all applicable regulatory measures pertaining to such activities.

1.2.3 Throughout these Minimum Standards, the words "standards" or "requirements" will be understood to be modified by the word "minimum" except where explicitly stated otherwise. Any required determinations, interpretations, or judgments regarding what constitutes an acceptable minimum standard, or regarding compliance with such standard, will be made by LAWA. All entities are encouraged to exceed the applicable minimum standards. No entity will be allowed to use Airport property under conditions that do not, in LAWA's discretion, meet these Minimum Standards.

1.2.4 Appropriate minimum standards may be developed on a case-by-case basis for certain activities, and promulgated by Executive

Directive or incorporated into agreements/permits relating to the occupancy or use of particular Airport land or improvements.

1.2.5 These Minimum Standards may be supplemented, amended, or modified by Executive Directive from time to time and in such manner and to such extent as is deemed appropriate by LAWA.

1.3 Applicability

1.3.1 These Minimum Standards will apply to all agreements relating to the occupancy or use of Airport property or improvements.

1.3.2 These Minimum Standards will not be deemed to modify any existing agreement under which an entity is required to exceed these Minimum Standards, nor will they prohibit LAWA from entering into or enforcing an agreement that requires an entity to exceed the Minimum Standards.

1.4 Non-Compliance/Violations

LAWA reserves the right to prohibit any entity from using Airport property upon determination by LAWA that such entity has not complied with these Minimum Standards, or has otherwise jeopardized the safety of other entities using the Airport.

1.5 Severability

If one or more clauses, sections, or provisions of these Minimum Standards are held to be unlawful, invalid, or unenforceable by final judgment of any court of competent jurisdiction, the invalidity of such clauses, sections, or provisions will not in any way affect other clauses, sections, or provisions of these Minimum Standards.

2.0 GENERAL REQUIREMENTS

All Users (hereinafter includes: lessees, licensees, permittees, facility users, operators, occupants, etc.) using Airport property must comply with the requirements of this Section.

2.1 Experience/Capability

2.1.1 User must have the capability of providing products, services, and facilities and engaging in activities in a good quality manner.

2.1.2 User must have the financial capability to, as appropriate, develop and maintain improvements; procure and maintain required vehicles, equipment, and/or aircraft; employ personnel, and engage in the activity, as may be required by the agreement.

2.2 Agreement/Approval

2.2.1 No entity may engage in an activity unless the entity has an agreement with LAWA authorizing such activity or the entity has received written approval from LAWA to sublease land or improvements from an authorized lessee to conduct the activity at the Airport.

2.2.2 An agreement will not reduce or limit User's obligations with respect to these Minimum Standards.

2.2.3 User must comply with all the provisions of the agreement between User and LAWA.

2.3 Payment of Rents, Fees, and Charges

2.3.1 User must pay the rents, fees, or other charges specified by LAWA for leasing or using land or improvements or engaging in activities.

2.3.2 No User will be permitted to engage in activities unless said User is current in the payment of all rents, fees, charges, or other sums due to LAWA under any and all agreements User has with LAWA.

2.3.3 User 's failure to remain current in the payment of any and all rents, fees, charges, and other sums due to LAWA will be grounds for revocation of the agreement or approval authorizing the occupancy or use of land or improvements or the conduct of activities at the Airport.

2.4 Facility Maintenance

2.4.1 User must maintain the Premises (including all related and associated appurtenances, landscaping, paved areas, installed equipment and utility services, and security lighting) in a clean, neat, and orderly condition, as may be required by the agreement.

2.4.2 User must comply with the Airport's signage requirements.

2.5 Products, Services, and Facilities

2.5.1 Products, services, and facilities must be provided on a reasonable and non-discriminatory basis to all users of the Airport.

2.5.2 User must charge reasonable and non-discriminatory prices for each product or service, provided that User may be allowed to make reasonable and non-discriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

2.5.3 User must conduct its activities on and from the Premises in a safe, efficient, and professional manner consistent with the degree of care and skill exercised by experienced users providing comparable products, services, and facilities and engaging in similar activities from similar leaseholds in like markets.

2.6 Non-Discrimination

User must not discriminate against any person or class of persons by reason of race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition in providing any products or services or in the use of any of its facilities provided for the public, in any manner prohibited by applicable regulatory measures.

2.7 Licenses, Permits, Certifications, and Ratings

User (and/or User's personnel) must obtain and comply with, at User's sole expense, all necessary licenses, permits, certifications, or ratings required for the conduct of User's activities at the Airport as required by LAWA or any other duly authorized agency prior to engaging in any activity at the Airport. Upon request, User must provide copies of such licenses, permits, certifications, or ratings to LAWA in a timely manner.

2.8 Personnel

2.8.1 User must have in its employment (as employees), on duty, and on premises during operating hours, trained and courteous personnel in such numbers as to meet the reasonable demands of the aviation public for each activity being conducted in a courteous, prompt, safe, and efficient manner.

2.8.2 User must provide a responsible person on its Premises to supervise activities and such personnel will be authorized to represent and act for and on behalf of User during required hours of activities.

2.9 Equipment

All required equipment must be fully operational and functional at all times. Equipment not being used and not scheduled for repair must be removed from the Premises within a timely basis.

2.10 Regulatory Measures

User must engage in activities in accordance with all applicable regulatory measures, including the Certified Service Provider Program (CSPP) and these Minimum Standards.

2.11 Insurance

User must procure and maintain, during the term of an agreement, insurance policies required by law and the types and minimum limits set forth by LAWA. The insurance company or companies underwriting the required policies must be licensed or authorized to write such insurance in the state of California or be approved in writing by LAWA.

2.12 Suspension, Revocation of Privileges

LAWA reserves the right to suspend or revoke User's privileges (including the right to revoke ramp badges, if issued/required), on a temporary or permanent basis, for failing to abide by these Minimum Standards or any applicable regulatory measures governing the Airport. A cure period may be considered, if in LAWA's discretion one is appropriate and consistent with an agreement.

2.13 City of Los Angeles, Los Angeles World Airports, Board of Airport Commissioners, and Executive Director

The Airport is owned by the City of Los Angeles, operated by LAWA, and governed by and through the Board. Only the Executive Director can amend or modify these Minimum Standards.

For construction contracts, completed operations coverage must be in place for the entire California State Statute of Repose which is currently ten (10) years. LOS ANGELES ADMINISTRATIVE CODE

Div. 10, Ch. 1, Art. 11

LIVING WAGE ORDINANCE

Sec. 10.37 Legislative Findings.

The City awards many contracts to private firms to provide services to the public and to City government. Many lessees or licensees of City property perform services that affect the proprietary interests of City government in that their performance impacts the success of City operations. The City also provides financial assistance and funding to others for the purpose of economic development or job growth. The City expends grant funds under programs created by the federal and state governments. Such expenditures serve to promote the goals established for those programs by such governments and similar goals of the City. The City intends that the policies underlying this article serve to guide the expenditure of such funds to the extent allowed by the laws under such grant programs are established.

Experience indicates that procurement by contract of services has all too often resulted in payment by service contractors to their employees of wages at or slightly above the minimum required by federal and state minimum wage laws. Such minimal compensation tends to inhibit the quantity and quality of services rendered by such employees to the City and to the public Underpaying employees in this way fosters high turnover, absenteeism, and lackluster performance. Conversely, adequate compensation promotes amelioration of these undesirable conditions. Through this article the City intends to require service contractors to provide a minimum level of compensation that will improve the level of services rendered to and for the City.

The inadequate compensation typically paid today also fails to provide service employees with resources sufficient to afford life in Los Angeles. It is unacceptable that contracting decisions involving the expenditure of City funds should foster conditions placing a burden on limited social services. The City, as a principal provider of social support services, has an interest in promoting an employment environment that protects such limited resources. In requiring the payment of a higher minimum level of compensation, this article benefits that interest.

Nothing less than the living wage should be paid by the recipients of City financial themselves. Whether they be engaged in manufacturing or some other line of business, the City does not wish to foster an economic climate where a lesser wage is all that is offered to the working poor. The same adverse social consequences from such inadequate compensation emanate just as readily from manufacturing, for example, as service industries. This article is meant to protect these employees as well.

The City holds a proprietary interest in the work performed by many employees employed by lessees and licensees of City property and by their service contractors and subcontractors. In a very real sense, the success or failure of City operations may turn on the success or failure of these enterprises, for the City has a genuine stake in how the public perceives the services rendered for them by such businesses. Inadequate compensation of these employees adversely impacts the performance by the City's lessee or licensee and thereby does the same for the success of City operations. By the 1998 amendment to this article, recognition is given to the prominence of this interest at those facilities visited by the public on a frequent basis, including but not limited to, terminals at Los Angeles International Airport, Ports O'Call Village in San Pedro, and golf courses and recreation centers operated by the Department of Recreation and Parks. This article is to cover all such employees not expressly exempted.

Requiring payment of the living wage serves both proprietary and humanitarian concerns of the City. Primarily because of the latter concern and experience to date regarding the failure of some employers to honor their obligation to pay the living wage, the 1998 amendments introduce additional enforcement mechanisms to ensure compliance with this important obligation. Non-complying employers must now face the prospect of paying civil penalties, but only if they fail to cure non-compliance after having been given formal notice thereof. Where non-payment is the issue, employers who dispute determinations of non-compliance may avoid civil penalties as well by paying into a City holding account the monies in dispute. Employees should not fear retaliation, such as by losing their jobs, simply because they claim their right to the living wage,

Exhibit H

irrespective of the accuracy of the claim. The 1998 amendments strengthen the prohibition against retaliation to serve as a critical shield against such employer misconduct.

(3) To qualify for this exemption, the lessee or licensee must provide proof of its gross revenues and number of people it employs in the company's entire workforce to the awarding authority as required by regulation;

(4) Whether annual gross revenues are less than three hundred fifty thousand dollars ($350,000) shall be determined based on the gross revenues for the last tax year prior to application or such other period as may be established by regulation;

(j) **"Service contract"** means a contract let to a contractor by the City primarily for the furnishing of services to or for the City (as opposed to the purchase of goods or other property or the leasing or renting of property) and that involves an expenditure in excess of twenty-five thousand dollars ($25,000) and a contract term of at least three (3) months; but only where any of the following applies: (1) at least some of the services rendered are rendered by employees whose work site is on property owned by the City, (2) the services could feasibly be performed by City employees if the awarding authority had the requisite financial and staffing resources, or (3) the DAA has determined in writing that coverage would further the proprietary interests of the City.

(k) **"Subcontractor"** means any person not an employee that enters into a contract (and that employs employees for such purpose) with (1) a contractor or subcontractor to assist the contractor in performing a service contract or (2) a contractor or subcontractor of a public lessee or licensee or sublessee or sublicensee to perform or assist in performing services on the leased or licensed premises. Vendors, such as service contractors or subcontractors, of City financial assistance recipients shall not be regarded as subcontractors except to the extent provided in subsection (f).

(l) **"Willful violation"** means that the employer knew of his, her, or its obligations under this article and deliberately failed or refused to comply with its provisions.

The Office of Administrative and Research Services shall so advise the DAA of any such change by June 1 of each year and of the required new hourly rates, if any. On the basis of such report the DAA shall publish a bulletin announcing the adjusted rates, which shall take effect upon such publication.

(b) Compensated days off

Sec. 10.37.6 Enforcement.

(a) An employee claiming violation of this article may bring an action in the Municipal Court or Superior Court of the State of California, as appropriate, against an employer and may be awarded:

(1) For failure to pay wages required by this article -- back pay for each day during which the violation continued.

(2) For failure to pay medical benefits -- the differential between the wage required by this article without benefits and such wage with benefits, less amounts paid, if any, toward medical benefits.

(3) For retaliation -- reinstatement, back pay, or other equitable relief the court may deem appropriate.

(4) For willful violations, the amount of monies to be paid under (1) - (3) shall be trebled.

(b) The court shall award reasonable attorney's fees and costs to an employee who prevails in any such enforcement action and to an employer who so prevails if the employee's suit was frivolous.

(c) Compliance with this article shall be required in all City contracts to which it applies, and such contracts shall provide that violation of this article shall constitute a material breach thereof and entitle the City to terminate the contract and otherwise pursue legal remedies that may be available. Such contracts shall also include a pledge that there shall be compliance with federal law proscribing retaliation for union organizing.

(d) An employee claiming violation of this article may report such claimed violation to the DAA which shall investigate such complaint. Whether based upon such a complaint or otherwise, where the DAA has determined that an employer has violated this article, the DAA shall issue a written notice to the employer that the violation is to be corrected within ten (10) days. In the event that the employer has not demonstrated to the DAA within such period that it has cured such violation, the DAA may then:

(1) Request the awarding authority to declare a material breach of the service contract, public lease or license, or financial assistance agreement and exercise its contractual remedies thereunder, which are to include, but not be limited to, termination of the service contract, public lease or license, or financial assistance

agreement and the return of monies paid by the City for services not yet rendered.

(2) Request the City Council to debar the employer from future City contracts, leases, and licenses for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last. Such debarment shall be to the extent permitted by, and under whatever procedures may be required by, law.

(3) Request the City Attorney to bring a civil action against the employer seeking:

(i) Where applicable, payment of all unpaid wages or health premiums prescribed by this article; and/or

(ii) A fine payable to the City in the amount of up to one hundred dollars ($100) for each violation for each day the violation remains uncured.

Where the alleged violation concerns non-payment of wages or health premiums, the employer will not be subject to debarment or civil penalties if it pays the monies in dispute into a holding account maintained by the City for such purpose. Such disputed monies shall be presented to a neutral arbitrator for binding arbitration. The arbitrator shall determine whether such monies shall be disbursed, in whole or in part, to the employer or to the employees in question. Regulations promulgated by the DAA shall establish the framework and procedures of such arbitration process. The cost of arbitration shall be borne by the City, unless the arbitrator determines that the employer's position in the matter is frivolous, in which event the arbitrator shall assess the employer for the full cost of the arbitration. Interest earned by the City on monies held in the holding account shall be added to the principal sum deposited, and the monies shall be disbursed in accordance with the arbitration award. A service charge for the cost of account maintenance and service may be deducted therefrom.

(e) Notwithstanding any provision of this Code or any other ordinance to the contrary, no criminal penalties shall attach for violation of this article.

Sec. 10.37.7 Administration.

The City Council shall by resolution designate a department or office, which shall promulgate rules for implementation of this article and otherwise coordinate administration of the requirements of this article ("designated administrative agency" - DAA). The DAA shall monitor compliance, including the investigation of claimed violations, and shall promulgate implementing regulations consistent with this article. The DAA shall also establish employer reporting requirements on employee compensation and on notification about and usage of the federal Earned Income Credit referred to in § 10.37.4. The DAA shall report on compliance to the City Council no less frequently than annually.

During the first, third, and seventh years of this article's operation since May 5, 1997, and every third year thereafter, the Chief Administrative Officer and the Chief Legislative Analyst shall conduct or commission an evaluation of this article's operation and effects. The evaluation shall specifically address at least the following matters: (a) how extensively affected employers are complying with the article; (b) how the article is affecting the workforce composition of affected employers; (c) how the article is affecting productivity and service quality of affected employers; (d) how the additional costs of the article have been distributed among workers, their employers, and the City. Sec. 10.36. Findings and Statement of Policy.

The City awards many contracts to private firms to provide services to the public and to City government. The City also leases its property or grants licenses to enter onto its property and these lessees and licensees often perform services that affect the proprietary interests of City government in that their performance impacts the success of City operations. The City also provides financial assistance and funding to other firms for the purpose of economic development or job growth. At the conclusion of the term of a service contract, lease or license with the City or with those receiving financial assistance from the City, a different firm often receives the successor contract to perform the same City services or to lease or license the same City property.

The City obtains benefits achieved through the competitive process of entering into new contracts. It is the experience of the City that reasons for change do not necessarily include a need to replace workers presently performing services who already have useful knowledge about the workplace where the services are performed.

The City has a proprietary interest in the work performed by employees of City contractors, lessees and licensees and by the employees of firms receiving City financial assistance. The success or failure of City operations may turn on the success or failure of these firms, and the City has a genuine stake in how the public perceives the services rendered by these firms. Replacement of existing employees can adversely impact the performance by these firms and thereby hinders the opportunity for success of City operations.

Incumbent workers have invaluable existing knowledge and experience with the work schedules, practices and clients. Replacing these workers with workers without these experiences decreases efficiency and results in a disservice to the City and City financed or assisted projects.

Retaining existing workers when a change in firm occurs reduces the likelihood of labor disputes and disruptions. The reduction of the likelihood of labor disputes and disruptions results in the assured continuity of services to City constituents and visitors who receive services provided by the City, the City's lessees or licensees, or by City financed or assisted projects.

Contracting decisions involving the expenditure of City funds should avoid a potential effect of creating unemployment and the consequential need for social services. The City, as a principal provider of social support services, has an interest in the stability of employment under contracts, leases and licenses with the City and by those receiving financial assistance from the City. The retention of existing workers benefits that interest.

Sec. 10.36.2. Transition Employment Period.

(a) Within ten days of learning that a Contract is to be terminated, the Contractor shall provide to the Successor Contractor, the Awarding Authority and the DAA, the name, address, date of hire, and employment occupation classification of each Employee of the terminated Contractor and Subcontractor working pursuant to the Contract. If the terminated Contractor has not learned the identity of the Successor Contractor, the Contractor shall request the identity from the Awarding Authority. If a Successor Contract has not been awarded by the end of the ten-day period, the Contractor shall provide the employment information referred to earlier in this subsection to the Awarding Authority and the DAA. Where only a subcontract of a Contract has been terminated, the terminated Subcontractor shall for purposes of this Article be deemed a terminated Contractor.

(1) If multiple Contracts providing similar services are terminated, the Awarding Authority shall consult with the DAA to determine whether to pool the Employees, ordered by seniority within job classification and provide a pool list to the Successor Contractor. The Successor Contractor shall provide written notice to the Awarding Authority and the DAA that the Awarding Authority's pool list will be used. The notice must include the following:

(A) the total number of Employees required under the Successor Contract;

(B) a breakdown of the number of Employees required within each job classification and seniority within each class; and

(C) an indication as to which Employees within each job classification shall be offered employment under this article.

The written notice must be provided no later than ten days after the Successor Contractor receives the listing of the terminated Contractor's Employees.

(2) Where the use of Subcontractors has occurred under the terminated Contract or where the use of Subcontractors is to be permitted under the Successor Contract, or where both circumstances arise, the Awarding Authority shall pool, when applicable, the Employees, ordered by seniority within job classification, under such prior Contracts or subcontracts where required by, and in accordance with, rules promulgated by the DAA. The Successor Contractor or Subcontractor shall provide written notice to the Awarding Authority and the DAA that the Awarding Authority's pool list will be used.

(b) If work-related requirements for a particular job classification under the Successor Contract differ from the terminated Contract, the Successor Contractor (or Subcontractor, where applicable) shall give notice to the Awarding Authority and the DAA and provide an explanation including:

(1) the different work-related requirements needed; and

(2) the reason why the different work-related requirements are necessary for the Successor Contract.

(c) Within ten days of receipt of the list of Employees from the terminated Contractor, the Successor Contractor shall make written offers for a 90-day transition employment period to the eligible Employees by letters sent certified mail. The letters shall ask an Employee to return the offers to the Successor Contractor with the Employee's signature indicating acceptance or rejection of the offer of employment. The letters shall state that if an Employee fails to return a written acceptance of the offer within ten days of the date of mailing of the Successor Contractor's certified letter, then the Employee will be presumed to have declined the offer.

The Successor Contractor shall provide copies of the letters offering employment to the Awarding Authority and proof of mailing.

The notice must be provided no later than ten days after the Successor Contractor receives the list of the terminated Contractor's Employees pursuant to Section 10.36.2(a).

Letters offering employment shall be made by seniority within each job classification. If an Employee in a job classification declines an offer of employment or fails to respond within ten days pursuant to Section 10.36.2(a), the Successor Contractor shall issue a letter offering employment to the next Employee in that job classification. The Successor Contractor shall continue to offer employment in this manner until all required positions are filled for the Successor Contract or until all Employees have been offered employment.

(f) During the 90-day transition employment period, the Successor Contractor (or Subcontractor, where applicable) shall maintain a preferential hiring list of eligible covered Employees not retained by the Successor Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall hire additional Employees, if needed.

PSD may amend the CRP Questionnaire from time to time.

c. **"CRP Pledge of Compliance"** means the CRP Pledge developed by PSD. The CRP Rules and Regulations may be updated from time to time by PSD. The CRP Pledge shall require contractors to sign under penalty of perjury that the contractor will:

(1) Comply with all applicable Federal, State, and local laws and regulations during the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

(2) Notify LAWA within 30 calendar days after receiving notification that any government agency has initiated an investigation that may result in a finding that the contractor did not comply with subparagraph 2(c)(1) above in the performance of the contract.

B. SUBMISSION OF CRP QUESTIONNAIRES

1. **Issuance of Invitation for Bids (IFB)**: These include Request for Bids (RFB), Request for Proposals (RFP), and Request for Qualifications (RFQ). Unless otherwise exempt from the CRP, if a proposed contract meets the definition of a contract subject to the CRP as

defined in the Resolution and these Rules and Regulations, LAWA shall include in the IFB:

a. Language informing potential bidders of the CRP;
b. The CRP Questionnaire that bidders submit with their bid; and
c. The CRP Pledge of Compliance that bidders submit with their bid.

2. **Submission of CRP Questionnaires with Bids**:

   a. All bid and proposal submissions are required to contain a completed and signed CRP Questionnaire and a signed CRP Pledge of Compliance.
   b. Failure to submit a CRP Questionnaire and a CRP Pledge of Compliance in accordance with the IFB procedures may make the bidder non-responsive and disqualified from the bidding process.
   c. Submitted CRP Questionnaires and CRP Pledge of Compliance become public records, and information contained therein will be available for public review, except to the extent that such information is exempt from disclosure pursuant to applicable law.

3. **Use of a non-competitive process to procure the proposed contract**: If a non-competitive process is used by LAWA Divisions to procure the proposed contract, the proposed contractor is required to submit the completed CRP Questionnaire and a signed CRP Pledge of Compliance to LAWA for determination of contractor responsibility prior to execution of the contract.

4. **Subcontractors**: The list of subcontractors shall be submitted with the bid and will be made available for public review along with the bidder's Questionnaire. For construction contracts, bidders must list a subcontractor proposed to be used on the City contract if the subcontractor will be performing work on the construction contract in an amount in excess of $10,000 or in excess of one-half of one percent of the total bid amount, whichever is greater. For service contracts, bidders must list subcontractors as required by the IFB.

C. LAWA REVIEW OF SUBMITTED CRP QUESTIONNAIRES

1. **Departmental Review of submitted bids**: As part of the determination of a bidder's responsiveness, PSD will review the bid submissions to determine whether a completed CRP Questionnaire, signed under penalty of perjury, has been included with the bid. If a completed Questionnaire has not been included with the bid as required by the IFB procedures, the bidder may be deemed to be non-responsive and may be disqualified from the bidding process.

2. **Posting of CRP Questionnaires and Subcontractor List**: Requesting Divisions will forward to PSD the completed CRP Questionnaires and subcontractor list(s), if any, submitted by the responsive bidders to make available for public review as follows:

   a. If a contract is to be awarded pursuant to a competitive bid process, the CRP Questionnaires for the three lowest responsive bidders and their list of proposed subcontractors, if any, will be forwarded to PSD to make them available for public review for a minimum period of 14 calendar days.

   b. If a contract is to be awarded pursuant to a proposal (RFP) or qualifications (RFQ) and award is not based on the lowest submitted bid price, the CRP Questionnaires for the short-listed proposers and their list of proposed subcontractors, if any, will be forwarded to PSD to make them available for public review for a minimum period of 14 calendar days. If no short-listing procedure is used, the CRP Questionnaire for the prospective contractor shall be made available for public review for a minimum period of 14 calendar days.

   c. If a contract is to be awarded to a Sole Source, the CRP Questionnaire for the proposed contractor and their list of proposed subcontractors, if any, will be forwarded to PSD to make it available for public review for a period of 14 calendar days.

   d. No contract shall be awarded to any bidder until at least 14 calendar days after the CRP Questionnaire has been made available for public review. If administrative or technical errors prevent or delay the posting of the CRP Questionnaire, the posting period will be extended by the amount of time that the CRP Questionnaire was not available for public review.

   e. The CRP Questionnaire of the bidder/proposer awarded the contract will be retained by the Requesting Division as part of the contract file. The CRP Questionnaires for the bidders/proposers not awarded the contract will be retained in the customary manner by the Requesting Division.

3. **Claims Resulting from Public Review:**

   a. Claims regarding a bidder or contractor's responsibility should be submitted to PSD in writing. However, PSD may investigate a claim regarding a bidder's or a contractor's responsibility, whether or not it is submitted in writing, if PSD in its discretion

determines that the claim calls into question the bidder's, the proposer's or the contractor's responsibility.

b. If PSD receives information which calls into question a bidder's responsibility, and the information was received **before** the contract has been executed, PSD shall:

(1) Notify the Requesting Division in writing that no contract shall be awarded until PSD has completed investigation into the matter.
(2) Investigate the matter as required in Section G, "LAWA INVESTIGATION" to determine its validity.
(3) Upon completion of the investigation, PSD shall notify the Requesting Division and the Awarding Authority in writing of the result of the investigation.
(4) No contract may be awarded to any bidder until after the investigation has been completed and the Requesting Division and the Awarding Authority have received written notification that the investigation has been completed.
(5) Findings from the PSD investigation received by the Awarding Authority will be considered by the Awarding Authority as part of the determination of the bidder's responsibility.

c. If PSD receives written information that calls into question a contractor's responsibility, and the information was received **after** the contract has been executed, PSD shall investigate the matter as required in Section G, LAWA INVESTIGATION.

D. AWARD AND EXECUTION OF CONTRACTS

1. Departmental Determination of Responsibility and Award of Contract:

a. Requesting Division and the Awarding Authority shall determine whether a bidder/contractor is a responsible bidder, proposer or contractor with the necessary trustworthiness, quality, fitness and capacity to perform the work set forth in the proposed contract by considering the following:

(1) Information contained in the CRP Questionnaire;
(2) Information and documentation from PSD's investigation;
(3) Information regarding the bidder's, proposer's or contractor's past performance that may be contained in the City of Los Angeles' Contractor Evaluation Database.
(4) Information that may be available from any compliance or regulatory governmental agency, and
(5) Any other reliable information that may be available, including but not limited to information from any individual or any other governmental agency.

b. The Board may award and the Executive Director may execute a contract with a bidder or proposer only if:

(1) The bidder's or proposer's CRP Questionnaire has been made available for public review for at least 14 calendar days unless otherwise exempted from the posting requirement by the CRP;
(2) The bidder or proposer is not being investigated by PSD pursuant to the CRP;
(3) The bidder or proposer has not been found to be a non-responsible bidder/proposer pursuant to the CRP;
(4) The bidder or proposer does not appear on any City list of debarred bidders or contractors; and
(5) The bidder or proposer has met all other applicable City requirements.

2. Submission of Pledge of Compliance:

a. Unless otherwise exempt from the CRP, all bid/proposal submissions (RFBs, RFPs and RFQs) are required to contain a Pledge of Compliance with the CRP signed under penalty of perjury. Failure to submit a CRP Pledge of Compliance with the bid/proposal may make the bidder non-responsive and disqualified from the bidding process.

b. Within 10 calendar days of execution of a contract with LAWA, the contractor shall submit to LAWA a signed CRP Pledge of Compliance from each subcontractor listed as performing work on the contract.

3. Subcontractor Responsibility:

a. Contractors shall ensure that their subcontractors meet the criteria for responsibility set forth in the CRP and these Rules and Regulations unless the subcontract is not subject to the CRP.
b. Contractors shall ensure that subcontractors working on the LAWA agreement shall complete and submit a signed CRP Pledge of Compliance.
c. Contractors shall not use in any capacity any subcontractor that has been determined or found to be a non-responsible contractor by LAWA or the City.
d. Subject to approval by the Requesting Division, contractors may substitute a non-responsible subcontractor with another, responsible subcontractor with no changes in bid amounts.

4. **Execution of Contracts:**

   a. Unless exempt from the CRP, all contracts shall contain language obligating the contractor to comply with the CRP.
   b. No contract may be executed unless:

      (1) The proposed contractor has submitted a signed Pledge of Compliance with the CRP.
      (2) The proposed contractor's CRP Questionnaire, unless otherwise exempt, has been made available for public review for at least 14 calendar days in accordance with these Rules and Regulations.

E. CONTRACT AMENDMENTS

1. Compliance with the CRP, except for the requirement to submit a CRP Questionnaire, is required in contract amendments if the initial contract was not subject to the CRP, but the total term and amount of the contract, inclusive of all amendments, would make the contract subject to the CRP.

   a. A contractor subject to the CRP because of an amendment shall submit a CRP Pledge of Compliance to the Requesting Division before the contract amendment can be executed.

   b. Unless exempt from the CRP, all contract amendments shall contain contract language obligating the contractor to comply with the CRP.

F. CONTRACTOR NOTIFICATION OF INVESTIGATIONS AND UPDATE OF INFORMATION

1. **Notification of Investigations**: Contractors shall:

   a. Notify the Requesting Division and PSD within 30 calendar days of receiving notice of any findings by a government agency or court of competent jurisdiction that the contractor violated any applicable Federal, State, or local law in the performance of a LAWA, City of Los Angeles, County of Los Angeles, State of California, Federal Government or other government contract, including but not limited to laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

   b. Notify the Requesting Division and PSD within 30 calendar days of becoming aware of a violation or finding of violation of any applicable federal, state, or local law involving its subcontractors or sub-sub-contractors at any level in the performance of a LAWA contract.

2. **Update of CRP Questionnaire Information**:

a. Updates of information contained in the contractor's responses to the CRP Questionnaire shall be submitted to the Requesting Division and PSD within 30 days of any changes to the responses if the change would affect the contractor's responsibility or ability to continue performing the contract.

b. PSD or the Requesting Division shall determine whether a contractor in a specific situation should have provided information or updated information.

(1) If PSD or the Requesting Division becomes aware of new information concerning a contractor and determines that the contractor should have provided information or updated LAWA with such information, but the contractor has not done so, PSD shall issue a written notice to the contractor requiring the contractor to submit the required information within 10 calendar days.

(2) If PSD or the Requesting Division becomes aware of new information concerning a subcontractor and determines that the subcontractor should have provided information or updated LAWA of such information, but the subcontractor has not done so, PSD shall issue a written notice to the contractor requiring the subcontractor to submit the required information within 10 calendar days.

c. Contractor's failure to provide information or updated information when required by LAWA, the CRP or these Rules and Regulations may be considered a material breach of the contract, and, additionally, may result in the initiation of a non-responsibility hearing pursuant to Section I of these Rules and Regulations.

3. **Contractors shall ensure that subcontractors provide information and updates.** Contractors shall ensure that subcontractors performing work on their LAWA contract abide by these same updating requirements, including the requirement to:

a. Notify the Requesting Division and PSD within 30 calendar days after receiving notification that any government agency has initiated an investigation which may result in a finding that the subcontractor did not comply with any applicable Federal, State, or local law in the performance of the LAWA or City contract, including but not limited to laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees

b. Notify the Requesting Division and PSD within 30 calendar days of all findings by a government agency or court of competent jurisdiction that the subcontractor violated any applicable Federal, State, or local law in the performance of a LAWA or City of Los Angeles contract, including but not limited to laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

4. **Submission of CRP Questionnaires and Updates of CRP Questionnaire Is Not Applicable to Subcontractors:** The requirement that contractors submit to LAWA CRP Questionnaires and updates to the CRP Questionnaire responses does not apply to subcontractors.

G. LAWA INVESTIGATION

1. **Reporting of Alleged Violations:** Allegations of violations of the CRP or these Rules and Regulations shall be reported to PSD. Complaints regarding a bidder's, proposer's or contractor's responsibility should be submitted to PSD in writing. However, PSD may investigate any claim or complaint regarding a bidder's, proposer's or a contractor's responsibility, whether or not it is submitted in writing. Whether based on a written complaint or otherwise, PSD shall be responsible for investigating such alleged violations.

2. **Process**:

   a. Upon receipt of a complaint or upon initiation of an investigation, PSD shall notify the Requesting Division, the Awarding Authority and the bidder, proposer or contractor in writing that an investigation has been initiated.

   b. The bidder, proposer or contractor shall cooperate fully with PSD in providing information. If the bidder/proposer or contractor fails to cooperate with PSD's investigation or fails to timely respond to PSD's requests for information, LAWA may initiate a non-responsibility hearing as set forth in Section I of these Rules and Regulations. A contractor's failure to cooperate may be deemed a material breach of the contract, and the City may pursue all available remedies.

   c. To the extent permissible, PSD shall maintain the identity of the complainant, if any, confidential.

   d. Upon completion of the investigation, PSD shall prepare a written report of the findings and notify the Requesting Division, the Awarding Authority and the bidder, proposer or contractor of the results.

(ii) Initiate a hearing to declare the contractor a non-responsible contractor.

H. VIOLATIONS OF THE CRP OR THESE RULES AND REGULATIONS

1. Violations of the CRP or of these Rules and Regulations may be considered a material breach of the contract and may entitle LAWA or the City to terminate the contract.

2. Alleged violations of the CRP or of these Rules and Regulations shall be reported to the PSD which will investigate all such complaints.

3. When a violation of the CRP or of these Rules and Regulations is found, PSD shall notify the contractor and the Awarding Authority of the violation.
