Comments for Public Posting: To the Civil Rights, Equity, Immigration, Aging, and Disability Committee: I am writing in opposition to any allocation of funds in the Consolidated Plan toward the purchase of L.A. Grand. Our neighborhood already has an overconcentration of such services. CD 14 represents 7% of the city but provides almost 22% - over 3 times the amount - of housing provided for people experiencing homelessness, according to LAHSA. The commercial and cultural hub of downtown Los Angeles is suffering enough post-pandemic. As a stakeholder, I urge you to consider the important future of our neighborhood. Turning the LA Grand into a permanent homeless shelter will do permanent damage to a crucial part of the city that is already suffering. Thank you.
