Pursuant to EWDD's Program Year 25 (2024-25) Carry-In Report (C.F. 24-0643-S1), the revised total funding for Year 25 is \$112.4 million, which was a net decrease of approximately \$6.2 million from the approved Year 25 Annual Plan amount of \$118.6 million (C.F. 24-0643). EWDD estimates \$110.4 million in funding for Year 26, which consists of approximately \$48.6 million from annual WIOA formula grants and \$61.9 million from other sources including discretionary WIOA grants, City General Fund, Los Angeles County funds, and various other grant sources. The decrease from Year 25 to Year 26 can primarily be attributed to a decrease in Los Angeles County Funds and Additional Anticipated Funds. The annual WIOA federal fund allocations are calculated based on formulas, which consist of local relative shares of the unemployed, the "excess" unemployed, and disadvantaged youth (when applicable), with consideration of other socio-economic indicators. The State Employment Development Department has not yet announced its funding allocations for the WIOA Adult, Dislocated Worker, and Youth Formula to Local Workforce Development Areas for Program Year 26 prior to the release of the EWDD report to the WDB; as such the Transmittal and this report utilize estimates for planning purposes that are consistent with the established formulas. Any changes to the final approved amounts will be reflected in the Department's Carry-in Report later this year.

#### Year 26 Annual Plan Highlights

The Annual Plan provides the details on revenues and expenditures for the City's Workforce Development System (WDS), including funding and approvals to implement service strategies and activities that enhance the WDB's efforts to provide employment development services to vulnerable populations and businesses. The Annual Plan also includes various employment, contracting, and procurement authorities in support of the WDS. Funding is provided for on-budget and off-budget program and administrative costs.

The EWDD proposes a fully-funded budget for the Program Year 26 Annual Plan. As part of the Year 26 Annual Plan, the City will begin implementing the *Los Angeles Five-Year Workforce Development Plan: A Path Forward (2025-2030)* (Five-Year Plan), which aims to create and expand access to living-wage jobs and career pathways, remove barriers to employment for priority, vulnerable populations, and implement training programs to prepare residents for work in high-growth and in-demand sectors to align economic development needs with workforce planning initiatives. This Five-Year Plan is the result of significant strategic planning efforts made by the City in 2024, which are further detailed in the Transmittal. The eight overarching strategic initiatives established in Program Year 19 are incorporated into the framework of the new Five-Year Plan.

As the City's administrative and fiscal entity for federal, state, and local workforce development grant funds, the EWDD manages the WDS and promotes public and private investments in workforce development activities. The WDS consists of a network of service providers managed by EWDD and comprised of 14 Adult WorkSource Centers (WSC) providing services for adults and 14 YouthSource Centers (YSC) providing services for youth from the ages of 14 through 24. Funding allocations and contract authority for the program year beginning July 1, 2025 are included in the recommendations in this Report.

The Annual Plan continues the Integrated Service Delivery (ISD) model in the Adult and Dislocated WSC in coordination with other resources and partners in the delivery of services. The YSCs employ a similar integrated approach, particularly in partnering with educational institutions. Through a federal designation from the Department of Education and Department of Labor, the YSCs are part of the Los Angeles Performance Pilot Partnership (P3). The P3 is a coordinated effort to deliver education, workforce, and social services to disconnected (e.g. unemployed and out of school) youth ages 16 to 24 through the collaboration of a variety of agencies, organizations, and institutions. The Annual Plan seeks to align the goals and objectives identified through regional, local, and P3 strategic planning efforts that were developed over recent years, as well as to increase equity in the local labor market as the City continues its recovery from the pandemic.

The Annual Plan includes City General Fund programs for youth that are ineligible to receive federal workforce grant funds. These programs include the Hire LA, Cash for College, and other programs at YSCs in Boyle Heights and Watts. In addition, the City's 2025-26 Adopted Budget provides General Fund dollars for ongoing support for the year-round Youth Employment Program (inclusive of the Summer Youth Employment Program) and the Los Angeles: Regional Initiative for Social Enterprise (LA:RISE) program for employment development services for individuals experiencing homelessness.

## **BACKGROUND**

### Workforce Development Board – Local Elected Officials Agreement

The Workforce Innovation and Opportunity Act (WIOA) went into effect on July 1, 2015, and replaced the Workforce Investment Act of 1998 (WIA) as the statutory authority for EWDD workforce development activities. The WIOA, as the WIA before it, requires the establishment of a Workforce Development Board (WDB) to oversee the administration of WIOA funds. The WIOA also requires an agreement between the WDB and local elected officials (LEO) that defines the roles, responsibilities, and working relationship of the WDB, the WDB Administrator (EWDD), the Council, and the Mayor in administering WIOA programs for the City. The most recent WDB-LEO agreement (C-146062) was approved by Council on July 2, 2024 (C.F. 21-0647-S2), and is valid from July 1, 2024 through June 30, 2026.

### EWDD Position Authorities and Costs and Related Costs Revenue

The Year 26 Annual Plan projections include funding for 120 full time equivalent (FTE) staff (regular and resolution authorities) to implement Annual Plan programs at EWDD. Twenty one of the 120 positions are vacant at this time. The Year 25 Annual Plan included 138 FTE. The City's 2025-26 Adopted Budget includes approximately 111 FTE for workforce development support in EWDD. This includes positions dedicated to implementing the Annual Plan under the Adult and Youth Workforce programs as well as those that provide support for the Annual Plan under the EWDD's technical and administrative support programs. The position authorities are continued in the 2025-26 Adopted Budget (C.F. 25-0600). Authority for continuing resolution authorities will be provided in the forthcoming 2025-26 Personnel Resolution Authority report that will be transmitted to the Council and the Mayor.

Approximately \$18.4 million is set aside for salaries, expenses, and indirect salary (related) costs for workforce development grant program and administrative functions at the EWDD. This consists of \$12.9 million for direct salary costs and operating expenses and approximately \$5.5 million for all indirect grant-funded salary costs. In addition, approximately \$605,000 is provided for direct and indirect costs for administrative and program support for the City Attorney, Controller, General Services Department, and the Personnel Department.

As in the 2024-25 Program Year, EWDD projects the total 2025-26 WIOA grant administrative costs to exceed the 10 percent federal limit for administrative costs. City grant administrative expenses include related costs reimbursements to the City for City employee benefits and services from other City Departments for indirect support of the grant program. These costs are front-funded by the General Fund to be reimbursed by grants and other special funding sources. In the past, the EWDD has attributed successive annual reductions to their WIOA related costs reimbursements to reductions in the grant allocation coupled with annual increases in City labor costs. Related costs reimbursements are included as General Fund revenues in the City Budget to fund City operations. However, final reimbursements to the General Fund are calculated based on actual salary expenditures, and may vary from estimates. In 2024-25, EWDD was able to fully reimburse related costs due to higher-than-anticipated vacancies and a decreased Cost Allocation Plan. The EWDD anticipates vacancies and budgeting strategies to reduce the administrative costs burden on WIOA funding resulting in full reimbursement of related costs. These strategies will be employed as part of the EWDD's Carry-in report, described elsewhere in this Report.

The EWDD's Adopted 2025-26 Revenue Budget for related costs reimbursements for grants included in this report is approximately \$4.65 million (C.F. 25-0600). This projection is based on prior years' historical receipts and budgeted staffing levels. The EWDD states that in order to remain compliant with the grant administrative cap, it will exclude approximately \$109,000 in reimbursements over the grant administrative cap, resulting in an anticipated payment of \$3.23 million in WIOA formula reimbursements and \$0.4 million in WIOA discretionary reimbursements. The total 2025-26 projected related costs reimbursements for EWDD in the Annual Plan is \$5.48 million. This Office will work with EWDD in 2025-26 to monitor WIOA salary appropriations and related costs reimbursements and recommend any necessary adjustments to the General Fund revenue target.

The Controller instructions included in the Attachment to this Report reflect the adjustments between funding sources and accounts approved in the 2025-26 Adopted Budget and the anticipated grant receipts and projected expenditures in the Annual Plan.

#### General Fund Workforce Development Service Providers Contract Authorities

The recommendations in this Report include approval of the EWDD's requests to negotiate and execute agreements and/or amendments to existing agreements with service providers for the following General Fund programs for 2025-26: Hire LA, Youth Employment Program (also known as the Summer Youth Employment Program), LA:RISE, the Day Laborer program, and the Gang Injunction Curfew Settlement Agreement (GICSA) program. The Budget Schedules and Service Strategies and Activities provided as an attachment to the Transmittal include the contractors and funding allocations proposed for the above listed programs.

### Environmental Consideration

The Transmittal states that a Notice for Categorical Exemption from the California Environmental Quality Act for the Year 26 Annual Plan services will be filed with the City Clerk and the Los Angeles County Recorder's Office. The exemption is requested on the basis that Annual Plan programs are federally funded public services, including employment and training, which result in no impact on the physical environment and do not involve construction of new public or private facilities.

### Summary of Recommendations

The recommendations in this Report maintain adequate City oversight over procurement requirements and compliance, while allowing the EWDD to exercise flexibility for program administration. The recommendations include the authority for the EWDD to issue RFPs and/or Requests for Qualifications (RFQs) for the life of each Annual Plan, and to make technical and financial adjustments to funding received under WIOA. Council and Mayor approval will be required to extend the life of these RFPs and/or RFQs. The funding sources, details on service strategies and activities, policies, budget, accomplishments, service provider performance evaluations, and public comments are included in the complete Annual Plan documents in the Council File (C.F. 25-0596). The Attachment to this Report provides Controller instructions required to implement the Year 26 Annual Plan.

## **FISCAL IMPACT STATEMENT**

The recommendations in this Report would decrease related costs reimbursements to the General Fund from the Workforce Innovation and Opportunity Act (WIOA) grants by approximately \$0.1 million in Fiscal Year 2025-26, from \$3.7 million in the 2025-26 Adopted Budget to \$3.6 million in the Year 26 Annual Plan. Approval of the recommendations in this Report would decrease reimbursements for the Economic and Workforce Development Department (EWDD) salary related costs to the General Fund from the Workforce Innovation and Opportunity Act Fund in this amount.

## **FINANCIAL POLICIES STATEMENT**

The recommendations in this Report are in compliance with the City's Financial Policies in that federal, state, and local grant sources and the 2025-26 Adopted Budget support budgeted costs in the Annual Plan. The recommendations in this Report involve the allocation of approximately \$110.4 million toward the Workforce Development Board Program Year 26 (FY 2025-26) Annual Plan from various federal and state grants and from local sources, including the Workforce Innovation and Opportunity Act (WIOA), Los Angeles County grants, and other formula and competitive grant sources.
