

ADOPTED BUDGET RECOMMENDATION

Instruct the Bureau of Street Services to report to the Public Works Committee by July 1, 2025 with a plan to ensure that streets with bicycle lanes and commercial corridors are swept with, at minimum, the same frequency as posted routes on residential streets as residential streets.

(Pursuant to Council Action of July 30, 2025; Council file No. 25-0600-S32)
