

ADOPTED BUDGET RECOMMENDATION

Request the Department of Water and Power, in collaboration with the Public Works Bureau of Engineering and General Services Department, to report to the Energy and Environment Committee on a Memorandum of Understanding to streamline and fund renewable energy efficiency upgrades and host renewable assets on City property to achieve long-term savings for rate payers and eliminate emissions.

(Pursuant to Council Action of July 30, 2025; Council file No. 25-0600-S32)
