A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

Summary: The Encino Neighborhood Council supports Council File 25-0600-S7 and requests that the Mayor and City Council restore the amount annually allocated to Neighborhood Councils to at least the current \$32,000 level. The Encino Neighborhood Council supports the rollover of all unexpended funds from this fiscal year to next year, as proposed in the Mayor's Budget. The Mayor's proposed Fiscal Year 2025-2026 Budget includes a \$25,000 annual allocation for each Neighborhood Council, a \$7,000 reduction from the current amount of \$32,000. It also provides for the rollover of all unexpended funds from this fiscal year to the following one. Over 20 years ago, NCs were allocated \$50,000 annually with the ability to rollover up to \$100,000. To have the same purchasing power as 20 years ago, NC's would need

\$88,000. However, if our budget is cut to \$25,000, it is equivalent to just \$14.205 in purchasing power compared to 20 years ago. This is a 70% reduction in purchasing power from 20 years ago. Unlike other City departments, every dollar we spend is carefully scrutinized, and after our administrative expenses, almost every dollar we spend goes back into the community. The people who will be hurt the most by this are stakeholders all over the City.
