Honorable Members of the City Council
c/o City Clerk
City Hall, Room 395

Subject: Notice of the Status of Local Emergency and Recommendation to
Terminate - ICE Raids Civil Unrest (Council File 25-0647)

Honorable Members:

Pursuant to the authority vested in me as Mayor of the City of Los Angeles, I am terminating the Declaration of Local Emergency issued on June 10, 2025 in response to violence and other illegal activity that necessitated a curfew in Downtown Los Angeles. Everyone has the right to peacefully protest, but some took advantage of the Trump Administration's chaotic escalation of the situation when federalized troops were sent to our city on the heels of the raids.

Under this declaration, I issued a curfew to keep Downtown Los Angeles safe while supporting our officers and first responders in our effective local response, to restore order, safeguard the community, and address immediate threats to life and property. Since taking these actions, Los Angeles has been peaceful, and peaceful demonstrations have continued throughout the city. Accordingly, effective immediately, I hereby terminate the Declaration of Local Emergency dated June 10, 2025.

Furthermore, I request that pursuant to Los Angeles Administrative Code Section 8.31, the City Council declare and publicize the termination of local emergency at the earliest possible date.

If it is deemed necessary to protect the health, safety, and welfare of the residents of Los Angeles, I stand ready to issue a new emergency declaration without delay to ensure the City is equipped to respond swiftly and effectively.

Thank you for your partnership during this critical period and for your continued support in maintaining the safety and resilience of our city.

Sincerely,
