### RECOMMENDATION

That the Council note and file this report, as it is provided for informational purposes only.

### SUMMARY

This Office, in collaboration with the Personnel Department, has been reporting regularly to the Personnel and Hiring Committee regarding the ongoing Citywide layoff process necessitated by the elimination of filled positions in the 2025-26 Adopted Budget. As employees are still occupying positions in the City's human resources and payroll application, Workday, that were eliminated as of July 1, this Office has issued substitute authority for the employees occupying these filled eliminated positions to provide employment authority for the employees while the City completes the layoff process. The Personnel Department and this Office continue to work with departments to identify opportunities to transition employees out of these positions to reduce layoffs.

The most recent data extract from Workday, as of May 7, 2026, determined that 72 employees remain in the substitute authority positions that were issued pending layoff processing. Therefore, the current number of potential layoffs is up to 72 as of May 7, 2026. Attachment 1 provides a summary of the eliminated filled positions by department. Attachment 2 provides a breakdown of the substitute authority positions issued for eliminated filled positions by classification.

Following the City Council's approval of the 2025-26 Adopted Budget, Letters of Agreement (LOAs) were signed by the Engineers and Architects (EAA) and the Coalition of Los Angeles City Unions (Coalition). These LOAs mandate that employees take no more than five unpaid holidays to generate savings used to fund the substitute authorities that were activated to continue employment for employees whose occupied positions were eliminated in the 2025-26 Adopted Budget. Therefore, all 72 of the potential layoffs are currently being held in abeyance, due to these approved LOAs. Based on the LOAs and a cost determination by the CAO, Coalition members took an unpaid holiday on Monday, February 9, 2026. EAA members took an unpaid holiday on Monday, February 9, 2026 and one additional unpaid hour during pay period 20 (March 22, 2026 through April 4, 2026).

### FISCAL IMPACT STATEMENT

There is no fiscal impact associated with approval of the recommendation to note and file this report.

## **FINANCIAL POLICIES STATEMENT**
