

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

Date: January 20, 2026

To: The Honorable Members of the Personnel and Hiring Committee

From: Malaika Billups, General Manager, Personnel Department

Subject: **COUNCIL FILE NO. 25-0660 - CITYWIDE LAYOFF MANAGEMENT**

RECOMMENDATION

That the City Council note and file this report.

BACKGROUND

The Personnel and Hiring Committee instructed the Personnel Department to provide regular updates regarding an expedited Citywide transfer process for layoff avoidance and preparation for potential layoffs.

In addition, the Personnel Department is also responding to the Personnel and Hiring Committee's directive for departments to provide a written update on the status of vacancies, the number of employee transfers (or transfer opportunities), and the classifications involved in those transfers to or from the department.

DISCUSSION

Citywide Layoffs Update

On September 19, 2025, the Personnel Department suspended layoff calculations per the direction of the Mayor's Office due to labor agreements. The Personnel Department is still working on obtaining unpaid leave information from the Department of Water and Power for any future calculations.

This chart includes metrics related to both Special Funded and General Funded positions. Attachment 1 includes detailed ETP metrics regarding the Special Funded positions, specifically.

General Funded Position Transfers

In response to the suspension of the City's Priority Critical Hiring (PCH) process, the Personnel Department has been assisting City departments in filling vacant critical General Funded positions via the expedited transfer process. This process is implemented for City departments that have been unsuccessful in filling their critical General Funded vacancies using internal hiring efforts. These requests to fill General Funded positions are being submitted by City department Human Resources staff directly to the Expedited Transfer Team for processing via an official request Google Form. If the position can be filled with existing ETP applicants, then those applications will be referred for consideration. If there are no ETP applications for the subject job class or an appropriate in-lieu job classification, then the Personnel Department will allow the requesting department to proceed with alternative hiring options, such as certifying an existing eligible list or using an Emergency Appointment to fill the vacancy.

Please note that 25 of the accepted CJOs the completed transfers indicated in the chart above pertain to General Fund positions.

Department Presentations

The ETP Team developed a presentation aimed at City employees in job classifications within City departments that were facing layoffs. The presentation was approved by the CAO and labor. The purpose of hosting these presentations is to inform City employees of what the negotiated labor agreements mean for this fiscal year and the upcoming fiscal year, explain that employees in specific job classifications within certain departments will still need to transfer to other City departments, and promote and describe, in more detail, how ETP works and where important information can be obtained. The first presentation was held remotely on Thursday, November 20, 2025. Approximately 60 employees from the Personnel Department, Information Technology Agency (ITA), Department of Neighborhood Empowerment (DONE), and the Department of Disability (DOD) attended the one hour presentation. The second presentation

was held remotely on December 3, 2025 for LAPD staff. Over 160 LAPD employees attended the presentation. A recording of the presentation has been posted on the ETP website (transfer portal), which can be found by accessing this link: [Expedited Transfer Portal \(https://sites.google.com/lacity.org/expeditedtransfersite\)](https://sites.google.com/lacity.org/expeditedtransfersite). The Team continues to work on transferring staff and will determine if additional presentations are needed.
