# CITY OF LOS ANGELES

# INTER-DEPARTMENTAL CORRESPONDENCE

10-13

Date: August 12, 2025

To: The Honorable Members of the Personnel and Hiring Committee

From: Malaika Billups, General Manager, Personnel Department

Subject: Council File 25-0660 - CITYWIDE LAYOFF MANAGEMENT

## **RECOMMENDATION**

That the City Council note and file this report.

## **BACKGROUND**

The Personnel and Hiring Committee instructed the Personnel Department to provide regular updates regarding an expedited Citywide transfer process for layoff avoidance and preparation for potential layoffs.

## **DISCUSSION**

## Layoffs Update

The City's present record of each City employees' Employee Job Histories (EJH) was sent individually to over 21,500 employees beginning Friday, May 9th with a deadline to respond by Friday, May 23rd. To date, approximately 16,486 employees have indicated that their EJHs are correct and no further action is needed; 3,969 employees have indicated that there is at least one correction needed. Of the 3,969 the department HR staff have reviewed 2,392 with 417 currently under review. There are 1,160 EJHs still pending HR review. Please note that if an EJH is still pending at the time a calculation is being performed the Personnel Department will work with the department to make the necessary corrections before proceeding with the calculation.

Displacement election forms were sent individually to over 25,318 email accounts on Friday, July 11th with a deadline to respond by Thursday, July 31st. As of August 5th, approximately 9,414 employees completed and submitted their displacement election forms.

## Phasing

Layoff calculations began for departments in Phases 1-4 on August 1, 2025. There are currently 30 analysts from various divisions within the Personnel Department calculating and reviewing employee job histories. The Personnel Department must follow LA City Charter Section 1015 to

calculate both layoff and displacement seniority to help departments and staff identify who will be impacted by a layoff determination. To move forward in an orderly fashion, the Personnel Department has developed a phased approach to how layoff and displacement seniority will be calculated.

Please note, although layoff seniority will be calculated in a phased order, displacements (or "bumping") can happen which would impact employees in other departments, potentially not in the same phase. Some of these displacements could result in a layoff in a different department. The Personnel Department will work closely with department stakeholders to identify alternatives to layoffs to the best extent possible.

# **Layoff Results**

As of August 11, 2025, Phase 0 impacted a total of nine employees. Six of the nine employees were identified for layoff. These six employees do not have civil services status. The six employees should be on leave with pay until August 23, 2025 and will be removed from payroll at the conclusion of that pay period. There are three other employees identified in Phase 0 that will be removed from their emergency appointments and returned to their protected civil service appointed positions.

# Post Lavoff Sessions

The Personnel department has partnered with EWDD, LACERS, CAO and Office of the Controller to develop "Post-Layoff Support Sessions" to offer to City employees to assist their transition out of City Service. The first "Post-Layoff Support Session" is scheduled for Tuesday, August 19th. The presentation will include topics such as unemployment benefits, final paychecks, benefits and deferred compensation.

# Expedited Transfer Process (ETP) Update

Positions Available	Total Apps	Total Employees	Total Apps	Total CJOs	Total Transfers
to Fill via ETP	Received	Referred	Referred	Made	Complete
417 (+14)	1,709 (+9)	1,398 (+11)	4,702 (+175)	60 (+2)	31 (+7)

Updated as of August 12, 2025 (increase from August 5, 2025 report)

See Attachment 1 for detailed information regarding ETP metrics for each department and job classification.

## **General Funded Position Transfers**

In response to the suspension of the Priority Critical Hiring (PCH) process, the Personnel Department has been assisting City departments in filling vacant critical General Funded positions. This process is being implemented for City departments that have been unsuccessful in filling their critical General Funded vacancies using internal hiring efforts. These requests are

being submitted by City department Human Resources staff directly to the Expedited Transfer Team for processing via an <u>official request Google Form</u>. To date, the ETP team has referred 1,701 applications for consideration through this process.

## **Direct Outreach**

The Personnel Department worked with Human Resources staff from each City department impacted by layoffs to email incumbents in job classification for which positions within that department have been identified for deletion. The email informed department employees that at least one position within their job classification was slated for deletion and therefore, were strongly encouraged to submit an Expedited Transfer Process application in order to be considered for a transfer opportunity to a special funded position or a position within a department for which positions were not identified for deletion. The overall goal of this effort is to further encourage City employees to consider a transfer opportunity to a City department not impacted by layoffs. For further support, the Personnel Department created an Expedited Transfer Portal: <a href="https://sites.google.com/lacity.org/expeditedtransfersite?usp=sharing">https://sites.google.com/lacity.org/expeditedtransfersite?usp=sharing</a>

The six employees identified for layoff in Phase 0 were directly contacted and given 24 hours to apply if there was no ETP application on file. These six employees will be directly referred to departments with the hope of placement before they are removed from payroll.

See Attachment 2 for the Expedited Transfer Process Map, which includes the processes mentioned above.
