Comments for Public Posting: On April 17, 2025 the North Hills West Neighborhood Council (NHWNC) "Approved" the request for "Creation" of a "Special Fund Account", in the amount of \$30,000.00, for the purpose of Urban Forestry Division - Bureau of Street Services, within the Boundaries of the NHWNC. This Community Improvement Project (CIP) is for: Dead Tree and Stump Removal, Tree Planting and Tree Trimming, Etc. On May 15, 2025 the NHWNC Revised and Approved its 2024-2025 Budget, Re-Allocating \$30,000.00 to "Community Improvement Project " (CIP). On or about May 23, 2025 the City Clerk Neighborhood Council Funding Division provided an Account Number to Council District 12 (CD12). On June 20, 2025 a Motion INCORRECTLY stated: "The Department of Recreation and Parks ". The NHWNC has NO PARKS ! On June 25, 2025 I was assured the Original Motion would be "Amended". The "Amended Motion" should read: The Bureau of Street Services - Urban Forestry Division, in partnership with Council District 12 and the North Hills West Neighborhood Council (NHWNC) has agreed to conduct Dead Tree and Stump Removal, Tree Trimming and Tree Planting within the North Hills West Neighborhood Council (NHWNC) Boundaries. With Sincere Gratitude the NHWNC extends a Huge Thank You to Councilmember John Lee for His Support and Partnership in Our Mutual Project to remove Skyline Blight along with Ugly Stumps posing Liability Concerns for Los Angeles followed by Planting Green New Trees.
