Attn: Armando Bencomo, Legislative Assistant

RE: COUNCIL FILE TRANSMITTAL

On April 8, 2026, the Ad Hoc Committee for LA Recovery considered a Bureau of Engineering (BOE) report and Motion (Park - McOsker) relative to a request for payment for additional services from AECOM in development of the Long-Term Recovery Plan and planning reports regarding: Infrastructure Restoration, Wildfire Resilience, and Logistics and Traffic Management, Council file No. 25-0683. After consideration, and having provided an opportunity for public comment, the Committee moved to approve the matter as amended to read as follows:

1. NOTE and FILE Motion (Park-McOsker), since the BOE has submitted the AECOM reports to the Council File.
2. AUTHORIZE the BOE to make further payment(s) to AECOM for work on long-term recovery and additional recovery services up to the \$8 million previously authorized for this work.
3. INSTRUCT the BOE to include the Chief Legislative Analyst (CLA) as a member of the Palisades Recovery Group.
4. INSTRUCT the CLA, in consultation with Los Angeles Department of Transportation, BOE and Los Angeles Department of Building and Safety, to report back within 60 days on AECOM's recommendations related to managing construction-related traffic congestion, including management and control of construction permit issuance and establishing Temporary Managed Parking Zones for contractors and Mobile Food Service Zones for vendors.
5. INSTRUCT the BOE and AECOM to incorporate community feedback received in response to their first three recovery reports into their Long-Term Recovery planning. This should include feedback received from the Pacific Palisades Community Council in their letter dated March 17, 2026 as well as a communication from the Palisades Recovery Coalition.
6. INSTRUCT the BOE to transmit the Long Term Recovery Plan, upon its completion, to Council file No. 25-0683.

7. INSTRUCT the BOE and AECOM to present updates to the Ad Hoc Committee for LA Recovery regarding the work of the Palisades Recovery Group.

This file is now transmitted to the Budget and Finance Committee.

Sharon Gin
Legislative Assistant
Ad Hoc Committee for LA Recovery
