

HOUSING COMMITTEE

AMENDMENT TO ITEM #2 COUNCIL FILE #25-0690-S1 September 16, 2026

ADD the following recommendations:

Instruct the Housing Department to report to the Housing Committee on a quarterly basis on the status and implementation of the H4LA Round 2 NOFA, including the status of the solicitation and evaluation process; funding awarded and expended by program; the number of projects and units awarded, under contract, and proceeding toward construction or preservation; anticipated project timelines; and any significant delays, challenges, or changes to program implementation.

I furthermore instruct the Housing Department to utilize popular education models on the LAHD website to explain the differences between these programs in order to increase access to and understanding of the technical specifics and differences by people intending to apply.
