Summary:

On August 1, 2025, your Civil Rights, Equity, Immigration, Aging, and Disability Committee considered a June 20, 2025 Motion (Rodriguez – Padilla, et al.) relative to department protocols followed to monitor and respond to federal immigration activity, and legal remedies against federal agencies that violate the constitutional rights of residents within the City. According to the Motion, following the Mayor's Declaration of a local state of emergency in response to heightened federal immigration enforcement, residents and community organizations have reported multiple incidents in which immigration agents detained United States citizens and undocumented individuals without warrants or due

process. These reports describe excessive force and intimidation that have sown fear across neighborhoods and undermined decades of City policy designed to protect civil rights and encourage community policing. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion.

Subsequently, on August 8, 2025, your Rules, Elections and Intergovernmental Committee considered the June 20, 2025 Motion (Rodriguez – Padilla, et al.) and approved the Motion recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
