A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

Summary: The Board of the Central Hollywood Neighborhood Council (CHNC) has voted to approve this CIS in support of Council File 25-0697, a motion to request the City Attorney to report back on any and all laws at every level of government that require and/ or trigger LAPD to respond to a call for assistance from another law enforcement agency and any municipal code or Department policy change that narrows or conditions those requirements based on upholding the constitutional rights of Angelenos; to instruct the Chief Legislative Analyst to report back with information on how other municipalities and jurisdictions across the country are responding to these actions of the federal government, including

requests for support with immigration enforcement; to instruct the Los Angeles Police Department (LAPD) report on all calls for help and support from other law enforcement agencies that the Department responded to between Friday June 6, 2025 and Friday June 20, 2025; and to request the Board of Police Commissioners to consider implementing policy limiting and narrowing LAPD's response to calls for support from federal agencies performing immigration enforcement beyond what is required under the existing Sanctuary City Ordinance. The Board of the CHNC strongly urges the City Council to maintain vigilant oversight of LAPD, particularly regarding its ongoing involvement with federal immigration activities in violation of the spirit of our Sanctuary City policies. It is deeply concerning to witness repeated instances in which LAPD appears more focused on suppressing nonviolent protest than on protecting the rights of Angelenos, often through the use of aggressive and disproportionate tactics. The Council would be well within reason to remind LAPD that its officers are sworn public servants, obligated to serve and protect the people of Los Angeles, not to support federal immigration enforcement that harms the very communities they are entrusted to safeguard.
