Summary:

On August 5, 2025, your Committee considered a Motion (McOsker – Park) relative to the transfer of jurisdiction of the City-owned property, consisting of medians on Harbor Boulevard in Council District 15 to the Harbor Department. According to the Motion, the Harbor Boulevard medians serve as a vital visual gateway to the San Pedro community and the LA Waterfront. Transferring jurisdiction to the Port of Los Angeles would enable a unified aesthetic vision aligned with the Port's LA Waterfront development plans, provide improved maintenance efficiency, and enhance the overall gateway experience for residents and visitors. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Government Operations Committee
