On August 13, 2025, the Transportation Committee considered Motion (McOsker – Park) relative to the planned full closure of the Vincent Thomas Bridge by the California Department of Transportation for seismic retrofit and maintenance work, and camera coverage of detour routes to monitor traffic conditions, enforce truck routes, and ensure public safety.

After an opportunity for public comment was provided, the Committee approved the Motion.

The subject Council File is hereby transmitted to the Trade, Travel, and Tourism Committee for further consideration.

Respectfully,
