

MOTION

On Sunday, August 17, 2025, the *Culver City meets Venice* CicLAvia event will be held in Council District 11. This event will close 6.75 miles of city streets to automobile traffic and open them for people to walk, skate, or bike. The route will run along various segments beginning at the Venice Beach Hub, through Downtown Culver City, and ending at the Arts District Hub.

The street closures necessary for the CicLAvia event will affect surrounding residents who have limited parking. Two City-owned parking lots that are located near the route can assist the residents by providing an overnight parking option. The cost for parking during regular operating hours would be subject to existing rates.

I THEREFORE MOVE that the City Council authorize the Department of Transportation to allow overnight parking at 120 N. Venice Boulevard (Lot No. 731) and 2150 Dell Avenue (Lot No. 701) on August 17, 2025 for residents who will be directly impacted by the street closures for the *Culver City meets Venice* CicLAvia event.

I FURTHER MOVE that should the date of the event change due to unforeseen circumstances; the aforementioned departmental instructions will apply.
