Comments for Public Posting: Hello, my name is Rosalina Chavez. I am writing in strong support of Item (4) 25-0767 re: Pico-Union Cesar Chavez Community Garden. CultivaLA Inc. has time and time again stepped up to support this community during their time of need; through the COVID-19 pandemic and now through the unjustly targeted raids. CultivaLA, Inc. continues to be a beacon of hope for our community and I look forward to this little respite of relief coming to the Pico-Union area. I urge you to approve this item. Thank you for your time and attention.

Comments for Public Posting: Growing up in Pico-Union, access to healthy food was limited. Seeing CultivaLA invest in our community with fresh, sustainable options is powerful and inspiring. Grateful for their impact because it lets me know that we are not alone.
