A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

The Board approved this CIS by a vote of: Yea(17) Nay(4) Abstain(0) Ineligible(0) Recusal(0)

Date of NC Board Action: 09/16/2025

Type of NC Board Action: Against

Impact Information

Date: 09/24/2025

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 25-0771

City Planning Number:

Agenda Date:

Item Number:

Summary: The Los Feliz Neighborhood Council (LFNC) opposes the city's approval of donations to the LAPD for the implementation of Automated License Plate Reader (ALPR) Cameras. As reported by CalMatters, the LAPD has repeatedly shared sensitive license plate data with ICE and CBP this year in direct violation of city and state law. This comes after Attorney General Rob Bonta issued a 2023 advisory clarifying the legal uses of the data due to repeated abuses. The LAPD's abuse of ALPR technology puts our community at risk at the behest of wealthy donors with undue influence on LAPD's operations and priorities. LFNC has supported license plate cameras in the past that were narrowly

tailored for specific purposes, such as speed safety or bicycle lane violations, which were operated by the city and had specific data protection policies of being used for select purposes and data being destroyed shortly after.
