Comments for Public Posting: This is to request the City Council deny the appeal filed by Unite Here Local 11 and uphold the Los Angeles Board of Harbor Commissioners' (BOHC) approval of the West Harbor Modification Project, including the certification of the Supplemental Environmental Impact Report (SEIR). As a volunteer on the Battleship IOWA since 2017 I have seen the hard work on the San Pedro waterfront to make it an outstanding Destination for thousands of tourists and visitors from the U.S. and around the world. It is my understanding that many of the additions such as the proposed 6,200 seat amphitheater, Ferris wheel and additional parking spaces will greatly enhance this waterfront treasure and create many jobs. Sincerely, Philip Browning LCDR USNR (ret.)
