Further, pursuant to Section 1.2.1(h), if the Tenant exercises its option to convert any of the Removed Preferential Gates to a Tenant's Preferential-Use Gates, such conversion of Gate(s) and Preferential-Use Boarding Facilities to the list of the Tenant's Preferential-Use Gates shall be documented by the CEO by an amendment to Exhibit A-5, subject to City Attorney approval as to form, with an appropriate adjustment in charges without the prior approval or later ratification by the Board or the City Council.

19.4. Gate Use Protocols. The CEO, in his or her sole discretion, may issue from time to time protocols for the assignment of flights on Gates designated as either preferential -use or common -use in the Terminal. As of the Execution Date of the Sixth Amendment, the Tenant acknowledges that, pursuant to this Section 19.4 of the Lease, the CEO has adopted new gate use protocols (the "Gate Use Protocols") governing Common-Use Gates and Preferential-Use Gates at the Airport and that such Gate Use Protocols supersede all other gate use protocols at the Airport including the prior scheduling protocols in the Terminal, any flight protocols, TBIT scheduling protocols and MSC (also known as Bradley West Gates) scheduling protocols.
