Comments for Public Posting: I do NOT want a large RV park built in my neighborhood. We have an elementary school nearby. The school is one of the top rated schools in Mission Hills, and has brought property value up. If we put in an RV park in the area, it will deter having families move in the area. Mission Hills is slowly growing to be a good neighborhood. If we have this RV park here, it will be a bad turn for the neighborhood.

Comments for Public Posting: I bought my home in this neighborhood to raise my children in. I have seen other RV parks, seen trash piled on the sidewalks, never seems a safe place. I oppose this RV project
