Comments for Public Posting: Councilwoman Rodriquez, in regards to the proposed RV Park at 10338 Lemona Avenue. I along with the neighborhood, believe it will bring crime to the neighborhood, as well as lowering my property value. Will create more traffic and unsafe for all children that walk to San Jose elementary school, which is approximately 800 to one thousand feet. As of now there is a RV already parked in front of the property abandoned for 3 weeks and has received no tickets by the parking enforcement. Breathing all the fumes that will be created by this RV Park will be harmful to my health. I will be afraid to take my daily walk in my own neighborhood. My house directly in front of the proposed project . Please reconsider opposing to this project. Sincerely, John Torres
