**Comments for Public Posting:** As a member and home owner of this community for 30 years, I oppose to this project because of the following reasons: Traffic, homeless, drugs and our safety will be threatened. In addition that we have an elementary school and those children who walk home will not be safe, we should take this into major consideration and not approve the project. Thank you

**Comments for Public Posting:** As a resident of this neighborhood I am strongly opposed to this offer. The location is close to an elementary school and the safety of these kid should have a higher priority before considering this option. Traffic with the new Olivio plaza is a handful, adding this RV Park will make the streets more congested. The neighborhood already has a homeless problem, this will only add to the problem. Every so often I hear something happening in the Olivio parking lot. Please get rid of this proposal. Keep the safety of our kids in higher priority than this RV Park.
