2. INSTRUCT the Bureau of Engineering to report with recommendations to implement a new process to take the place of the TCTMC that creates a timely, internal process that moves projects to approval in a quick and efficient manner.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

On August 27, 2025, your Transportation Committee considered an August 6, 2025 Motion (Hutt – Padilla) relative to amending the Los Angeles Municipal Code to dissolve the TCTMC. According to the Motion, in practice, the TCTMC has unduly increased the time required for projects to obtain plan approvals due to numerous inefficiencies. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion recommendation. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
