**Comments for Public Posting:** Hello, I am writing to urge councilmember Imelda Padilla to improve the Sun Valley Metrolink Station and surrounding neighborhood. The Sun Valley Metrolink Station is in need of beautification upgrades and shelter to accommodate transit riders like me. The Sun Valley Metrolink Station is underutilized because many transit riders are not aware that it exists. I have urged council members Padilla, Rodriguez and Nazarian to improve transit leading to and from the Sun Valley Metrolink Station. I have repeatedly urged my council members to make significant improvements to the Metrolink Station in Sun Valley. We need more shade trees, shelter, direct transit to and from the station, cleanliness, and other measures to make it more attractive to transit riders. Further, I would like to see street lighting repaired and crosswalks that need new paint to ensure pedestrian and bicyclist safety at and near the Sun Valley Metrolink Station.
