Comments for Public Posting: Hon. City Council, I am a long time stakeholder of Sun Valley, and I am very disappointed with the lack of leadership and service from Sun Valley Area Neighborhood Council. When Norma was chair of the board, she DID NOT do enough for the residents of Sun Valley. Norma Chavez would just use every event for a photo opportunity and she is abusing her privileges for personal gain at the expense of the residents of Sun Valley. We asked the Sun Valley Area Neighborhood Council to get more active, to speak with neighbors, to talk to businesses, to engage with the constituents of Sun Valley. They DID NOT do anything! Like Nury Martinez, they didn't do anything for our community! Norma and her clique were told about this issue about the Sun Valley Metrolink Station Im the first place and they waited until councilwoman Padilla wanted to put a Tiny Homes Project on the parking lot. Sun Valley Area Neighborhood Council DID NOT offer solutions and of alternatives to the issue. All they do is whine and whine. We need real leadership to be more active and socially connected with the community, like the Reseda Neighborhood Council.
