The Facility shall be owned by Seller during the Agreement Term, subject to Section 12.6. Seller shall develop the Facility, at its sole risk and expense, and in compliance with the requirements of this Agreement, Buyer's interconnection requirements, and all applicable Requirements of Law and Prudent Utility Practices.

Section 3.4 Milestone. Seller shall provide Buyer with documentation demonstrating that the SOPPA Milestone has been met on or before the SOPPA Milestone Deadline.

Section 3.5 Certification of Commercial Operation Date. Seller shall provide Buyer with a notice when Seller believes that all requirements to achieving Commercial Operation of the Facility as specified in the definition of "Commercial Operation" in Section 1.1 have been satisfied.

Section 3.6 Development Security Deposit. Seller shall provide a Development Security Deposit of \$50 for each kilowatt of Capacity of the Facility to Buyer. The Parties agree that it is impractical or extremely difficult to determine actual damages to which LADWP would be entitled if the SOPPA Milestone Deadline or Commercial Operation Deadline are not achieved, and the liquidated damages provided for in this Section 3.6 are a fair and reasonable calculation of actual damages to LADWP in such a circumstance. Seller shall deposit an amount of \$50 for each kilowatt of Capacity of the Facility to Buyer in the form of a cashier's check on or prior to the Effective Date. After Seller achieves Commercial Operation, Seller shall submit a written request to the Buyer for the refund of the Development Security Deposit. Buyer will return the Development Security Deposit to Seller within thirty (30) days of receiving the written request. If the SOPPA Milestone is not met by the SOPPA Milestone Deadline or Commercial Operation does not occur by the Commercial Operation Deadline, Seller shall forfeit and Buyer shall retain the entire Development Security Deposit. However, if failure to meet SOPPA Milestone Deadline or Commercial Operation is due to Force Majeure, Buyer will refund the Development Security Deposit.

ARTICLE IV OPERATION AND MAINTENANCE OF THE FACILITY

Section 4.1 Compliance with Electrical Service Requirements. Seller shall, at its sole expense, operate and maintain the Facility (i) in accordance with Prudent Utility Practices, the requirements of this Agreement, Buyer's interconnection requirements, and all applicable Requirements of Law, and (ii) in a manner that is reasonably likely to maximize the output of Energy and Environmental Attributes from the Facility and result in a useful life for the Facility of not less than the Agreement Term.

Section 4.2 General Operational Requirements. In addition to the requirements set forth in Section 4.1 and elsewhere in this Agreement, Seller shall, at all times: (i) employ qualified and trained personnel for operating and maintaining the Facility, (ii) operate and maintain the Facility with due regard for the safety, security and reliability of the interconnected facilities, LADWP's distribution system, and (iii) comply with operating and maintenance standards recommended by, and required by, the Facility's equipment suppliers.

Section 4.3 Operation and Maintenance Plan. Seller shall devise and implement a plan of inspection, maintenance, and repair for the Facility and the components thereof in order to maintain such equipment in accordance with Prudent Utility Practices, and shall keep records with respect to inspections, maintenance, and repairs thereto. The aforementioned plan and all records of such activities shall be available for inspection by Buyer during Seller's regular business hours upon reasonable notice.

Section 4.4 Outages. Seller shall notify Buyer as soon as Seller becomes aware of any current or planned outage at the Facility reasonably expected to last longer than 30 days. Seller shall take all reasonable measures and exercise commercially reasonable efforts to avoid outages and to limit the duration and extent of any outages. Seller shall promptly notify Buyer of any material damage or destruction affecting the Facility or of the institution of any proceeding for the condemnation or other taking of the Facility and shall keep Buyer apprised on the effect thereof on the ability of the Facility to deliver Facility Energy.

ARTICLE V COMPLIANCE DURING CONSTRUCTION AND OPERATION PERIOD

Section 5.1 The Facility. Seller warrants and guarantees that it will perform, or cause to be performed, all engineering, design and construction in a good and workmanlike manner and in accordance with applicable standards, Prudent Utility Practices, all applicable Requirements of Law, the Milestone and all other requirements of this Agreement. Seller also warrants and guarantees that throughout the Agreement Term Seller shall monitor the operation and maintenance of the Facility and that said operation and maintenance will be, in full compliance with all applicable standards, Prudent Utility Practices, Requirements of Law and other provisions of this Agreement. Without limiting the foregoing, Seller shall promptly repair and/or replace, consistent with Prudent Utility Practice, any component of the Facility that may be damaged or destroyed or otherwise not operating properly and efficiently.

Section 5.1.1 Buyer's Right to Monitor in General. Buyer shall have the right and Seller shall permit Buyer and its representatives, advisors, engineers and consultants to observe, inspect and monitor all operations and activities at the Facility Site.

Section 5.1.2 Startup and Testing. Prior to the Commercial Operation Date and as a condition precedent to the achievement of the Commercial Operation Date, Buyer shall have the right to (i) review and monitor the performance and achievement of all initial performance tests and all other tests required under the Facility construction contracts that must be performed in order to achieve completion; (ii) be present to witness such initial performance tests and review the results thereof; and (iii) perform such detailed examinations, inspections, quality surveillance and tests as, in the judgment of Buyer, are appropriate and advisable to determine that all components of the Facility have been installed in accordance with this Agreement.

Section 5.2 Compliance with Standards. Seller shall cause the Facility and all parts thereof to be designed, constructed, tested, operated and maintained to meet all of the requirements of this Agreement, all applicable Requirements of Law, all applicable requirements of the latest revision of the American Society for Testing and Materials, American Society of Mechanical Engineers, American Welding Society, EPA, Edison Electric Institute, Institute of Electrical and Electronics

Engineers, Instrument Society of America, National Electrical Code, National Electric Safety Code, Occupational Safety & Health Administration, California Occupational Safety & Health Administration, as applicable, Uniform Building Code, Uniform Plumbing Code, and the applicable local County Fire Department Standards of the applicable county, and any successors thereto.

Section 5.3 Effect of Review by Buyer. Any review by Buyer of the design, construction, engineering, operation or maintenance of the Facility is solely for the information of Buyer. Buyer shall have no obligation to share the results of any such review with Seller, nor shall any such review or the results thereof (whether or not the results are shared with Seller) nor any failure to conduct any such review relieve Seller from any of its obligations under this Agreement.

Section 5.4 Inspection and Maintenance Reports. Seller shall provide an inspection and maintenance report on the Facility to Buyer prior to the end of the third full month of the second Contract Year, the fourth Contract Year and every second Contract Year thereafter. This report shall be prepared at Seller's expense by a California licensed contractor who is not the owner or operator of the Facility. A California licensed electrician shall perform the inspection of the electrical portion of the Facility.

ARTICLE VI PURCHASE AND SALE OF POWER; CAPACITY RIGHTS

Section 6.1 Purchases by Buyer. On and after the Commercial Operation Date and continuing for the Delivery Term, Seller shall sell and deliver, and Buyer shall purchase and receive, all Facility Energy, together with all associated Environmental Attributes and Capacity Rights for the Purchase Price. In no event shall Buyer have any obligation or liability whatsoever for any debt pertaining to the Facility by virtue of Buyer's ownership of the Capacity Rights or otherwise. Seller represents and covenants that it has not assigned, transferred, conveyed, encumbered, sold or otherwise disposed of and will not in the future assign, transfer, convey, encumber, sell or otherwise dispose of any of the Capacity Rights to any Person other than Buyer or attempt to do any of the foregoing with respect to any of the Capacity Rights. Seller shall not report to any Person that any of the Capacity Rights belong to any Person other than Buyer. Buyer may, at its own risk and expense, report to any Person that the Capacity Rights belong to it. Buyer shall not be required to purchase and receive any Facility Energy if receiving such Facility Energy would cause or contribute to any adverse effects to Buyer's operation of a reliable and efficient electric grid as determined in Buyer's sole discretion. Any energy consumption by the Facility not used to generate a REC, will be billed to Seller pursuant to a separate electric service agreement.

Section 6.2 Facility's Point of Delivery. Seller shall deliver all Facility Energy to Buyer, and Buyer shall receive all Facility Energy from Seller, under this Agreement at the Point of Delivery.

Section 6.3 Energy to Come Exclusively from Facility. All Energy for sale and delivery pursuant to this Agreement shall come from the Facility and Seller shall not procure Energy from sources other than the Facility for sale and delivery pursuant to this Agreement.

Section 6.4 Sales to Third Parties. Seller shall not sell or otherwise transfer any Facility Energy, Capacity Rights or Environmental Attributes to any Person other than Buyer. Any purported sale or transfer in violation of this provision shall be null and void at inception and of no force or effect.

Section 6.5 Facility Consumption. Any Facility consuming more than that Facility produced

for any particular month shall be billed for the consumption in accordance to the applicable rate in the Electric Rate Ordinance. Facilities consuming more than 10% of its Energy delivery in a 12 months period, as measured by the Electric Metering Device, shall result in the termination of this Agreement and placement on the applicable Customer Generation Rate per LADWP's *Electric Rates Ordinance*.

ARTICLE VII TITLE AND RISK OF LOSS

Section 7.1 Title; Risk of Loss. Seller shall be responsible for any costs or charges imposed on or associated with the delivery of Energy up to the Point of Delivery, and Buyer shall be responsible for any costs or charges imposed on or associated with the delivery of Energy at and from the Point of Delivery. As between the Parties, Seller shall be deemed to be in exclusive control (and responsible for any damages or injury caused thereby) of all Energy prior to the Point of Delivery, and Buyer shall be deemed to be in exclusive control (and responsible for any damages or injury caused thereby) of all Energy at and from the Point of Delivery. Seller warrants that it will deliver all Energy and Environmental Attributes to Buyer free and clear of all Liens created by any Person other than Buyer. Title to and risk of loss as to all Energy and Environmental Attributes shall pass from Seller to Buyer at the Point of Delivery.

ARTICLE VIII ENVIRONMENTAL ATTRIBUTES; EPS AND RPS COMPLIANCE

Section 8.1 Generation of Environmental Attributes. Upon Buyer's request, Seller shall take all actions and execute all documents or instruments necessary under applicable law, bilateral arrangements or other obligatory or voluntary Environmental Attribute programs of any kind to maximize the attribution, accrual, realization, generation, production, recognition and validation of Environmental Attributes throughout the Agreement Term.

Section 8.2 Transfer of Environmental Attributes. Seller shall transfer to Buyer, and Buyer shall receive from Seller, all right, title, and interest in and to all Environmental Attributes, whether now existing or acquired by Seller or that hereafter come into existence or are acquired by Seller during the Agreement Term. Seller agrees to transfer and make available to Buyer all Environmental Attributes, to the fullest extent allowed by applicable law, immediately upon Seller's production or acquisition of the Environmental Attributes.

Section 8.3 Conveyance of Environmental Attributes. Buyer may unilaterally elect to change the Environmental Attribute conveyance procedure for Buyer to be able to receive and report the Environmental Attributes purchased under the Agreement as belonging to Buyer. Buyer will provide written notice to Seller of such change in procedure, and Seller shall thereafter comply with such new procedures.

Section 8.4 Reporting of Ownership of Environmental Attributes. During the Agreement Term, Seller shall not report to any Person that the Environmental Attributes belong to any Person other than Buyer, and Buyer may report under any program that such Environmental Attributes purchased hereunder belong to it.

Section 8.5 Status of Facility. Seller warrants and guarantees that when complete, and at all times thereafter, the Facility will be both RPS Compliant and EPS Compliant and will be an Eligible

Renewable Energy Facility. Seller will be responsible for having the CEC certify the Facility as RPS Compliant and maintaining such certification during the Agreement Term.

Section 8.6 WREGIS. Seller shall cause and allow LADWP to be the “Qualified Reporting Entity” and “Account Holder” (as such terms are defined by WREGIS) for the Facility.

ARTICLE IX BILLING; PAYMENT; AUDITS; METERING; POLICIES

Section 9.1 Calculation of Energy Delivered; Statements; Payment. For each calendar month during the Delivery Term, commencing with the first calendar month in which Facility Energy is delivered by Seller to, and received by, Buyer under this Agreement, Buyer shall calculate the amount of Energy so delivered and received during such calendar month as determined from recordings produced by Buyer’s meters maintained pursuant to Section 9.6, at or near midnight on the last day of the calendar month in question. Buyer shall pay Seller/tenants/landlord for measured Facility energy less the monthly Service Fee of \$5 per month based upon pre-arranged Allocation Agreement. The Service Charge shall be adjusted by the R-1 and R-1 [i] Rate B class average percentage increase approved by the City Council for any future rate action (s). If the multifamily units are not individually metered, then the landlord/Seller shall credit each tenant monthly in an amount determined at their discretion to be proportionate, fair, and equitable. Buyer will not pay for any Facility Energy in excess of 1.15 times the energy hour production profile submitted by Seller at time of application. The monthly payment for the Facility Energy shall be calculated as the sum of Facility Energy, in kWh, delivered at each hour multiplied by the Purchase Price. In no event may the total contract price exceed a \$250 per MWh average on an annualized basis. In the event Buyer pays in excess of a \$250 per MWh average in a given year, any payment in excess of the \$250 per MWh average shall be credited to Buyer and deducted from payments due to the Seller in the following year.

Payments issued by the Buyer for measured Facility energy less the monthly Service Fee shall be issued via check to the Qualified Customers identified in the executed Appendix F Allocation Agreement. Qualified Customer’s meters shall be owned by the Buyer and must be on the same service delivery point as the Facility meter. The Qualified Customer is not eligible to participate in any other LADWP NEM programs for the duration of this Agreement.

Section 9.2 Payment. Not later than 90 days after the end of each calendar month, commencing with the next calendar month following Seller’s first delivery of Facility Energy to Buyer under this Agreement, Buyer shall deliver to Seller a statement showing the amount of Facility Energy that was delivered by Seller, the total payment amount as calculated as set forth in Section 9.1, and payment for that amount.

Section 9.3 Disputed Statement. In the event any portion of any statement or Environmental Attribute is in dispute, the undisputed amount shall be paid when due. The Party disputing a payment or Environmental Attribute shall promptly notify the other Party of the basis for the dispute. Disputes shall be discussed by the parties, who shall use reasonable efforts to amicably and promptly resolve the disputes.

Section 9.4 Buyer’s Right of Setoff. In addition to any right now or hereafter granted under applicable law and not by way of limitation of any such rights, Buyer shall have the right at any time or from time to time without notice to Seller or to any other Person, any such notice being hereby expressly waived, to set off against any amount due to Seller from Buyer under this

Agreement or otherwise any amount due to Buyer from Seller under this Agreement or otherwise, including any amounts due because of breach of this Agreement or any other obligation and any costs payable by Seller if and to the extent paid in the first instance by Buyer.

Section 9.5 Records and Audits. Seller shall maintain or cause to be maintained all records pertaining to the management of this Agreement, related subcontracts, and performance of services pursuant to this Agreement (including all billings, costs, metering, and Environmental Attributes), in their original form, sufficient to properly reflect all costs claimed to have been incurred and services performed pursuant to this Agreement. Buyer and the Authorized Auditors shall have the right to discuss such records with Seller's officers and independent public accountants (and by this provision Seller authorizes said accountants to discuss such billings and costs), all at such times and as often as may be reasonably requested. All records shall be retained, and shall be subject to examination and audit with fourteen (14) calendar days prior written notice by the Authorized Auditors, for a period of not less than four years following final payment made by Buyer hereunder or the expiration or termination date of this Agreement, whichever is later. The Authorized Auditors will have the right to reproduce, photocopy, download, transcribe, and the like any such records. Any information provided by Seller on machine-readable media shall be provided in a format accessible and readable by the Authorized Auditors. To the extent that the Authorized Auditor's examination or audit reveals inaccurate, incomplete or non-current records, or records are unavailable, the records shall be considered defective. If the Authorized Auditor's examination or audit indicates Seller has been overpaid under a previous payment application, within fifteen (15) calendar days of notice to Seller of the identified overpayment Seller shall pay to Buyer the identified overpayment and, if the audit reveals that Buyer overpayment to Seller is more than five percent (5.0%) of the billings reviewed, all expenses and costs incurred by the Authorized Auditors arising out of or related to the examination or audit.

Section 9.6 Electric Metering Device. The Facility Energy made available to Buyer or Buyer's Agent by Seller under this Agreement shall be measured using one (1) Electric Metering Device installed, owned and maintained by Buyer. Buyer or its designee, at no expense to Seller, shall inspect and test all Electric Metering Devices as required. Seller or its designee, at no expense to Buyer, shall provide a dedicated analog telephone service solely for the purpose of delivering data from the Electric Metering Device, if required, as determined by LADWP. If an Electric Metering Device fails to register, or if the measurement made by an Electric Metering Device is found upon testing to be inaccurate by more than one percent (1.0%), an adjustment shall be made correcting all measurements by the inaccurate or defective Electric Metering Device for both the amount of the inaccuracy and the period of the inaccuracy. The adjustment period shall be determined as far as can be reasonably ascertained by Buyer from the best available data. If the period of the inaccuracy cannot be ascertained reasonably, any such adjustment shall be for a period equal to one-third of the time elapsed since the preceding test of the Electric Metering Devices. To the extent that the adjustment period covers a period of deliveries for which payment has already been made by Buyer, Buyer shall use the corrected measurements as determined in accordance with this Section 9.6 to recompute the amount due for the period of the inaccuracy and shall subtract the previous payments by Buyer for this period from such recomputed amount. Any difference shall be accounted for in the next statement Buyer sends to Seller.

Section 9.7 Power Revenue Fund. Any amounts payable by Buyer under this Agreement shall be payable solely from Buyer's Power Revenue Fund. No other fund or account held by or on behalf of Buyer (or any other department or division thereof) may be used to satisfy any such obligations.

Section 9.8 Taxes. Seller shall be responsible for and shall pay, before the due dates therefore, any and all federal, state and local Taxes incurred by it as a result of entering into this Agreement and all Taxes imposed or assessed with respect to the Facility, the Facility site, or any other assets of Seller, the sale or use of Energy and Environmental Attributes and all Taxes related to Seller's income.

ARTICLE X REPRESENTATIONS; WARRANTIES; SELLER'S COVENANTS

Section 10.1 Representations and Warranties of Buyer. Buyer makes the following representations and warranties to Seller as of the Effective Date:

- (d) This Agreement and all Ancillary Documents to which Seller is a party constitute the legal, valid and binding obligation of Seller which is party thereto enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws relating to or affecting the enforcement of creditors' rights generally or by general equitable principles, regardless of whether such enforceability is considered in a proceeding in equity or at law.

- (g) The CEQA authorizations or other Permits required to construct, maintain or operate the Facility and for the production, sale and delivery of Energy and Environmental Attributes in accordance with the requirements of this

- (j) Neither Seller nor, to Seller's knowledge, the owner of the Site has participated in or submitted any claim for receipt of funds under any net metering program or ratepayer-funded on-site generation incentives for the Facility (excluding CAMR projects). Seller waives all claims for eligibility for, and will not submit any claim for receipt of funds under, any net metering program or ratepayer-funded on-site generation incentives for the Facility (excluding CAMR projects).

ARTICLE XI

DEFAULT; TERMINATION AND REMEDIES

Section 11.1 Default. Each of the following events or circumstances shall constitute a "**Default**" by the responsible Party (the "**Defaulting Party**"):

- (a) *Buyer Payment or Performance Default.* Failure by Buyer to make any payment or perform any of its other duties or obligations under this Agreement or any Ancillary Documents to which it is a party when and as due which is not cured within thirty (30) calendar days after receipt of notice thereof from Seller.
- (b) *Seller Payment or Performance Default.* Failure by Seller to make any payment or perform any of its other duties or obligations under this Agreement or any Ancillary Documents to which it is a party when and as due which is not cured within thirty (30) calendar days after receipt of notice thereof from Buyer.

Section 11.2 Default Remedy. If a Default has occurred and is continuing, the remedy of the non-defaulting Party shall be the exercise of any rights and remedies provided for herein, or otherwise available at law or equity, including (i) application of all amounts available under the Development Security Deposit against any amounts then payable by Seller to Buyer under this Agreement or any Ancillary Documents and (ii) termination of this Agreement pursuant to Section 11.3. No failure of either Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by either Party of any right, remedy or power hereunder preclude any other or future exercise of any right, remedy or power.

Section 11.3 Termination for Default. If Default occurs, the Party that is not the Defaulting Party (the “*Non Defaulting Party*”) may, for so long as the Default is continuing and without limiting any other rights or remedies available to the Non-Defaulting Party under this Agreement, by notice to the Defaulting Party establish a date, which shall coincide with the last day of a statement period, but no later than thirty (30) days after the date of such notice, on which this Agreement shall terminate; provided that if a Default is due to the Bankruptcy of either Party, this Agreement shall automatically terminate on the occurrence of such event, without notice or other action by either Party.

ARTICLE XII MISCELLANEOUS

Section 12.1 Authorized Representative. Each Party hereto shall designate an authorized representative who shall be authorized to act on its behalf with respect to those matters contained herein (each an “*Authorized Representative*”), which shall be the functions and responsibilities of such Authorized Representatives. Each Party may also designate an alternate who may act for the Authorized Representative. Within thirty (30) calendar days after execution of this Agreement, each Party shall notify the other Party of the identity of its Authorized Representative, and alternate if designated, and shall promptly notify the other Party of any subsequent changes in such designation. The Authorized Representatives shall have no authority to alter, modify, or delete any of the provisions of this Agreement.

Section 12.2 Notices. With the exception of statements and payments in Section 9.2 hereof, all notices, requests, demands, consents, waivers and other communications which are required under this Agreement shall be in writing and shall be deemed properly sent if delivered in person or sent by facsimile transmission, reliable overnight courier, or sent by registered or certified mail, postage prepaid to the persons specified in Appendix B. In addition to the foregoing, the Parties may agree in writing at any time to deliver notices, requests, demands, consents, waivers and other

communications through alternate methods, such as electronic mail.

Section 12.3 Further Assurances. Each Party agrees to execute and deliver all further instruments and documents, and take all further action not inconsistent with the provisions of this Agreement that may be reasonably necessary to effectuate the purposes and intent of this Agreement.

Section 12.4 No Dedication of Facilities. Any undertaking by one Party hereto to the other Party under any provisions of this Agreement shall not constitute the dedication of the system or any portion thereof of either Party to the public or to the other Party or any other Person, and it is understood and agreed that any such undertaking by either Party shall cease upon the termination of such Party's obligations under this Agreement.

Section 12.5 Force Majeure. A Party shall not be considered to be in default in the performance of any of its obligations under this Agreement when and to the extent such Party's performance is prevented by a Force Majeure; *provided, however*, that the Party has given a written detailed description of the full particulars of the Force Majeure to the other Party reasonably promptly after becoming aware thereof.

Section 12.6 Assignment of Agreement.

- (a) Neither Party shall assign any of its rights, or delegate any of its obligations, under this Agreement without the prior written consent of other Party, which consent shall not be unreasonably withheld; provided that Seller shall not assign such rights or delegate such obligations in part without the prior written consent of Buyer, which consent may be withheld in Buyer's sole discretion. The Party seeking such assignment or such delegation shall provide written notice of such assignment or delegation to the other Party and request the consent required hereunder at least ten (10) Business Days before such assignment or delegation at the address of such other Party set forth in Appendix B. The consent to assignment shall be substantially in the form of Appendix D. Any payment direction or redirection provided to Buyer arising out of or in connection with such assignment shall be provided to Buyer in writing at the address specified in such consent and shall be effective within the time specified in such consent.
- (b) Upon at least ten (10) Business Days prior written notice delivered to the address of such the Buyer set forth in Appendix B, Seller may assign all of its rights, and delegate all of its obligations, in whole under this Agreement without the prior written consent of Buyer if such assignment and delegation is to a retail customer of Buyer who owns the premises on which the Facility is located. Any payment direction or redirection provided to Buyer arising out of or in connection with such assignment shall be provided to Buyer in writing at the address specified in Appendix B and shall be effective within twenty (20) Business Days.
- (c) Upon any assignment or delegation of obligations by such assignor Party pursuant to paragraphs (a) or (b) of this Section, the assignor Party shall be relieved of and fully discharged from all its obligations hereunder, whether

such obligations arose before or after the date of such assignment and delegation, provided that assignee assumes the payment and performance obligations provided under this Agreement with respect to the assignor Party, and agrees in writing to be bound by the terms of and conditions in this agreement.

- (d) To facilitate Seller's obtaining of financing to construct and operate the Facility, Buyer shall provide, at Seller's cost and expense, such consents to collateral assignment or other documents (in form and substance satisfactory to Buyer and the Los Angeles City Attorney) as may be reasonably requested by Seller or any Facility Lender in connection with the financing of the Facility; provided that any payment direction or redirection provided to Buyer arising out of or in connection with such collateral assignment shall be provided to Buyer in writing at the address specified in such consent and shall be effective within the time specified in such consent. The consent to collateral assignment and payment direction shall be substantially in the form of Appendix E.
- (e) Notwithstanding the foregoing or anything else expressed or implied herein to the contrary, Seller shall not assign, transfer, convey, encumber, sell or otherwise dispose of all or any portion of the Facility Energy, Capacity Rights or Environmental Attributes (not including the proceeds thereof) to any Facility Lender.
- (f) Any purported assignment or delegation in violation of this Section shall be null and void and of no force or effect.

Section 12.7 Entire Agreement. This Agreement (including all Appendices and Exhibits) contains the entire understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, discussions or agreements between the Parties, or any of them, concerning that subject matter, whether written or oral, except as expressly provided for herein. This is a fully integrated document. Each Party acknowledges that no other party, representative or agent, has made any promise, representation or warranty, express or implied, that is not expressly contained in this Agreement that induced the other Party to sign this document. This Agreement may be amended or modified only by an instrument in writing signed by each Party.

Section 12.8 Governing Law; Venue. This Agreement was made and entered into in the City of Los Angeles and shall be governed by, interpreted and enforced in accordance with the laws of the State of California and the City of Los Angeles, without regard to conflict of law principles. All litigation arising out of, or relating to this Agreement, shall be brought in a state or federal court in the County of Los Angeles in the State of California. The Parties irrevocably agree to submit to the exclusive jurisdiction of such courts in the State of California and waive any defense of forum non conveniens.

Section 12.9 Representation. Each party has been represented by legal counsel in the negotiations and execution of this Agreement.

Section 12.10 Execution in Counterparts. This Agreement may be executed in counterparts and

upon execution by each signatory, each executed counterpart shall have the same force and effect as an original instrument and as if all signatories had signed the same instrument.

Section 12.11 Effect of Section Headings. Section headings appearing in this Agreement are inserted for convenience only and shall not be construed as interpretations of text.

Section 12.12 Waiver. The failure of either Party to this Agreement to enforce or insist upon compliance with or strict performance of any of the terms or conditions hereof, or to take advantage of any of its rights hereunder, shall not constitute a waiver or relinquishment of any such terms, conditions or rights, but the same shall be and remain at all times in full force and effect. Notwithstanding anything expressed or implied herein to the contrary, nothing contained herein shall preclude either Party from pursuing any available remedies for breaches not rising to the level of a Default, including recovery of damages caused by the breach of this Agreement and specific performance or any other remedy given under this Agreement or now or hereafter existing in law or equity or otherwise. Seller acknowledges that money damages may not be an adequate remedy for violations of this Agreement and that Buyer may, in its sole discretion, seek and obtain from a court of competent jurisdiction specific performance or injunctive or such other relief as such court may deem just and proper to enforce this Agreement or to prevent any violation hereof. Seller hereby waives any objection to specific performance or injunctive relief. The rights granted herein are cumulative.

Section 12.13 Relationship of the Parties. This Agreement shall not be interpreted to create an association, joint venture or partnership between the Parties hereto or to impose any partnership obligation or liability upon either such Party. Neither Party shall have any right, power or authority to enter into any agreement or undertaking for, or act on behalf of, or to act as an agent or representative of, the other Party.

Section 12.14 Third Party Beneficiaries. The provisions of this Agreement are solely for the benefit of the parties hereto. Nothing in this Agreement, whether expressed or implied, shall be construed to give to, or be deemed to create in, any other Person, whether as a third party beneficiary of this Agreement or otherwise, any legal or equitable right, remedy or claim in respect of this Agreement of any covenant, condition, provision duty, obligation or undertaking contained or established herein. This Agreement shall not be construed in any respect to be a contract in whole or in part for the benefit of any Person not a party hereto.

Section 12.15 Indemnification. To the fullest extent permitted by applicable law, except for the sole negligence or willful misconduct of LADWP, Seller undertakes and agrees to defend, indemnify and hold harmless LADWP, the City of Los Angeles, and each of their respective boards, commissioners, officers, agents, employees, assigns and successors in interest, as applicable (hereinafter, collectively, "Indemnitees") from and against any and all suits and causes of action (including proceedings before FERC), claims, losses, demands, penalties, judgments, costs, expenses, damages (including indirect, consequential, or incidental), disbursements of any kind or nature whatsoever, including but not limited to attorney's fees (including allocated costs of internal counsel), other monetary remedies, and costs of litigation, damages, obligation or liability of any kind or nature whatsoever, in any manner arising by reason of, incident to, or connected in any manner with the performance, non-performance or breach of this Agreement, or any other act, error or omission or willful misconduct by or of the Seller or Seller's officers, employees, agents, contractors, sub-contractors of any tier, including but not limited to any such performance, non-

performance, breach, act, error or omission or willful misconduct that results in intellectual property infringement or leads to death or injury to any person, including but not limited to Seller, Seller's officers, employees, agents, contractors or sub-contractors of any tier, or damage or destruction to property of any kind or nature whatsoever, of either Party hereto, or of third parties, or loss of use (hereinafter, collectively, "Indemnified Liabilities"). The provisions of this paragraph shall be in addition to, and not exclusive of, any other rights or remedies which Indemnitees have at law, in equity, under this Agreement or otherwise. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this subsection may be unenforceable in whole or in part because they are violative of any law or public policy, Seller shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them. The provisions of this paragraph shall survive the expiration or termination of this Agreement.

Section 12.16 Limitation of Liability. In signing this agreement, Seller understands and agrees, that, to the fullest extent permitted by applicable law, none of LADWP, the City of Los Angeles, or any of their respective boards, commissioners, officers, agents, employees, assigns and successors in interest, as applicable shall be liable responsible, answerable or accountable to any Person under any circumstance with respect to LADWP's obligations under or in connection with this agreement, except that such limitation shall not limit the liability, if any, of LADWP for its gross negligence or willful misconduct. Further, none of the above- mentioned Persons shall be liable for consequential, incidental, punitive, exemplary or indirect damages, lost profits, loss of use or other costs of business interruption related to this Agreement, whether based on statute, tort, contract, or under any theory of liability.

Seller further understands that these limitations are without regard to the cause or causes of such damages or costs, including negligence, be it sole, joint, contributory, or concurrent, active or passive. Any liability shall be limited to actual direct damages, and such actual direct damages shall be the sole and exclusive remedy, and all other remedies or damages at law or in equity are waived unless expressly provided for herein.

Section 12.17 Severability. In the event any of the terms, covenants or conditions of this Agreement, or the application of any such terms, covenants or conditions, shall be held invalid, illegal or unenforceable by any court having jurisdiction, all other terms, covenants and conditions of this Agreement and their application not adversely affected thereby shall remain in force and effect, *provided* that the remaining valid and enforceable provisions materially retain the essence of the Parties' original bargain.

Section 12.18 Disclosure of Information. Seller acknowledges that Buyer, as a California municipal corporation, is subject to disclosure as required by the California Public Records Act, Cal. Govt. Code §§ 6250 *et seq.* and the Ralph M. Brown Act, Cal. Govt. Code §§ 54950 *et seq.* Information of Seller provided to Buyer pursuant to this Agreement will become the property of Buyer and Seller acknowledges that Buyer shall not have any liability whatsoever under this Agreement or otherwise for any claims or causes of action whatsoever resulting from or arising out of Buyer's copying or releasing to a third party any of the information of Seller pursuant to either of the aforementioned Acts.

Section 12.19 Fixed-Rate Contract: Mobile-Sierra Clause. The Parties hereby stipulate and agree that this Agreement was entered into as a result of arms'-length negotiations between the Parties.

Further, the Parties believe that, to the extent the sale of Energy under this Agreement is subject to Sections 205 and 206 of the Federal Power Act, 16 U.S.C. Sections 824d or 824e, the rates, terms and conditions of this Agreement are just and reasonable within the meaning of Sections 205 and 206 of the Federal Power Act, and that the rates, terms and conditions of this Agreement will remain so over the life of the Agreement. The Parties waive all rights to challenge the validity of this Agreement or whether it is just and reasonable for and with respect to the entire term thereof, under Sections 205 and 206 of the Federal Power Act and to request the FERC to revise the terms and conditions and the rates or services specified in this Agreement, and hereby agree to make no filings at the FERC or with any other state or federal agency, board, court or tribunal challenging the rates, terms and conditions of this Agreement as to whether they are just and reasonable or in the public interest under the Federal Power Act. The Parties hereby further stipulate and agree that neither Party may bring any action, proceeding or complaint under Section 205 or 206 of the Federal Power Act, 16 U.S.C. 824d or 824e, seeking to modify, cancel, suspend, or abrogate the rates, terms and conditions of this Agreement, or to prevent this Agreement from taking effect. It is further agreed that, absent the agreement of both Parties to a proposed change, the standard of review for changes to any rate, charge, classification, term or condition of this Agreement, whether proposed by a Party (to the extent that any provision of this section is unenforceable or ineffective as to such Party), a non-party, or FERC acting *sua sponte* shall solely be the “public interest” application of the “just and reasonable” standard of review set forth in *United Gas Pipe Line Co. v. Mobile Gas Corp.*, 350 U.S. 332 (1956) and *FPC v. Sierra Pacific Power Co.*, 350 U.S. 348 (1956), and clarified by *Morgan Stanley Capital Group, Inc. v. Pub. Util. Dist. No. 1 of Snohomish*, 554 U.S. 527 (2008).

Section 12.20 No Agreement for Retail Electric Service. This Agreement does not constitute an agreement by LADWP to provide retail electrical service to Seller or any third party. Such arrangements must be made separately with LADWP.

Section 12.21 Attorneys’ Fees. Both Parties hereto agree that in any action to enforce the terms of this Agreement, each Party shall be responsible for its own attorneys’ fees and costs.

Section 12.22 LADWP Business Policies. Seller must submit all forms to comply with the business policies prior to the Effective Date of this Agreement. Seller shall comply with all business policies set forth below:

Section 12.22.1 Non-Discrimination and Equal Employment Practices. Unless otherwise exempt, this contract is subject to the non-discrimination provisions in Sections 10.8 through 10.8.2 of the Los Angeles Administrative Code, as amended from time to time. The Seller shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles. In performing this contract, Seller shall not discriminate in its employment practices against any employee or applicant for employment because of such person's race, religion, national origin, ancestry, sex, sexual orientation, age, disability, domestic partner status, marital status or medical condition. Any subcontract entered into by Seller relating to this contract, to the extent allowed hereunder, shall include a like provision for work to be performed under this contract.

Failure of Seller to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject Seller to the imposition of any and all sanctions allowed by law, including but not limited to termination of Seller’s contract with the Buyer.

Unless otherwise exempt, this contract is subject to the equal employment practices provisions in Section 10.8.3 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of this contract, Seller agrees and represents that it will provide equal employment practices and Seller and each subcontractor hereunder will ensure that in his or her employment practices persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
 - 1. This provision applies to work or service performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. Seller agrees to post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.
- B. Seller will, in all solicitations or advertisements for employees placed by or on behalf of Seller, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- C. As part of the Buyer's supplier registration process, and/or at the request of the awarding authority, or the Board of Public Works, Office of Contract Compliance, Seller shall certify in the specified format that he or she has not discriminated in the performance of City of Los Angeles contracts against any employee or applicant for employment on the basis or because of race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.
- D. Seller shall permit access to and may be required to provide certified copies of all of his or her records pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City of Los Angeles contracts. On their or either of their request Seller shall provide evidence that he or she has or will comply therewith.
- E. The failure of any Seller to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of this contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of

the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to Seller.

- F. Upon a finding duly made that Seller has failed to comply with the Equal Employment Practices provisions of this contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the Seller is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, Seller shall be disqualified from being awarded a contract with the Buyer and the City of Los Angeles for a period of two years, or until Seller shall establish and carry out a program in conformance with the provisions hereof.
- G. Notwithstanding any other provision of this contract, the Buyer shall have any and all other remedies at law or in equity for any breach hereof.
- H. The Board of Public Works shall promulgate rules and regulations through the Office of Contract Compliance, and provide necessary forms and required language to the awarding authorities to be included in City of Los Angeles Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an awarding authority of the City of Los Angeles to accomplish the contract compliance program.
- I. Nothing contained in this contract shall be construed in any manner so as to require or permit any act which is prohibited by law.
- J. At the time a supplier registers to do business with the City of Los Angeles, or when an individual bid or proposal is submitted, Seller shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City of Los Angeles Contracts.
- K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
 - 1. Hiring practices;
 - 2. Apprenticeships where such approved programs are functioning, and other on-the-job training for non- apprenticeable occupations;

3. Training and promotional opportunities; and
 4. Reasonable accommodations for persons with disabilities.
- L. All Sellers subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the Buyer and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to Seller. Failure of Seller to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject Seller to the imposition of any and all sanctions allowed by law, including but not limited to termination of the Seller's contract with the Buyer.

Section 12.22.2 Affirmative Action Program. Unless otherwise exempt, this contract is subject to the affirmative action program provisions in Section 10.8.4 of the Los Angeles Administrative Code, as amended from time to time.

- A. During the performance of this contract, Seller certifies and represents that Seller and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
1. This provision applies to work or services performed or materials manufactured or assembled in the United States.
 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 3. Seller shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.
- B. Seller will, in all solicitations or advertisements for employees placed by or on behalf of Seller, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- C. As part of the Buyer's supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, Seller shall certify on an electronic or hard copy form to be supplied, that Seller has not discriminated in the performance of City of Los Angeles contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability,

marital status or medical condition.

- D. Seller shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City of Los Angeles contracts, and on their or either of their request to provide evidence that it has or will comply therewith.
- E. The failure of Seller to comply with the Affirmative Action Program provisions of this contract may be deemed to be a material breach of this contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to Seller.
- F. Upon a finding duly made that Seller has breached the Affirmative Action Program provisions of this contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said Seller is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such Seller shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that Seller has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City of Los Angeles contract, there may be deducted from the amount payable to Seller by the City of Los Angeles under the contract, a penalty of ten dollars (\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a City of Los Angeles contract.
- H. Notwithstanding any other provisions of this contract, Buyer shall have any and all other remedies at law or in equity for any breach hereof.
- I. The Public Works Board of Commissioners shall promulgate rules and regulations through the Office of Contract Compliance and provide to the awarding authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City of Los Angeles contracts, and rules and regulations and forms shall, so far as practicable,

be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an awarding authority of the City of Los Angeles to accomplish this contract compliance program.

- J. Nothing contained in this contract shall be construed in any manner so as to require or permit any act which is prohibited by law.
- K. Seller shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the City of Los Angeles. The plan shall be subject to approval by the Office of Contract Compliance prior to award of the contract. The awarding authority may also require Sellers and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, Seller may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, Seller must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.
 - 1. Every contract of \$5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.
 - 2. Seller may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.
- L. The Office of Contract Compliance shall annually supply the awarding authorities of the City of Los Angeles with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and Seller.
- M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
 - 1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;

2. Classroom preparation for the job when not apprenticeable;
 3. Pre-apprenticeship education and preparation;
 4. Upgrading training and opportunities;
 5. Encouraging the use of contractors, subcontractors and suppliers of all racial and ethnic groups, provided, however, that any contract subject to this ordinance shall require the Seller, subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the Seller's, subcontractor's or supplier's geographical area for such work;
 6. The entry of qualified women, minority and all other journeymen into the industry; and
 7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.
- N. Any adjustments which may be made in Seller's or supplier's work force to achieve the requirements of the City's Affirmative Action Contract Compliance Program in purchasing and construction shall be accomplished by either an increase in the size of the work force or replacement of those employees who leave the work force by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.
- O. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by Seller at his or her discretion. Approved Affirmative Action Agreements become the property of the City and may be used at the discretion of the City in its Contract Compliance Affirmative Action Program.
- P. This ordinance shall not confer upon the City of Los Angeles or any agency, Board or Commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by seller or suppliers engaged in the performance of City contracts.
- Q. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with Buyer and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to Seller. Failure of Seller to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject Seller to the imposition of any and all sanctions allowed by law,

including but not limited to termination of Seller's contract with Buyer.

The Seller shall have an Affirmative Action Plan on file with the Director of Supply Chain Services. The Seller shall comply with the requirements of the City of Los Angeles and shall complete, sign, and submit to the Seller the applicable "Affidavit". An Affirmative Action Plan shall be in effect and on file with the Seller for the duration of this Agreement.

Failure of Seller and/or any of its subcontractor(s) to fully comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignments or Notices of Assignment or failure of the principal owner(s) to comply with

any Wage and Earnings Assignments or Notices of Assignment applicable to them personally shall constitute a Default under this Agreement. Failure of Seller and/or any of its subcontractor(s) or principal owner(s) thereof to cure the default within ninety (90) days of notice of such Default by Buyer shall subject this Agreement to termination.

CONSENT TO ASSIGNMENT

This Consent to Assignment (“CTA”) is by and between the City of Los Angeles acting by and through the Department of Water and Power (“Buyer”), a municipal corporation of the State of California, [Seller] (“Assignor”), a [Enter type of company] [Enter Assignee Name] (“Assignee”), [Enter type of company]. Buyer, Assignor and Assignee are sometimes referred to herein individually as “Party” and collectively as the “Parties”. Buyer hereby consents to the assignment by Assignor to Assignee of the entirety of the rights, title and interest Assignor may have in and to the agreements described on Exhibit A attached hereto and incorporated herein by this reference the “Assigned Agreement(s)”, for the [Capacity]__kW CEC-AC [Type]__ project named [Facility Name], located at [Facility Street Address] [Facility City], California, [Facility Zip code], as of the date of last signature hereunder (the “Effective Date”) under the following terms and conditions:

1. Assignor and Assignee recognize and acknowledge that Buyer makes no representation or warranty, expressed or implied, that Assignor has any right, title, or interest in the Assigned Agreement(s). Assignee is responsible for satisfying itself as to the existence and extent of Assignor's right, title, and interest in the Assigned Agreement(s) and Assignor and Assignee expressly release Buyer from any liability resulting from or related to this CTA, including assignment for security if any, to which Buyer is consenting herein. Assignee and Assignor further release Buyer from any liability for consenting to any future assignments of the Agreement(s) by Assignee or Assignor.
2. Assignee hereby agrees to assume each and every such duty and obligation of the Assignor in the Assigned Agreements and hereby agrees to be bound by the terms of and conditions in the Assigned Agreements.
3. Assignor and Assignee hereby agree that they shall hold Buyer harmless from, and be jointly and severally liable to Buyer for, any third-party claims, losses, liabilities, damages, costs or expenses (including, without limitation, any direct, indirect or consequential claims, losses, liabilities, damages, costs or expenses, including legal fees) in connection with or arising out of any of the transactions contemplated by the assignment or this CTA.
4. Assignee acknowledges that the assignment of rights to it may be subject to previous assignments, liens or claims executed or arising prior to the Effective Date. Assignee agrees that it takes this assignment subject to any defenses or causes of action Buyer may have against Assignor.

5. Assignee hereby agrees that it will not assign any of the rights, title or interest in, or the duties and obligations under the Assigned Agreement(s) without the prior written consent of Buyer, unless otherwise specifically provided under the Assigned Agreement(s). Assignee further agrees that, in the event of any future assignment, Assignee shall remain jointly and severally liable to Buyer for each and every assigned duty and obligation under said Assigned Agreement(s).

6. Assignor hereby requests that Buyer (i) henceforth make any payments which shall become due under the Assigned Agreement(s) to Assignee and (ii) substitute Assignee for Assignor as the notice addressee under the Assigned Agreement(s). Assignor releases Buyer from all liability for making payment to Assignee, and Assignee releases Buyer from all liability for failure to direct such payments to Assignee rather than Assignor.

7. All notices hereunder shall be in writing and shall be effective when received; for purposes of this CTA, notices shall be deemed received (i) at the close of business on the date of receipt, if delivered by hand, or (ii) when signed for by recipient, if sent via registered or certified mail, postage prepaid, or via courier; provided that, such notice was properly addressed to the appropriate address indicated on the signature page hereof or to such other address as a Party may designate by prior written notice to the other Parties.

8. Assignee and Assignor each agree that Buyer shall have (and Buyer hereby expressly reserves) the right to set off or deduct from payments due to Assignor, each and every amount due Buyer from Assignor arising out of or in connection with the Assigned Agreements in accordance with the terms of such Assigned Agreements or in accordance with applicable law. Assignee further agrees that it takes this assignment subject to any defenses or causes of action Buyer may have against Assignor.

9. Assignee and Assignor agree that any change in payment notification will become effective within 30 days receipt of written notice.

10. Other than as explicitly provided herein, this CTA is neither a modification of nor an amendment to the Assigned Agreement(s).

11. The Parties hereto agree that this CTA shall be construed and interpreted in accordance with the laws of the State of California, excluding any choice of law rules which may direct the application of the laws of another jurisdiction. All litigation arising out of, or relating to the CTA, shall be brought in a state or federal court in the County of Los Angeles in the State of California. The parties irrevocably agree to submit to the exclusive jurisdiction of such courts in the State of California and waive any defense of *forum non conveniens*.

12. No term, covenant or condition hereof shall be deemed waived and no breach excused unless such waiver or excuse shall be in writing and signed by the Party claimed to have so waived or excused.

13. This Agreement may be executed in one or more counterparts and by the Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. APPENDIX E
FORM OF CONSENT TO COLLATERAL ASSIGNMENT AND PAYMENT DIRECTION

CONSENT TO COLLATERAL ASSIGNMENT AND PAYMENT DIRECTION

This Consent to Collateral Assignment (the “Consent”) is by and among the City of Los Angeles acting by and through the Department of Water and Power (“Buyer”), a municipal corporation of the State of California, and *[NAME OF DEVELOPER]*, a (“Seller”), and *[NAME OF PROPERTY OWNER]*, a (“Secured Party”). Pursuant to Section 12.6 of the Standard Offer Power Purchase Agreement *[Enter Contract Number]* dated as of _____, _____ (the “SOPPA”) for the *[Capacity]* _____ kW *[type]* _____ project named *[Facility description]* _____, located at *[Facility Street Address]* _____, *[Facility City]* _____, California, by and between Buyer and Seller, Buyer hereby consents to the grant by Seller to Secured Party of a security interest in Seller’s right, title and interest under the SOPPA and the payments due by Buyer thereunder from time to time *[and]/add additional interests of Secured Party in other collateral related to the SOPPA, if applicable]* (the “Collateral”) pursuant to the *[Pledge and Security Agreement]* (the “Pledge”) dated as of _____, _____, executed by Seller for the benefit of Secured Party, in accordance with the Virtual Net Energy Metering Program Guidelines, subject to the following terms and conditions:

1. Seller and Secured Party recognize and acknowledge that Buyer makes no representation or warranty, expressed or implied, that Seller has any right, title, or interest in the Collateral. Secured Party is responsible for satisfying itself as to the existence and extent of Seller’s right, title, and interest in the Collateral. Buyer shall have no liability to Seller or Secured Party resulting from or related to this Consent. Buyer shall have no liability to Seller or Secured Party for consenting to any future assignments of the Collateral or any interest of Seller or Secured Party therein.
2. Seller hereby agrees that it shall hold Buyer harmless from any third-party claims, losses, liabilities, damages, costs or expenses (including, without limitation, any direct, indirect or consequential claims, losses, liabilities, damages, costs or expenses, including legal fees) in connection with or arising out of any of the transactions related to the Pledge or this Consent.
3. Secured Party acknowledges that the assignment of rights to it may be subject to previous assignments, liens or claims executed or arising prior to the date of the Pledge. Seller and Secured Party each agree that Buyer shall have (and Buyer hereby expressly reserves) the right to set off or deduct from payments due to Seller, each and every amount due Buyer from Seller arising out of or in connection with the SOPPA. Secured Party agrees that it takes its interest in the Collateral and related rights in which it has a security interest subject to any defenses or causes of action that Buyer may have against Seller and other rights Buyer may have pursuant to the SOPPA.

4. Secured Party acknowledges and confirms that, notwithstanding any provision to the contrary under applicable law or in any Pledge executed by Seller, Secured Party shall not assume, sell or otherwise dispose of the Collateral (whether by foreclosure sale, conveyance in lieu of foreclosure or otherwise) unless, on or before the date of any such assumption, sale or disposition, Secured Party or any third party, as the case may be, assuming, purchasing or otherwise acquiring the SOPPA (a) cures any and all defaults of Seller under the SOPPA which are capable of being cured and which are not personal to the Seller, (b) executes and delivers to Buyer a written assumption of all of Seller's rights and obligations under the SOPPA in form and substance reasonably satisfactory to Buyer, (c) otherwise satisfies and complies with all requirements of the SOPPA, (d) provides such tax and enforceability assurance as Buyer may reasonably request, and (e) is a Permitted Transferee (as defined below). Secured Party further acknowledges that the assignment of the SOPPA is for security purposes only and that Secured Party has no rights under the SOPPA to enforce the provisions of the SOPPA unless and until an event of default has occurred and is continuing under the Pledge between Seller and Secured Party (a "Financing Default"), in which case Secured Party shall be entitled to all of the rights and benefits and subject to all of the obligations which Seller then has or may have under the SOPPA to the same extent and in the same manner as if Secured Party were an original party to the SOPPA.

"Permitted Transferee" means any person or entity who is reasonably acceptable to Buyer. Secured Party may from time to time, following the occurrence of a Financing Default, notify Buyer in writing of the identity of a proposed transferee of the SOPPA, which proposed transferee may include Secured Party, in connection with the enforcement of Secured Party's rights under the Pledge, and Buyer shall, within thirty (30) business days of its receipt of such written notice, confirm to Secured Party whether or not such proposed transferee is a "Permitted transferee" (together with a written statement of the reason(s) for any negative determination) it being understood that if Buyer shall fail to so respond within such thirty (30) business day period such proposed transferee shall be deemed to be a "Permitted Transferee".

5. Secured Party acknowledges and agrees that Buyer may agree with Seller to modify or amend the SOPPA, and that Buyer is not obligated to notify Secured Party of any such amendment or modification to the SOPPA. Secured Party hereby releases Buyer from all liability arising out of or in connection with the making of any amendment or modification to the SOPPA.
6. Buyer agrees to perform pursuant to the terms and conditions of the SOPPA, by and between Buyer and Seller notwithstanding Secured Party's exercise of remedies under the Pledge, until the termination of the SOPPA under law or equity or in accordance with its terms, including, without limitation, Article XI thereof.

In the event that Buyer sends a notice to Seller pursuant to Section 11.3 of the SOPPA, Buyer shall promptly send a copy of such notice to Secured Party at Secured Party's address set forth below. In addition, Seller shall provide a copy of such notice to Secured Party the next business day after receipt from Buyer, independent of any agreement of Buyer to deliver the notice. If neither Buyer nor Seller delivers a Default Notice to Secured Party as provided herein, the Secured Party's applicable cure period shall begin on the date on which

notice of an Event of Default is delivered to Secured Party by either Buyer or Seller. Except for a delay in the commencement of the cure period for Secured Party and a delay in Buyer's ability to terminate the SOPPA (in each case only if both Buyer and Seller fail to deliver notice of an Event of Default to Secured Party), failure of Buyer to deliver any Default Notice shall not waive Buyer's right to take any action under the SOPPA and will not subject Buyer to any damages or liability for failure to provide such notice.

If possession of the Facility (as defined in the SOPPA) is necessary for Secured Party to cure an Event of Default and Secured Party commences foreclosure proceedings against Seller within thirty (30) days of receiving notice of an Event of Default from Buyer or Seller, whichever is received first, Secured Party shall be allowed a reasonable additional period to complete such foreclosure proceedings, such period not to exceed ninety (90) days; provided, however, that Secured Party shall provide a written notice to Buyer that it intends to commence foreclosure proceedings with respect to Seller within ten (10) business days of receiving a notice of such Event of Default from Buyer or Seller, whichever is received first. In the event the Secured Party succeeds to Seller's interest in the Facility as a result of foreclosure proceedings, the Secured Party or a purchaser or grantee pursuant to such foreclosure shall be subject to the requirements of Section 4 of this Consent to Collateral Assignment and Payment Direction.

7. Seller and Secured Party shall have thirty (30) days from the receipt of notice of Event of Default to remedy or cure said default or event; provided, however, that neither the SOPPA nor this Consent shall require Secured Party to cure said default or event, but Secured Party shall, in its sole discretion, have the option to do so.
8. [Buyer has been notified on the date hereof by Seller and Secured Party that all payments due or to become due to Seller under the SOPPA after the date hereof have been assigned to the Secured Party pursuant to the Pledge.] A true, complete and correct copy of the executed Pledge [is attached hereto][has been provided to Buyer].
9. From and after the date hereof and until Buyer shall have received written notice from Secured Party delivered to the address for Buyer set forth below that the lien of the Pledge has been discharged pursuant to the terms thereof, Seller hereby directs Buyer, and Buyer agrees to make, all payments and amounts Buyer is obligated to pay under the SOPPA to the Seller by mail at the address below:

Secured Party Name: _____
Contact Name: _____
Phone: _____
Email: _____
Payment Address: _____

10. Buyer shall have no liability to Seller or Secured Party (or their successors and assigns) for making payments due or to become due under the SOPPA to Secured Party or for failure to direct such payments to Secured Party rather than Seller, and all such payments shall satisfy Buyer's corresponding payment obligation under the SOPPA.

11. All payment directions or redirections to Buyer, and all notices to Buyer, shall be effective only (a) if hand delivered, upon receipt; or (b) if sent by (i) certified or registered United States mail, postage prepaid, return receipt requested, three days after deposit with the United States Postal Service or (ii) expedited prepaid reputable overnight delivery service, either commercial or United States Postal Service, the next business day after delivery to such service, to the following address and person (or at such other address and person as shall be designated from time to time by Buyer in a written notice to the Secured Party in the preceding manner):

VNEM Program Administrator

111 North Hope Street, Room 940

Los Angeles, CA 90012

12. Secured Party and Seller agree that any change in payment notification will become effective within 30 days following receipt by Buyer of written notice thereof in accordance with this Consent.
13. This Consent does not modify or alter any of the terms of the SOPPA (except the address to which the notices referred to below are to be delivered), and Buyer shall have no obligation or liability to Secured Party with respect to the SOPPA or otherwise.
14. The parties hereto agree that this Consent shall be construed and interpreted in accordance with the laws of the State of California, excluding any choice of law rules which may direct the application of the laws of another jurisdiction. All litigation arising out of, or relating to the Consent, shall be brought in a state or federal court in the County of Los Angeles in the State of California. The parties irrevocably agree to submit to the exclusive jurisdiction of such courts in the State of California and waive any defense of *forum non conveniens*.
15. No term, covenant or condition hereof shall be deemed waived and no breach excused unless such waiver or excuse shall be in writing and signed by the party hereto claimed to have so waived or excused.
16. There are no third party beneficiaries to this Consent.
17. The invalidity or unenforceability of any provision of this Consent shall not affect the validity or enforceability of any other provision of this Consent, which shall remain in full force and effect.
18. This Consent may be modified, amended or rescinded only by an instrument in writing signed by all parties hereto.
19. This Agreement may be executed in one or more counterparts, and by the Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The Parties further agree that facsimile signatures or signatures scanned into .pdf (or signatures in another electronic format designated by the Department) and sent by e-mail shall be deemed original signatures.
