

MOTION

For more than 30 years, Maryanne Hayashi has served as the steadfast Executive Director of the Central City Action Committee (CCAC) in Angelino Heights, dedicating herself to safe, enriching programs for neighborhood youth, including homework tutoring, life skills training, field trips, and mentorship.

Under Ms. Hayashi's leadership, CCAC has become a cornerstone institution that supports low-income children and creates opportunities for generations of local families. Her commitment has been recognized by community celebrations and honors, including acknowledgment from the Los Angeles County Board of Supervisors.

Throughout her career, Ms. Hayashi has worked tirelessly to secure funding, build partnerships, and advocate for resources that strengthen CCAC's ability to serve at-risk youth. She has mentored countless young people who have pursued higher education, developed professional careers, and become leaders in their communities. Her leadership has strengthened ties among CCAC, local schools, public safety partners, and community-based organizations, creating a network of support for the City's youth.

Maryanne Hayashi's decades of service have improved the lives of those directly involved with CCAC and contributed to the overall safety, stability, and vibrancy of the community.

I THEREFORE MOVE that the intersection of Bellevue Avenue and Boston Street in Angelino Heights be designated as "Maryanne Hayashi Square," and that the Department of Transportation be directed to fabricate and install permanent ceremonial signage at this location in her honor.

I FURTHER MOVE that the Department of Transportation be authorized to make technical corrections or clarifications to effectuate the intent of this motion.
