

TRANSPORTATION COMMITTEE REPORT and RESOLUTION relative to the Fiscal Year (FY) 2025-26 State of Good Repair (SGR) Program grant application and authority for the purchase and installation of electrical charging infrastructure at the Los Angeles Department of Transportation (LADOT) Washington Bus Yard.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the General Manager, LADOT, or their designee to apply for and accept funds in the amount of \$1,167,063 for the SGR Program on behalf of the City for bus electrification at the Washington Bus Yard.
2. AUTHORIZE the General Manager or Chief of Transit Programs, LADOT, to execute any necessary funding and contractual documents, subject to the approval of the City Attorney as to form and legality, for accepting SGR funds.
3. ADOPT the accompanying RESOLUTION attached to the Council file, as required by the California Department of Transportation, authorizing the execution of the certifications and assurances for the SGR Program project Electrification of LADOT Washington Ave Bus Maintenance Facility (SGR Project ID 2019-5006-003).

Fiscal Impact Statement: The LADOT reports that there is no impact to the General Fund because the grant does not require a local match. The LADOT will rely on Proposition A Account 94SA20 and 94CA20 Facility Upgrades for Electrification and MICLA Account 94AL06 Washington Bus Yard Electrification for front funds to be reimbursed by the FY 2025-26 SGR funds. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.
