A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Title: Know Your Rights Campaign / Residential Building Postings / Tenant Anti-Harassment Ordinance Bulletin / Rental Support for Impacted by Immigration Raids

Position: Support

Summary: At a Brown Act-compliant meeting on October 8th, 2025, the NoHo Neighborhood Council voted in support of CF 25-0984 by a vote of 12-2-0.

As a neighborhood council we have consistently made it known that we are in support of our immigrant community and shared know-your-rights materials with members of our community. As such, we are in favor of any citywide effort to disseminate this information, and the directive to protect tenants being threatened by their landlords with a report to Immigration and Customs Enforcement.

As we face the "illegal enforcement by federal immigration agencies" that is deeply and widely felt in our community, we are in support of the directive to potentially use LA County Affordable Housing Solutions Agency (LACAHS) resources for rental support to individuals affected. The knock-on effects of these raids are echoing through our communities already in people's day-to-day lives. Our response must be multifaceted.

Let us also note, as LACAHS is funded in part through public funds, that undocumented immigrants contribute to the tax base even as they do not benefit from programs those taxes fund, such as social security. As such, undocumented immigrants in our community would receive nothing they do not deserve as our neighbors.

For these reasons, we support CF 25-0984.
