**Comments for Public Posting:** Dear Chair and Commissioners, My name is Henry Saakjan, authorized representative for 7030 Holdings LLC, DCR Record No. LA-R-25-320058-ANN. Thank you for opportunity to submit this statement in support of Annual License application. At our prior hearing, I presented our full compliance plan, community commitments and operational safeguards. Since then, our team has taken additional steps to strengthen those commitments and address all concerns raised by the Commission and members of the public. We acknowledge that several community comments and three formal complaints were received. We take each seriously. In response we have: 1. Expended our professional security coverage and added visible patrol hours. 2. Signed up with neighborhood email thread, to document and respond to neighborhood concerns within one business day. 3. Met directly with nearby residents and neighborhood council to share updates, build trust, and establish ongoing dialog. Multiple studies, including research conducted here in Los Angeles, show that licensed cannabis dispensaries do not increase crime and, in many cases, improve neighborhood safety by adding lighting, surveillance, and consistent security presence.our facility's 24/7 video coverage trained guards, and strict cash-handling procedures demonstrate our continued commitment to safety and compliance. We remain dedicated to hiring locally and have set a goal of 4 local hires. Our operations will contribute jobs, tax revenue, and tangible benefits through neighborhood cleanups, outreach, and donations. 7030 Holdings LLC has listened, adapted, and improved. We have addressed concerns transparently and remain committed to operating responsible, safely, and in full compliance with city and state regulations. Thank you for your time. Sincerely, Henry Saakjan.
