DISCUSSION:

The vesting tentative map of Tract No. 82342 was conditionally approved by the Deputy Advisory Agency on December 5, 2019, for a maximum of seven (7) small lots.

The Advisory Agency has determined that this project will not have a significant effect on the environment.

Pursuant to California Government Code Section 66458, Council shall, at its next regular meeting after it receives the map, approve the map if it conforms to all the conditions of approval of the tentative map. If the map does not conform, Council shall disapprove the map. If Council does not approve or disapprove the map within the prescribed time, or any authorized extension thereof, and the map conforms to all requirements and rulings, it shall be deemed approved, and the clerk of the legislative body shall certify or state its approval thereon. Upon approval by the Council, the final map will be transmitted to the County Engineer for filing with the County Recorder.
