**Comments for Public Posting:** I strongly support this motion. There are many issues that can be dealt with with letters and warnings to deescalate situations that may lead to serious charges. The Neighborhood Prosecutor works very closely with the community and is familiar with the area assigned to them. The Neighborhood Prosecutor attends regular neighborhood council meetings, Community-Police Advisory Board meetings, and other neighborhood groups to learn about the issues directly affecting the community. They are a law enforcement figure and people value their work. I strongly recommend bringing back this program! I am a board member of the Sun Valley Area Neighborhood Council, but I am speaking on my own behalf.

**Comments for Public Posting:** I support council file 25-1136 and urge the City Council to vote yes on this motion that will reestablish the Neighborhood Prosecutor Program. This will help solve many community issues before they become more serious offenses. We need the prosecutor in our communities. Many people stop their nuisance when they realize law enforcement is aware of their wrongdoing. Vote yes!
