Comments for Public Posting: My name is Martin Byhower, I was instrumental in obtaining the Proposition O funding (approximately \$100) that led to the restoration and improvements at Ken Malloy Harbor Regional Park in Harbor City/Wilmington. I spent over 30 years of my life advocating for the park, including a number of years on the Park Advisory Board. Although I now live in Texas, my love and concern for the Park remains strong. This incredible resource has rebounded remarkably due to the restoration and protective measures that were put in place, and only strong measures to prevent wandering/trespassing into valuable habitat will allow the park to sustain its natural values. I wholeheartedly support this measure!
