Comments for Public Posting: Hon. City Council, I want to thank the RESEDA Neighborhood Council, UnrigLA, and fellow Advocates who have advocated for REAL REFORM in the City of Los Angeles. For too long, our local government has been plagued by corruption and scandals. Advocates have been pushing for reform and changes in our government structure, from Neighborhood Councils, City Council, Mayor and City Departments, especially the Los Angeles Police Department that has caused the city of Los Angeles millions in civil fines and damages due to officer misconduct and abuse of human rights. Dennis P. Zine has already served on the Charter Commission Im 1999. He already did his duty and now it is time to pick someone new and who is not a part of the political establishment. In a recent CityWatchLA opinion piece by Dennis Zine himself... he announced big "withdrawal" from consideration on the Charter Reform Commission. Thank you, Mr. Quan and President Jamie York, for your advocacy and leadership! We need real reform and the Charter Commission will focus on making changes to our government structure and Civil Service Reform as well!
